### FROM THE PRINCIPAL

#### Department of Education Top 1% and Top Student Awards

This week I had the privilege of attending a celebration event that Learning Services Northern Region hosted for students who achieved in the top 1% of NAPLAN results in 2018 and for the top student from each school in Literacy and Numeracy.

Ethan Baker-Dowdell was Trevallyn Primary School's recipient of a Top 1% in Grade 3.

Max Mauldon was also Top 1% for Grade 5 and our Top of School recipient.

Both boys received their awards from Jeremy Rockliff, Minister for Education and it was wonderful and appropriate that they celebrated with their very proud families.

It was a special opportunity to celebrate Max and Ethan's achievements and dedication to learning. Trevallyn Primary School is very proud of them.

## END OF YEAR REPORTING

The Australian Education Union has directed its members not to include comments on Term 4 student reports. This may result in inconsistency in the way in which reports are provided.

## SPORTS UNIFORM CHANGE

We are no longer able to buy our current track suit so a new one has been selected and is now ready for purchase. There is no immediate requirement for purchase as a changeover period will extend from now till the end of 2019. We are sure this will be a relief to families who have been waiting for new stock. Thank you all for your patience and understanding.

Previously our sports uniform and summer/winter uniforms have not been interchangeable. With the introduction of these new sports tops, we welcome students wearing them with their full school uniform and for increased warmth. During colder months we anticipate that students will wear them over other school garments for added warmth.

There will not be a change to the Kindergarten uniform.

## 3 RODRIGUES ART WORK

### 3/4 AND 5/6 SWIMMING CARNIVAL

On Monday 19 and Thursday 22 November, we will be holding our 3/4 and 5/6 Swimming Carnivals respectively. This will be a fantastic opportunity for students to demonstrate all of the amazing skills they have learned throughout their three years of the Swimming and Water Safety Program. This will also be an opportunity for 5/6 students to be selected to represent Trevallyn Primary School in the LSSSA carnival held at the Riverside pool on Friday 30 November.

For those keeping score, all three houses are extremely close on points, so participation will be a massive factor on both days. There will be events available for all ability levels so get involved, try your best and most importantly have fun. We will require parent help on the day, so if you hold a current Working with Vulnerable People Card and would like to help, please contact me via email: [bradley.ralph@education.tas.gov.au](mailto:bradley.ralph@education.tas.gov.au).

### DANCE FEVER - THURSDAY 29 NOVEMBER

Every Wednesday lunch time, a dedicated group of 26 Grade Six students from Trevallyn Primary School have been participating in Dance Fever with the help of dance teacher Jamie McDonough. They have learned three dances of different styles which they will be performing in this year's Dance Fever production entitled, 'Fusion'. This Launceston College production features live music, singing, dancing and a cast of over 300 performers. Trevallyn students, along with students from nine other primary schools, five high schools and Launceston College will perform in two shows on Thursday 29 November, at the Door of Hope Auditorium. Participation in the Dance Fever group has been an invaluable experience for the students in the Arts as well as fostering inclusion, resilience, co-operation and collaboration.

Tickets will be on sale from Theatre North or there will be limited door sales on the night.

Students from 2-BO, 2-A, 4-JM, 4-R, 6-P and 6-SR will be travelling by bus to the Door of Hope Auditorium on Thursday 29 November and attending the matinee Dance Fever performance from 12:30-2:30pm before returning to school by 3pm.
