#### UPCOMING EVENTS

##### Wednesday 18 September

SRC Athon Day

##### Wednesday 25 September

End of Term Assembly

Host - Student Leaders

Celebration of Achievement Theme

Multi Purpose Room

1:40pm Grade 3 - 6

2:15pm Prep - Grade 2

Singfest - Albert Hall

##### Thursday 26 September

School Association Meeting - Staff Room 7pm

##### Friday 27 September

Last day of Term 3

##### Monday 14 October

First day of Term 4

##### Wednesday 16 October

P-B and P-SC Excursion

##### Tuesday 22 October

2-AL and 2-BO Excursion

#### TERM DATES 2019

##### Term 3

Tuesday 23 July - Friday 27 September

##### Term 4

Monday 14 October - Thursday 19 December

##### 2019 Student free days

(Professional Learning Days)

Friday 1 November

#### FROM THE PRINCIPAL

##### NAPLAN Results Grade 3 and Grade 5

Grade 3 and 5 students have delivered home their NAPLAN results this week.

Our overall school results are outstanding with the great percentage of our children making medium and high gains.

For example, in Grade 3 Reading, 81 % of students made medium or high gains and 90 % of students made medium or high gains in Numeracy.

In Grade 5 the gain percentage are:

	Medium and High Gains
Reading	80%
Writing	84%
Spelling	82%
Grammar and Punctuation	82%
Numeracy	85%

Please speak to your Class Teacher if you have associated questions.

With only two weeks remaining this term we have an action packed program. Please see Upcoming Events for End of Term Assembly details. We encourage all students to support our SRC Athon Day to the best of their ability. Singfest choir members are now in full swing and are anticipating the thrill of a big stage performance on 25 September. Maths Relay competition is this weekend. Congratulations to those chosen to represent.

If you need to purchase new uniform items for Term 4, when we switch to summer items. Uniform Shop price list and hours are displayed on page 10.

## FROM THE PRINCIPAL CONTINUED

Please do not allow your children to bring toys from home for school break times. Items brought to school for sharing are to remain in bags during break times.

Please see below review of school intake areas and second consultation information.

**Annette**

## REVIEW OF SCHOOL INTAKE AREAS - SECOND CONSULTATION ROUND

The Department is seeking your views as part of its ongoing review of school intake areas for Tasmanian government primary and combined (district) schools, applicable from 2021. This is the second stage of community consultation we will be holding prior to the maps being published.

### Please note:

- Parents will still be able to apply to their school of choice, if capacity allows.
- The review will not change the way schools enrol students who live outside their intake area.
- The review will not affect students who are already enrolled in a school before 2021.
- If a child has a sibling already attending a school outside their intake area, then the child can enrol at the same school as their sibling.

We have developed a set of Proposed Intake Area Maps, based on feedback received on suggested intake area maps during the first consultation round. We invite the Tasmanian community to provide feedback on the new Proposed Maps by **Friday, 27 September 2019**.

The *Education Act 2016* requires DoE to review intake areas at least once every five years. This requirement ensures that intake areas are regularly reviewed and remain current as communities and demographics change.

### How to view Proposed Intake Area Maps

The Proposed Intake Area Maps are available to view via the:

- [intake area PDF maps](#) for each school showing the Proposed Intake Area
- [LIST Map Web App](#) (mobile device friendly) which provides an address search feature and access to a detailed, interactive map with layers to show the round 1 map and Proposed Intake Area. (Please note that at times of high demand functionality may be affected.)

### How to provide feedback

We welcome your input as part of the review to inform any further necessary adjustments to the Proposed Intake Area Maps. All feedback will be considered by the Department.

Public feedback about the intake areas may be provided by completing the short [survey](#) by **Friday, 27 September 2019**. Alternatively, feedback can be provided by:

- email to [areas@education.tas.gov.au](mailto:areas@education.tas.gov.au), or
- mailed to Intake Area Review, GPO Box 169 Hobart TAS 7001.

