FROM THE PRINCIPAL

Recently we have welcomed Aaradhya, Devansh, Jaiden, Ellouise, Simon, William and families to TPS. It is great that you have joined our school family.

Grade 3-6 Athletics Carnival

What an outstanding day we had at our Grade 3- 6 Athletics Carnival on Tuesday. Thank you to all our families who were able to come and assist and to those who came to watch and support our children. By far, the biggest accolade for the day goes to our students. The amazing effort so many put into their performance was impressive and the sportsmanship displayed was high order. We are all proud of the way you upheld our school values. Windsor Park was a fantastic location for this event. The positive comments about all facilities were numerous. Congratulations to Mr Zac Vedovelli for his fantastic organisation and planning and to all staff for their support.

The **TASTE of TREVALLYN** is almost here! The date to save is Friday 22 March. There is a buzz of excitement across the school as preparations are unfolding. We are hoping that the run of beautiful weather will continue and all our community are able to join us for this celebration.

2019 REPORTING TO PARENTS

On Wednesday 20 March our Primary Progress Reports will go home with students. The purpose of the Primary Progress Report is to inform parents about how their child is settling in to school and to advise them of any early areas of concern.

The table below provides an overview of Department expectations with regard to reporting, together with information about the reporting schedule for Trevallyn Primary School for this year.

The timeframe for reporting to parents as directed by the Department of Education remains the same:

Term	Week	Report	Description	Format
1	7	Primary Progress Report for P-6 Students	A short report informing parents about how their child is settling into the new school year.	Tick box and brief comment
1	10	Parent-Teacher Meetings	Face to face meetings with parents to discuss future learning goals for students.	1:1 meeting with teacher/s and parent/s
2	10	Full Written Report	A full written report providing clear, detailed information about their child's progress and focuses for future learning. It covers the three learning areas of: English, Mathematics and Science	An 'A-E' rating, future learning focuses and a detailed general comment.
4	Second last week of Term	Summary Report	A report summarising their child's overall end-of-year results, including PE and Music.	An 'A-E' rating and summary comment.

Children in Kindergarten will receive two reports; one in second term based on the Kinder Development Check and then an end of year report in December based on the Early Years Learning Framework.

Parents with a child on the 'Severe Disability Register' will find their child's reports are tailored to reflect their learning goals, therefore the format and content of reports may differ to those outlined above. Timeframes will be the same.

If at any stage throughout the year you would like to discuss your child's progress, please feel free to arrange a convenient time to meet with their teacher/s.

LEARNING ABOUT NUMBERS IN THE EARLY YEARS OF SCHOOL

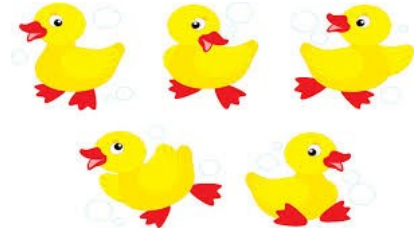

Learning numbers is arguably the most important strand of Mathematics, as an understanding of number underpins all mathematics through the rest of school and throughout life. For this reason, developing a strong understanding of the number system is a priority in the early years of learning.

During the next few weeks we will look at early counting skills and learning place value.

Learning Number Names Children learn names of numbers before they begin to count. Learning number names (and learning them in order) is important and needs to happen before children can learn to count meaningfully.

Activities you can do with your child: Sing nursery rhymes that involve counting:

- One, two, three, four, five : Once I caught a fish alive
- Five little ducks
- The ants go marching one by one
- Five little monkeys
- This old man

Hearing you counting is a good way to start as well – so count out loud for your child

- Count out fruit in the supermarket
- Count the pegs when you put out the washing
- Count the socks as you fold them
- Count the knives and forks when you lay the table

Take opportunities to count whenever the chance arises. Once your child knows the number names they are ready to begin counting.

