FROM THE PRINCIPAL

End of Term

This term is very quickly drawing to a close. I would like to remind you that the term finishes on Thursday 11 April. **The final day of Term 1, Friday 12 April is a Student Free day.** Trevallyn staff will spend the morning at various cluster schools working on moderation with teachers from six other schools in the northern region. Moderation of work samples is an important process that ensures teachers are aligning what is taught with the Australian Curriculum and that there is consistency of judgement when assessing student work using the Australian Curriculum achievement standards.

Uniform

In Term 2 the children will transition into winter uniform and hats are not required. This term there has been a trend for a small number of students to wear their sandshoes with their school uniform. Please ensure plain black shoes are worn with the uniform. Next week the Uniform Shop will be available Monday afternoon 2:30 - 3:15 and Tuesday mornings 8:30 - 9:15. Some students are looking particularly smart in the new uniform additions and by all accounts they are very comfortable and warm.

Quadrangle after School

Please be mindful that Abacus Child Care Centre hires our facilities after school. This includes the quadrangle area where our children love to play downhill. Children who are accompanied by their parents are most welcome to play in the main playground however, the quadrangle is out of bounds after school pickup.

NAPLAN ONLINE

NAPLAN is moving completely online in 2019. This means moving NAPLAN from paper-based assessments to online-based assessments. NAPLAN Online will provide better assessment and more precise results. The assessments feature a tailored test design where the questions a student receives will depend on their answers to previous questions.

Tasmanian schools will participate in NAPLAN Online from 2019.

NAPLAN Online testing will be held from the 14 to 24 May 2019.

NAPLAN Online 2019 will include four components, Writing, Numeracy, Conventions of Language and Reading. For 2019 Year Three students will be completing a paper based Writing Test. Online Testing will be available for each of the NAPLAN year levels (3, 5, 7 and 9)

Schools will receive results and reports for participants following the completion of NAPLAN Online 2019. Individual Student Reports will have the same format as the results from the paper based testing. The same report format is used for every student in Australia.

Individual student performance in NAPLAN is shown on a national achievement scale for each test. The performance of individual students can be compared to the average performance of all students in Australia.

Security and privacy are key requirements for the delivery of national testing. The online assessment platform has been designed to comply with relevant national data security policies and guidelines as well as data encryption standards. It meets the requirements of the Australian Government's Protective Security Policy Framework and Information Security Manual to protect privacy of data, including any personal student data, required to be used.

Please see the Department of Education's [NAPLAN Online Privacy Notice](https://documentcentre.education.tas.gov.au/Documents/NAPLAN-online-privacy-notice.pdf) (<https://documentcentre.education.tas.gov.au/Documents/NAPLAN-online-privacy-notice.pdf>) for more information.

Thank you, in anticipation, for you and your child's participation in this important national initiative.

If you have further questions, please contact Ms Jane Hudson at the school.

PARENT AND FAMILY FORUMS

Parents and families are invited to attend a forum to provide information about and discuss Educational Adjustments.

From 2020, there will be a new approach in Department of Education schools to assisting students with disability to access, participate and engage in quality educational programs.

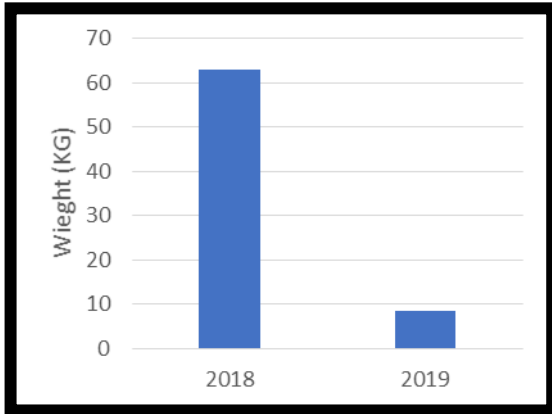

Forums are scheduled for Term 2. Light refreshments will be provided.

