## FROM THE PRINCIPAL CONTINUED

I am thrilled to share with you an update from Bailey Landeg on his progress with School of Rock and life in Melbourne.

Hello to Mrs Hollingsworth and everyone back home at Trevallyn Primary.

I'm having a great time here in Melbourne performing in School of Rock The Musical. My first 5 weeks were spent in full-time rehearsals. Some days were 10 hour shifts which included tutoring sessions to keep on top of my school work.

Week 6 and 7 were spent doing technical rehearsals in Her Majesty's Theatre. This is when all the lighting, sound and set elements came together with the acting, singing, dancing and instrumentals.

Opening Night was November 9. It was so exciting to get dressed up and walk the red carpet with my cast and family. The after party was awesome!

I'm currently into my 5th week of performances.

I've learnt and am still learning so much about performing arts. I'm so lucky to be working with so many talented people from all over the world. I'm having so much fun and I'm very thankful for this amazing experience.

The show is running until February 2019 so I hope many of you get the chance to get to Melbourne over the summer to see the show. I'm on a rotating schedule which means I don't perform in every show. Company rules are that I'm not allowed to make my performance schedule public but if you would like to know my show times please send my mum, Kristen Landeg, an email on Facebook and she will be happy to privately let you know days and times I will be performing.

Wishing all of my fellow Grade 6's a great leavers season, I'm sorry I can't be there to join you for all the fun.

Thanks to all of the Trevallyn Primary community for your support and I hope you all have a safe and Merry Christmas.

### Bailey Landeg

## DANCE FEVER - THURSDAY 29 NOVEMBER

On Thursday 29 November, Grade Six Dance Fever students culminated a year's hard work by performing in the Dance Fever production 'Fusion' at the Door of Hope Auditorium. Students performed in two shows – one during the day and then a second evening performance. The production showcased the work from talented students from Launceston primary and high schools and Launceston College. Our students did a fantastic job and we are very proud of the way they conducted themselves and represented Trevallyn Primary School at this event.

## NEW DRINKING FOUNTAIN

Just in time for the warmer summer weather, a new drinking fountain has been installed in the bush area. Money for the drinking fountain was raised by the SRC skip-a-thon held during Term Two. The drinking fountain is located near the kitchen garden and will be utilised and appreciated by students working in the garden and playing in the bush area during recess and lunch times. Thank you to Jason Hardinge, Chris Midson and Chris Eldershaw for their assistance with the installation of the drinking fountain.

## AUSTRALIAN CHILDREN'S MUSIC FOUNDATION COMPETITION

Earlier in the year I posted information about a song writing competition run by the Australian Children's Music Foundation. In this competition children were asked to write and record an original song and then judged on the merits of their work.

Last week we received the awesome news that one of our students, Evelyn H. who submitted an entry has placed 4<sup>th</sup> (Highly Commended) in the competition.

Congratulations to Evelyn who achieved this wonderful task. We are all very proud of her efforts and commitment.

## SCHOOLS TRIATHLON CHALLENGE - DEVONPORT

On November 29 a team of 41 students from Trevallyn made their way to the Devonport Bluff for the annual Schools Triathlon Challenge. The weather made for challenging racing conditions but that didn't stop our competitors putting on an amazing display of resilience and sportsmanship.

The individual races started the day with all team events concluding the day in the afternoon.

All in all, each and every student represented Trevallyn Primary tremendously well and made the day a great success. A big thank you to all the parents who helped out on the day. It wouldn't have been as successful without all of your assistance.

## STUDENTS WITH MEDICAL CONDITIONS

It is very important that if your child/children have a medical condition of any sort that the school is made aware as soon as possible so that we can put that information on the child's record. It is a legal requirement that if your child requires any form of medication that appropriate documentation is filled in by a medical practitioner and stored on your child's file here at school. Any student who has diagnosed asthma must have an asthma action plan completed and kept at the school. The forms are available from the front office for you to collect and return to the office as soon as possible.

Children should not have medication in their bag to self-medicate. All medication should be registered at the front office.

Please make sure your child's medication is checked, up-to-date, and the school has sufficient supply.

If you have any questions please do not hesitate to contact the school. Thank you in advance for your assistance, your child's health and safety is important to us.
