### FROM THE PRINCIPAL

Dear Everyone

Welcome to Term 4. This term is such an exciting one!

One of the priorities for us is to organise and plan for 2019. Initially the most important information for us is around enrolments. Once we are confident of the numbers in each grade level we can create class models of how the students can be grouped. Schools are resourced according to the number of students that are enrolled. Our "staffing quota" (the number of teachers we are entitled to) is directly related to the number of students enrolled in the school by the census date. If your child/ren will not be attending Trevallyn in 2019 could you please let us know as soon as possible. We are also interested to hear of any families that you know will be moving into our area. Kindergarten orientation planning for Term 4 is currently underway. To be eligible for enrolling in Kindergarten your child has to have turned 4 by December 31, 2018. Please contact us if you know of any children in the area who could enrol for Kinder 2019.

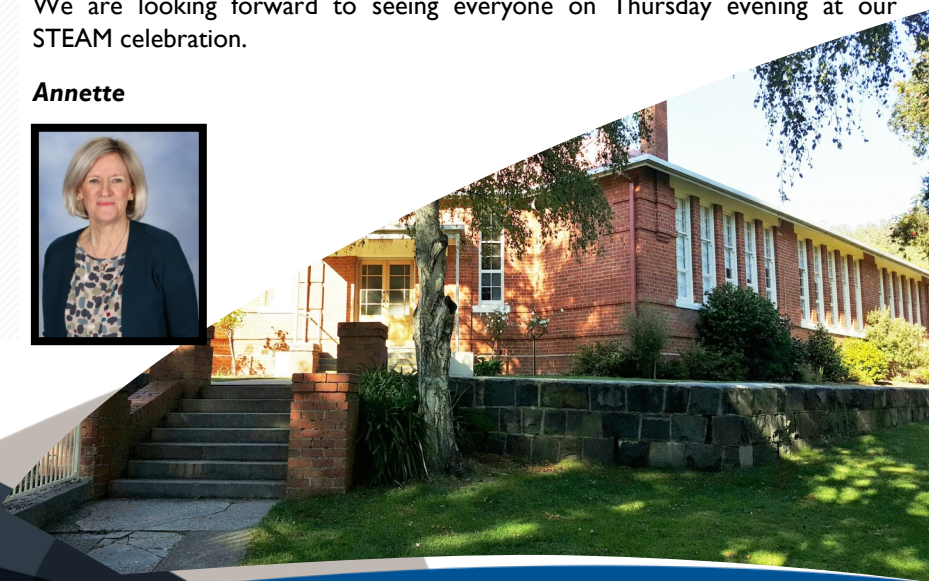

This and next weekend are big weekends for basketball with 9 teams in the Primary Schools Basketball Tournament, Trevallyn Primary will be very well represented. This is a great opportunity for students from beginners to more experienced to compete in a series of games against other schools. "Go Trevallyn!"

Earlier this week media has shared the success and achievements of ex-student Sejr Deans who has been selected in Australia's under 15 team for the FIBA Oceania Championships in Papua New Guinea in December. What an achievement! In an interview I heard Sejr comment that the Primary Schools Basketball Tournament was his entry point into this sport he has come to love and excel in. What a reminder to us of the importance of getting involved.

Sincere thanks to parent Troy Seen who last term organised and conducted lunchtime sessions of physical activities for our students. These were very successful and extremely well received by the students. This was greatly appreciated.

We are looking forward to seeing everyone on Thursday evening at our STEAM celebration.

## MYTERN

On Wednesday 17 October, Dr Jane Foster visited Trevallyn Primary School. Jane is the creator of MYTERN. During her visit she spoke to Grade One, Grade Three and Grade Six classes about the power of the MYTERN language in changing our thoughts and the way we think and manage the day to day challenges life throws at us. Some of the ideas she shared with us included:

- Red roads are rough but they are not 'bad'. They teach us how to improve our driving skills and develop resilience. They don't last forever!
- We can't control the way others behave or what they might say to us but we can control how we react to their behaviour by keeping hold of our own steering wheel and staying on the road we choose to be on.
- People can be 'out of control' when they are on either a green road or a red road – being 'out of control' means you are behaving in a way that is harmful to either yourself or others.
- It is important to be aware of our TEP (Take Extreme Precaution) and have some PET (Personal Emotional Tools) ready to help us when we are faced with rough roads and challenging times.