FLAG MONITORS

The efforts and reliability of Malachi B and Ashton W as 2019 flag monitors are impressive. Thank you for this leadership boys!

TASTE OF TREVALLYN ART SHOW

Submissions are now invited for the

TASTE of Trevallyn Art Show.

This year we are looking at artwork around the World Heritage Areas theme.

All submissions must be on A4 and can be handed into the office where a box will be clearly labelled to accept submissions. Artworks in any medium are welcome up until Thursday 21 March. Certificates and highly commended prizes will be awarded by a mystery judge on TASTE night. Happy creating!!

SCHOOL CANTEEN - A FRESH NEW LOOK AND NAME

After recently volunteering in the school canteen with Mel, I found the outside of the canteen was not reflective of the wonderful food Mel was freshly preparing each week. From a very non descript exterior, the canteen is now very bright and colourful and is more reflective of the fresh home cooked foods being served. Along with the bright green exterior, there is now a fruit salad bunting, chalk board and flags to help bring the canteen to life. We thank 3R for providing the winning name, Trevallyn Home Made. The winning name is reflective of the healthy and fresh home cooked options the canteen regularly has on offer.

Mel and a number of volunteers work hard each week to prepare foods from scratch. Some of the freshly prepared foods include, fresh fruit and Caesar salads, lasagne, wraps, muffins, scones, pikelets, savoury scrolls, garlic bread, burgers, toasted sandwiches and many more things. Of the freshly baked goods prepared each day, it is often the savoury options which sell out first, with the savoury scrolls and pumpkin scones being the first to go.

As the canteen has a fresh focus, it takes time to cook and prepare foods each week. **We would love extra help in the canteen to help prepare the foods and support Mel. The canteen operates Wednesday to Friday each week and any time between 9am and 2:30pm that can be provided to help Mel, would be gratefully appreciated.** Please see the office or Mel for further info. Many thanks to those who have supported Mel throughout last year, in particular Zung, Pru and Louise, we are grateful for all the support you have provided.

GRADE 3 - 6 ATHLETICS CARNIVAL

The Athletics Carnival was held on Tuesday March 5 at Windsor Park in sunny conditions and a wonderful new environment. The students had a great time competing against each other whilst also supporting each other to strive for their best. Encouragement and house spirit were strong throughout the carnival, with some outstanding races and nail biting finishes. I would like to thank all parents who supported the event on the day, encouraging students, helping in the canteen or with events, as well as those who assisted with set up and packing away. These days are only a success with the magnificent support from the community, so thank you all again.

I would like to give a special mention to Bridget T, Lachlan P, Eden S, Charlotte M, Sophie R, Lilly G, Charlie H, Malachi B and Darcy C for winning multiple division 1 events,. What a great achievement!

Again, well done to all students for trying your best and showing excellent sportsmanship. The final house scores were;

- Odin- 1191
- Jupiter 1245
- Zeus 1286

Congratulations Zeus for winning the 2019 Athletics Carnival!

Taste of Trevallyn Update!

The "Taste" this year will be on Friday 22 March, 4:30-8pm. Come along invite your family, friends and neighbours!

It's the School Associations biggest fundraiser for the year and a great night too. Restaurant quality food, great entertainment, plenty of fun for the kids and loads loads more!!!

Letters should be put - if you haven't received one please see your class teacher. Also remember to put your name on class vounteer lists.

DONATIONS

To make the Taste run so well we rely on donations from our families. From items for terrific tubs, to chocolates, a cake for our stall or even vouchers for our silent auction - every little bit helps!

TOY STALL

After such a positive response last year, the toy stall will be at the Taste of Trevallyn again in 2019! To help make this stall a success, we are looking for donations of any second hand toys. These can be puzzles, figurines, soft toys, ornaments, games etc. As long as they are in good condition (not damaged or broken) and no longer wanted in your house, then we would love to have them!

Please feel free to drop any donations in to the office. For further information please contact Belinda on 0411 209 164.