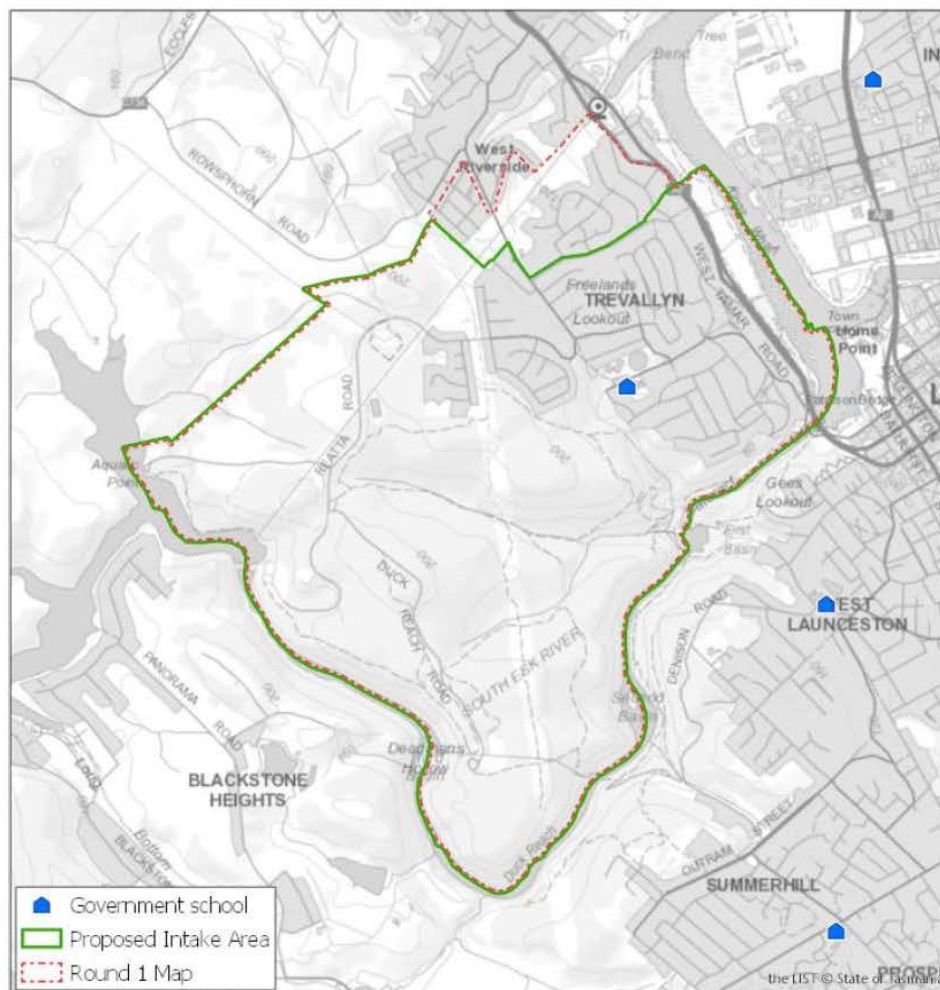

If you require online access or access to a computer, please visit a [Libraries Tasmania location](#) for free online access. For Department of Education enquiries or assistance, please contact the Service Centre at [ServiceCentre@education.tas.gov.au](mailto:ServiceCentre@education.tas.gov.au) or phone 1800 816 057.

Feedback will not be made public, in order to allow feedback about specific student and family circumstances, and to protect those involved from being publicly identified.

## Intake Area Review – Round 2 Consultation

# Trevallyn Primary School Proposed Intake Area

The Proposed Intake Area is shown below. To search for an address or see a more detailed map, please access our [online app](#).

To find out more about Intake Areas, please visit our [website](#) or to provide feedback please complete our short [survey](#).

