Term 4

Monday 14 October - Thursday 19 December

2019 PROFESSIONAL LEARNING DAYS

Tuesday 5 February

Friday 12 April

Monday 22 July

Friday 1 November

THANK YOU FROM THE SCHOOL ASSOCIATION

What a wonderfully successful year this has been for Trevallyn Primary School. The SA feel so privileged to have been a part of it. As 2018 comes to an end the School Association would like to acknowledge and thank many people who have, over the course of the year, coordinated and ran many areas of the Association.

It's important for us as a school community to remember that without these people putting their hand up and in the majority of cases volunteering their time and energy, we wouldn't have the services they provide.

The SA continues to raise funds for the Kitchen Garden program. A huge thank you to Lori Hrzyczyn and Kat O'Sign, who have worked hard to continue this wonderful program at Trevallyn. It really is going from strength to strength.

We thank Mel Payne running our busy little school canteen and thank you also to Jan, Louise, Zung, Pru, Ros, Mel N, Ange, Brian and Aimee for their regular assistance. Also, the many Student Leaders who have also lent a hand during busy times.

Thank you to Michelle Wells, Elissa McKellar, Farrah Wigg and Susan Smith for the huge task of maintaining and running the school uniform shop this year. We also would like to thank and farewell Michelle for her efforts with the shop over the past few years, her contribution has not gone unnoticed.

Thank you to Davina Lanham for organising and running the Scholastic Book Club. A fantastic initiative that also supplies our school library with extra resources.

Thank you once again to Vanessa Bate for coordinating and running the school banking program, together with helpers, Karen Wells and Kitty Roche. Helping to teach our kids about the value of saving.

A huge thank you also to the wonderful ladies in the office Lyn, Nicky, Sarah and Kat who are always willing to assist with all the many and varied requests directed their way – and there are plenty!

We must thank our incredible teachers who not only support our students, but also support and contribute to many areas of the Association. To the teachers we are farewellling, on behalf of the Association - thank you all very much for your dedication.

The Taste of Trevallyn remains our major fundraising effort with the sub-committee including Ange Shipp, Prue Sutton and Alicia Curtis combining to deliver an outstanding event, which is extremely well supported.

The annual Mother's and Father's Day events highlighted the amazing sense of family that our school facilitates. Please don't underestimate the unique nature of the way we interact, it is very special.

The Winter Solstice put together by the talented Joanne Beswick, was also a highlight mid winter!

To the numerous helpers at all of these events this year, thank you, but in particular special mention must go to Alicia Curtis, Prue Sutton, John Mann, Phil Gregory, Ingrid and James Dedman, Joanne Beswick, Caz Saunders, Linda Bathish, Hafwen Shearing, Sarah Seton, Belinda Jessup, Farrah Wigg, Ronsley Mitchell, Ros MacFarlane, Nathan & Petrina Healey, Kim Beasy, Gail Martin and Sara Manix-Geeves – without these people many of these events would not have happened and we also wouldn't have been able to support the school in the way we have.

A special thank you to all those families who will be leaving Trevallyn Primary this year. Your support in many ways over the years has been greatly appreciated and we wish you all the best for the future.

There are some families we would like to publically acknowledge for their significant support to not only the school, but the School Association.

To Linda Wood, Sue Jacobs, Alison & David Hugo, Ann-Marie Harback, Ingrid & James Dedman thank you all so much for your amazing contributions to our Association. Each of you at the drop of a hat would do anything that was asked plus more! We can't thank you enough for your amazing contributions to the Association over your many years at the school.

Importantly, we must give a huge thank you to the whole school community who continually contribute, volunteer and financially support our projects which ultimately make them the success they are and in turn helped to raise this year, approximately \$20,000.

This year the Association has helped to purchase, support and fund many school activities and projects. These include the, Kitchen Garden Project, Grade 6 leaver's pavers, awards, t-shirts, dinner and photos, along with money for new home readers, library books and the art program.

THANK YOU FROM THE SCHOOL ASSOCIATION CONTINUED

Thank you to the families, staff and School Association for the food, flowers and the assistance in set up and clean up for the Grade Six Supper. In particular to Joanne Beswick for her organization. It was a wonderful way to finish a fabulous Presentation Evening for our Grade Sixes. Also a special thank you to Tony Mitchell at Trevallyn Gourmet Bakery for donating the beautiful cake for the eighth year in a row.

We would like to thank our whole committee, Chris, Joanne, Ange T, Nicole, Kim, Andy, Jaewon, Annette, Jane, Amanda, Claire, Ava and Taj.

The Committee has had an outstanding year advocating for the needs of our children and the community. From adopting a new constitution and several policies and procedures, to raising money, the commitment level and expertise has continued to grow.

The School Association formalised two sub-committees during the year, providing strategic overview of the canteen and uniform shop. Both enterprises require an amazing level of commitment from our volunteers.

We are constantly in search of parents, guardians, relatives and friends to assist us with the smooth operation of these service providers. The canteen has struggled for volunteers, although we understand the extensive commitments undertaken by those we are asking to assist. It remains an area of focus for 2019.

As Chair and Treasurer of the Trevallyn Primary School Association, we would like to thank our community for their support and guidance during 2018. We can't wait to work with you again next year.

Brian Wightman & Ange Shipp