Jane's visit was very inspiring and empowering for the students who had the opportunity to speak with her. We look forward to continuing our MYTERN journey at Trevallyn and having Jane back to visit soon! If you would like more information about MYTERN, the website is a great resource: [www.myterncity.com.au](http://www.myterncity.com.au). We also have MYTERN magnets available for purchase for \$10 at the office. These are a great tool for introducing the language of MYTERN at home.

## STEAM EXPO AND OPEN NIGHT - 25 OCTOBER CANTEN BANDANNA SALES WEDNESDAY 17 - WEDNESDAY 31 OCTOBER

On Thursday and Friday next week, classes will be visiting our STEAM Expo.

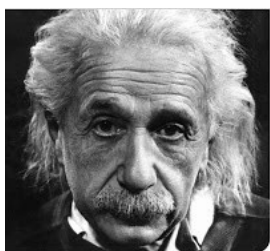

On Thursday, we have an Insect Exhibit in addition to class displays and activities and on Friday, NRM North will be exhibiting some of their work alongside class projects.

Classrooms are open from 5 - 6:30pm on Thursday night to view your child's work in all areas of STEAM.

The multi-purpose room will also be open to view class displays on the evening.

Be there or be square! (maths joke!)

In support of CanTeen's national Bandanna Day, bandannas will be on sale over the next two weeks for \$5 each. All money goes towards supporting children and teenagers and their families who have been impacted by cancer. All money raised by the students participating in Trevallyn's Be Brave and Shave will also go to this wonderful charity. Students can wear their bandannas during this two week period, especially at our Be Brave and Shave assembly on **Thursday November 1**. We would love to see as many students as possible wearing them in support of our students losing their hair on this day.

### BE BRAVE AND SHAVE ASSEMBLY VOLUNTEERS NEEDED

If you are able to assist in the cutting and shaving of our students hair please contact Jane Hudson either by email [jane.r.hudson@education.tas.gov.au](mailto:jane.r.hudson@education.tas.gov.au) or via the school office on 63319657. Thank you.

# Trevallyn Primary School Be Brave and Shave CanTeen Australia Fundraiser

Thursday 1st November - 9.40 in the Max Fry Hall

These amazing and compassionate students will be losing their hair on Thursday 1st November. If you would like to donate to the Trevallyn Primary School students who are shaving and cutting off all of their hair to raise money for CanTeen, a charity that supports young people with cancer please go to [www.raiseit.org.au](http://www.raiseit.org.au) and search for Trevallyn Primary School and donate today or find one of our compassionate, caring students to donate directly.

Student Leaders will be selling bandannas from Wednesday 17<sup>th</sup> to Wednesday 31st October. Bandannas are \$5 each and students may wear them at school throughout the 2 week lead up to the Be Brave and Shave on Thursday 1<sup>st</sup> November.

National Bandanna Day is CanTeen's largest annual fundraiser. This year, we have 45 students and one staff member participating in our annual Be Brave and Shave event to raise money for CanTeen to support children who have to deal with the challenges of cancer. We would love to see as many students as possible wearing their bandannas to this event in support of those losing their hair.

## LLI INFORMATION

### A big thank you!!

...to all parents who attended the LLI information session on 28 September last term.

It was lovely to see so many interested parents taking the time to meet and learn about LLI. Your support is greatly appreciated. In addition I would like to thank all parents for supporting your child's reading at home. It is widely known that this partnership between school and home is a major contributor to achieving high student outcomes.

Happy reading everyone!

Fiona Cramp – Learning Support Teacher