## TREVALLYN PRIMARY SCHOOL ASSOCIATION REPORT

The School Association held its meeting on 29 August 2019. This month we farewelled committee members Lori H. and Sarah S. We would like to thank both Lori and Sarah for their ongoing support and participation in committee events. We then welcomed Bec V. and Linda B. as School Association parent reps, both of whom had been providing ongoing support to the committee this year. The committee is grateful for all the support we receive and welcome anyone from the school community who would like to join us for our regular meetings.

This month we held the Father's Day breakfast which saw Brian and Phil working hard the night before and from 6am on Friday morning to cook masses of pancakes and eggs and bacon for everyone. It was a busy morning for all the volunteers, but we had a lot of fun working together. The School Association would like to thank Phil from Haymes Paints for his ongoing support of our breakfasts. We are very fortunate to have Phil take time off work and cook pancakes for everyone. Phil's family are no longer with Trevallyn Primary School and we thank Phil for continuing his support of our community. Phil's pancakes have been a wonderful treat over the years and he has become an expert in making a couple of hundred pancakes with precision.

This month the School Association approved a donation of \$1000 to the Max Fry Hall Committee to assist with the extensive re roofing costs of the hall. Trevallyn Primary School has had a long relationship with the Max Fry Hall and we are happy to provide a monetary donation to assist with the required repairs.

The School Association will next meet on Thursday 26th September 2019 in the staff room if anyone from the school community would like to join us.

**Jo Beswick - School Association Secretary**

## CLASS PLACEMENT AND CLASSES 2020

We are not far off beginning the task of organising classes for 2020.

Your child's current teacher is in the best position to formulate classes for next year. Grade teams, school leaders and the previous year teacher are also consulted in our class placement process. Our teachers take on board a number of considerations when placing students. Our goal is to create the most equitable classes possible, taking into account gender, learning ability, social connection, work habits, behaviour etc. Whilst parents have one child to consider (in a given class), we have approximately 500 children to consider next year, and so decisions need to be suitable for the majority. We have dedicated, hardworking teachers who are collectively responsible for all our children. No matter what grade or class – each child in this school will be taught by quality teachers in a school culture of high expectations. We will not be taking requests for students to be in particular classes or with specific students or teachers.

Teachers use a variety of methods to group children in order to maximise learning and the focus is always on the individual and personalising student learning. At Trevallyn we have been thoughtful about developing opportunities for students to interact and learn from one another – both within their own class and in conjunction with another or across grades. These observations inform us about the conditions that best suit a particular student to learn, which styles they have, who they are friends with; who they learn best with. We consider all these factors when placing children in classes for the following year.

Please understand, teachers will make the best decision for all children in the school – including what we believe is in the educational and social/emotional well-being of the children. We are **unable** to accommodate personal requests because accommodating everyone's personal wishes will not support what is best for **all** children. If there is any information that you think is above what the class teacher is currently aware of or we need to take into account before we start creating classes, can you please email before the end of this term (27 September):

**K-2 Renae Martin – [renae.martin@education.tas.gov.au](mailto:renae.martin@education.tas.gov.au) or**

**Anna Goss – [anna.goss@education.tas.gov.au](mailto:anna.goss@education.tas.gov.au)**

**Grades 3-6 Annette Hollingsworth – [annette.hollingsworth@education.tas.gov.au](mailto:annette.hollingsworth@education.tas.gov.au)**

Please be mindful that Term 4 and end of year contact about class placement is outside the shared timeframe.

You will also see on the next page a copy of our Class Placement Policy which has been endorsed by our School Association.

## CLASS PLACEMENT POLICY

Trevallyn Primary School is committed to meeting the educational needs of all students. A great deal of thought, planning and time goes into placing children into classes each year. Every effort is made to place each child in a learning environment that is happy, safe, productive and successful.