THE WAR ON WASTE

The War on Waste at the Taste this year was a raving success thanks to so much support from the school and community! Organic waste disposal was introduced this year with support from the school, the Launceston City Council and Veolia and was only made possible by stalls using compostable packaging. In 2018, the Taste created over 60kg of landfill waste. This year, after some dedicated sorting (thanks Andy Kelly) we reduced this to 8.5kg! This is an amazing effort and testament to what is possible when we all work together. Thank you to all the War on Waste movie stars Addison B, Matilda B, Angus D, Noah H, Casey A and Isla S and directors, Lu McGinniss and Hafwen Shearing. Thanks also to all those students on the night who worked tirelessly ensuring that attendees were using the right bin.

MIDDLE YEARS LITERACY PROJECT UPDATE

This year Trevallyn Primary School is involved in the Middle Years Literacy Project as part of the Riverside cluster of schools. Last week, as part of this project, a group of boys from Grades Five and Six attended a forum at Riverside Primary School to investigate and discuss their thoughts and ideas around boy's attitudes towards reading and their achievements in this area. The boys worked collaboratively with students from West Launceston, Riverside Primary Schools and Riverside High School to look at some data and then devise some questions that will form part of a student survey about how to further develop reading skills. It was an exciting morning and the boys worked together with enthusiasm and interest.

LEGO COMPETITION

Many thanks to all the students who participated in this year's Lego competition. We had 43 entries with many wonderful and creative ideas. Well done to Millie V who was this year's overall winner with an amazing Hollybank entry. Millie will now represent our school in this year's Brixhibition. Congratulations to Hendrix P and Ashleigh H who were first in their divisions. Looking forward to next year's wonderful Lego creations. ***Joanne Beswick***

SCHOOL ASSOCIATION AGM

The Annual General Meeting of the Trevallyn Primary School Association was held on Thursday 28 February. Following adoption of the model Constitution last year, the process for electing the new committee was very clear. It was terrific to see so many new faces at our AGM including those standing for election and several guests. There were 17 committee positions to be filled including the Principal, staff and student leaders, along with a number of parent representatives. The 2018 committee would like to acknowledge our outgoing members for their contribution to our school and community. Thank you to Nicole Willcox, Ange Toohey, Jaewon Chae, Clarie de Boer and Chris Elliott for your guidance, leadership and friendship.

For the first time in a number of years a maximum committee of 17 was elected to represent the Trevallyn Primary School community.

Chairperson: Brian Wightman

Deputy Chairperson: Kim Beasy

Treasurer: Angela Shipp

Secretary: Joanne Beswick

Parent Representatives: Claire Blyth, Emily Bishop, Ashleigh Fraser, Greta John, Andy Kelly, Lori Hryczyn, Sarah Stirland and Pru White.

Principal: Annette Hollingsworth

Staff Members: Jane Hudson and Kate Andrew

Student Leaders: Amelie M and Joe F

We all look forward to working with you during 2019.

Taste of Trevallyn

What an amazing night, with final accounts still being settled we can't give an exact figure raised, but at this point it is sitting around the \$19,000 mark! We had plenty of sellouts and plenty of stalls that exceeded expectations. We would like to acknowledge our teaching and support staff for all of your efforts in the lead up and on the night. As per usual, huge thanks to Lyn, Nicky, Sarah and Jason for their help before and particularly on the night - your assistance helped the night run so smoothly.

To Andrew Lamb and our performers on the night, thank you for creating such a wonderful atmosphere for people to enjoy.

To the beautiful committee - Ange Shipp, Prue Sutton, Alicia Curtis, Hafwen Shearing, Belinda Jessup, Bronwyn Hawkins, Mel Payne, Sarah Seton and Sarah Rayner - each and every one of you are worth your weight in gold! Thank you so much for the time, effort and dedication you gave to the Taste, it would not have happened without you all. To all of our helpers, big and small, thank you. All of your efforts have not gone unnoticed and are appreciated. Many thanks to all the below sponsors/supporters, every little bit of support, whether it be donations of goods or services, reduced rates etc - it has all been greatly appreciated and certainly contributed to producing such a successful night.