### Factors influencing class structures are:

- The projected number of students in each year level
- The number of teachers employed at the school and available facilities

### Factors which are considered in the placement of students include:

- The educational needs of the students
- Work habits e.g. ability to work independently, within groups
- Behaviour
- Gender
- Social networks
- Students with Disabilities – e.g. required learning adjustments, Teacher Assistant allocations, Learning Plans (LP's).

This policy supports the school to organise classes to cater for a range of academic abilities, opportunities for new social connections, work habits and to foster diversity.

Parents are invited, in a defined timeframe, to outline educational requests for class placements. Requests in relation to choice of teacher will not be considered as a placement factor.

### What is the process for placing students into classes?

Based on the criteria listed above, teaching staff will meet early **Term 4** to establish class groupings for the following school year. Teachers of the current year level and school leaders meet with the other year level colleagues to create the class lists. (E.g. Year 2 teachers and school leaders decide Year 3 placements)

Throughout the process, changes and adjustments are made. Each change triggers a chain reaction of other changes. It is acknowledged by all that friendships are important. However, to ensure balanced classes as outlined above, friendship groups are NOT the primary determining factor in class placement. Proposed class lists are submitted to the Leadership Team for final input and endorsement.

## TREVALLYN PRIMARY SCHOOL SRC A-THON DAY - WEDNESDAY 18 SEPTEMBER

On Wednesday 18 September, the SRC will be holding an “a-thon day”. Money raised will be used to purchase some new sports tops for our representative teams and install a new bike rack.

Classes from Prep to Grade Six will participate in the a-thon. Students have had the opportunity to opt into an “a-thon” event they would like to participate in and will do that event continuously for one hour.

The ECE a-thon will be from 11:40am - 12:40pm and the Primary a-thon will be from 1:45pm - 2:45pm.

### Students will need to wear their P.E. uniform on this day.

Our aim is to raise

**\$3,000**

### AND WE NEED YOU TO HELP

Please return money and form by Wednesday 25 September  
to the school office.

There will be a prize for the class with the **greatest participation rate**.

## PREP - GRADE 2 PRIMARY CLASS AWARDS - WEDNESDAY 11 SEPTEMBER

**P-B** Max B, Violet J, Edie M and Archie B

**P-SC** Kai D, Layla B, Emma B

**P-IWS** Henry B, Flynn P, Fletcher H, Mason H

**I-H** Max L, Thomas L, Emilio S, Giselle A

**I-RG** Mattea B, Paddy M, Isla S, Hamish S

**2-AL** Matilda P, Louis R, Amy G, Jude P, Angus M, Ruby M

**2-AN** Ewan D, Joshua S, Jayda W, Millie V, Lily G,

**2-BO** Agamjot K, Jaylen F, Luke S, Tom M, Dakota B, Oliver T

*Congratulations to all these students.*

## EARLY YEARS OF SCHOOL - MATHEMATICS

### The Operations

Only after children have learnt to count and they have become fluent counters and understand the written form of numbers, they can begin to learn about the operations – learning to add, subtract, multiply, divide and so on.

### Teaching Multiplication

Multiplication is an important skill that children begin to develop early in school. We know from research that it is better for children to understand and learn strategies for multiplication before they rote learn their multiplication facts. This is to ensure that children do not have trouble later in their schooling when they need to use multiplication for more advanced mathematics.

Children are introduced to multiplication in there ways: repeated addition, groups and arrays.

### Repeated addition

Children need to learn the relationship between addition and multiplication so that they understand what multiplications is. As your child is already familiar with addition, the teacher will use that to build understanding.

$2 + 2 + 2 + 2$  is the same as 4 lots of 2 or  $4 \times 2$  which is 8

We can show this with counters;

Is the same as

**4x**

### Groups

This looks similar to repeated addition but is more difficult because it doesn't allow the child to use addition in the same way and encourages multiplication strategies.

Here we have 3 groups of 4 ladybirds or 3 (number of groups)  $\times$  4 (number in each group) which is 12.

### Arrays

Arrays work to organise groups so that they look more like multiplication and are in a form that children use later for other mathematics learning. This is an example of an array below. This array show 3 rows of 4 dots. So we say 3 rows of 4 is 12 dots, or  $3 \times 4$  is 12.

# 5HF

## SCHOOLS TRIATHLON CHALLENGE - GRADE 3-6

The Schools Triathlon Challenge is coming up again and will be held in Devonport on Thursday 28 November. Entries officially close on October 18, however the organiser would prefer to have the entries by the school holidays (27 September). Students can collect an entry form from the school office.

**Cost:** \$25 - paid to the school office when the form is returned!

**Transport:** Students will need to be transported to and from the event by their parents/guardian. Mr Vedovelli will meet students at the event on the day to assist with race organisation but supervision is required by the parent/guardian throughout the day.

### More Information

Please like "Schools Triathlon Challenge" on Facebook to keep updated with all information. Or go to the website

[www.schoolstriathlonchallenge.com](http://www.schoolstriathlonchallenge.com)

### TEAMS INFORMATION

- Students can be entered in an individual event **and** a team event.
- Teams can be made up of students from different grades 3-6.
- Teams can be all male, all female or mixed.
- Teams can be made up of 2 or 3 students.
- Students only pay \$25 regardless of how many events they are entered in.

If you have any questions, please contact the school or email [zac.vedovelli@education.tas.gov.au](mailto:zac.vedovelli@education.tas.gov.au).

## 2019 BE BRAVE AND SHAVE

The annual Trevallyn Primary School fundraiser for the Be Brave and Shave is fast approaching. This year we will be holding the event on Thursday 7 November at the Tailrace Centre, Riverside. Trevallyn Primary School is at the very top of the leader board nationwide for school fundraising efforts and 4<sup>th</sup> overall in fundraising efforts from all organisations just behind Big W, Foodworks and Newslink. We could not be prouder of our students and supportive community in achieving this. \$94,800 over eight years is an astronomical amount and effort! If you would like to be a brave participant and participate in the Be Brave and Shave for 2019, there are permission forms ready for collection at the office. Let's see if we can break last year's record of 45 students (parents and teachers) and \$17,500.

Please see Ms Jane Hudson if you have any questions or can help out in any way this year.

## MOUNTAIN BIKE 5/6 SPORT VOLUNTEERS

We are excited to announce Mountain Bike Riding as an option for 5/6 Sport on Friday afternoons in Term 4. This is a great opportunity for students to participate in a lifelong activity with excellent facilities available so close to school.

Due to regulations around student to adult ratios, I am looking for at least 2 parents to come along on Friday afternoons for Term 4 to allow us to take a group on 21.

You must have a current Working with Vulnerable Persons registration (WWVP).

If you are interested and available Friday afternoons, or would like more information, please contact me on [zac.vedovelli@education.tas.gov.au](mailto:zac.vedovelli@education.tas.gov.au)

## WANTED OLD ITEMS

Do you have any old items you could part with to assist our children learn about the past? Could you have a fossick in Granddad's shed or garage? Please drop them at the office if able to assist.

## Book Week Fun!

## Prep Stanton/Cramp

## 2018/2019 Order Form and Price List Trevallyn Primary School Clothing Pool

**Student Name:** \_\_\_\_\_

**Parent Name:** \_\_\_\_\_

**Contact Phone Number:** \_\_\_\_\_

Opening hours during school term are: Monday 2:30–3:15pm and Tuesday 8:30-9:15am.

Prices as at 23/7/2018. Prices are subject to change, but we are considerably cheaper than retail outlets.

<b>Trevallyn Primary School Uniform Items</b>	<b>Price</b>	<b>Size</b>	<b>Qty</b>	<b>Cost</b>
Boys Shirt - Long Sleeve (sizes: 4, 6, 8, 10, 12, 14)	\$22.00
