### FROM THE PRINCIPAL

On Sunday 15 September, eight Grade 5 and 6 students competed in the **Mathematics Association of Tasmania** annual **Maths Relays**. Students competed in two teams of four against 34 other teams from various northern primary schools. Students were given 45 minutes to answer 20 complex mathematical questions. Both Trevallyn teams performed exceptionally well and we were incredibly proud of them.

At the completion of the relay, Team A attempted 19 of the 20 questions and received a total of 115 points. Team B, placed 1<sup>st</sup> for the northern teams with a perfect score of 200, completing all questions with 4 minutes and 30 seconds remaining. This result placed them 3rd at a State level. What an incredible achievement!

## FROM THE PRINCIPAL CONTINUED

### Waste Not Award

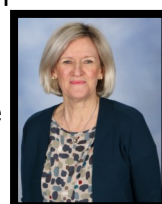

Last week, six of our Grade 5 students and parent Hafwen Shearing attended the Northern Waste Management Waste Not Awards ceremony and were the proud recipients of first prize in the primary division for their video promoting ways to reduce the waste at the Taste of Trevallyn. A special mention goes to our wonderful parents, who assisted with the submission and development of the video. The support of our students is greatly appreciated. We have so many innovative ideas for the \$250 prize money!

When we return in Term 4 it will be back to wearing our summer uniform and hats.

I wish everyone an enjoyable, restful and re-energising holiday. It is a great time for us all to recuperate after a long winter term. Term 3 has been very successful and rewarding. Our students and staff have worked solidly. Sincere thanks for all the wonderful commitment and support to quality learning this term and your ongoing preparedness to be actively and enthusiastically participating in the many quality learning experiences TPS offers.

Congratulations to students I presented with Principal's awards at our student led assemblies on Wednesday. You should be extremely proud of your achievements. Special mention to the Grade 2 verse speaking group that presented a polished, entertaining and most pertinent topic.

**Annette**

## REVIEW OF NATIONAL FUNDING ARRANGEMENTS FOR KINDERGARTENS: SURVEY FOR PARENTS

An independent review (the Review) is being conducted into the national funding arrangements that support access by all children in Australia to 600 hours per year of quality early childhood education in the year before full-time school.

For Tasmania this is our Kindergarten year. Since 2008, the Australian Government's UANP funding has supported an increase to 15 hours per week of Kindergarten in Tasmania, however the future of national funding is uncertain beyond 2020.

Tasmania has a long and proud history of providing free access to quality early learning and the Tasmanian Government has made substantial investments to support and expand this provision.

It is important that the success of Kindergarten in Tasmania is clearly understood in this national process and we encourage the Tasmanian education community, including parents, teachers, and leaders to participate in the review.

How you have your say:

1. Complete the survey – [online survey](#)
2. Write a public submission which closes at 11:59pm (Australian Eastern Standard Time) 6 October 2019. You can email your submission to [UANPReview@NousGroup.com.au](mailto:UANPReview@NousGroup.com.au)

## AUSSIE OF THE MONTH

Aussie of the Month is a primary school recognition program which has been in operation for over twenty years. The program recognises personal endeavour, achievement and contribution to the community and reflects some of the values we share as Australians, such as fair go, mateship, respect and inclusion.

Our Aussie of the Month for August is presented to  
**Max Blyth** Prep B

Max is a friendly, responsible and hard working class member who displays a positive attitude towards school. He has a passion for sport and he always displays great sportsmanship by being fair, inclusive and encouraging to his teammates. Max is courageous and he never gives up when faced with a challenge.

Our Aussie of the Month for September is presented to  
**Bo Beattie** Prep/I WS

Bo has consistently shown a positive attitude to her education. She is an active participant and contributor to her learning. Bo strives to grow her understanding and has excellent interpersonal capabilities. She facilitates the learning of her peers and is an exemplary role model.

## SINGFEST

Last night our Grade 3-6 Choir performed at the 2019 Singfest Concert. We were part of a choir of 350 students who performed to a huge audience at the Albert Hall. The students have spent the last term working intensively on a number of choral songs that culminated in our performance last night. The students performed wonderfully and I am extremely proud of their effort and commitment.

## TREVALLYN PRIMARY SCHOOL SRC A-THON DAY

Last Wednesday 18 September, students from Prep-6 participated in our SRC a-thon day. In perfect weather conditions, students had a wonderful time either dancing, playing gaga ball, shooting goals or completing laps of an obstacle course in order to raise money to purchase a new bike rack and some new representative sports tops. It was great to see children participating in their event with such enthusiasm while also enjoying the opportunity to mix with students from other classes. Our aim was to raise \$3000 and our total to date is **\$4403.30** which is a fantastic effort! A huge thank you to families and our school community for supporting this event.

## COMBATTING BULLYING PROJECT

Hi I'm Alexandra M and I've recently been a part of a group of Grade 5 and 6's working on the Combatting Bullying project. The group included Ava H, Isla S, Noah H, Oskar D, Joe M, Charlie E and myself. We worked together along with students from West Launceston, Riverside Primary Schools and Riverside High School. Our aim was to present our views on bullying and cyberbullying and how to stop it.

On 22 August, we went to Riverside Primary School and split into three groups to brainstorm ideas on how to spread our perspective to other schools and the wider community. On the same day, we also came up with mottos and ideas on how to present them in different formats.

Later, on 9 September, we had a visit to Riverside High School and again split into three groups to make either a video, posters or a billboard. The motto we chose as a cluster was STAND UP, STEP FORWARD AND SPEAK OUT. We were lucky to have the assistance of specialist Visual Art and ICT teachers Caz Saunders and Adam Child from Riverside High School assist us with the project. We all worked hard and had a lot of fun while doing so. The finished products are a mural (pictured) that will be displayed across the four schools that participated in the project and a video that we will share soon on our school Facebook page.

## EARLY YEARS OF SCHOOL - MATHEMATICS

### The Operations

Only after children have learnt to count and they have become fluent counters and understand the written form of numbers, they can begin to learn about the operations – learning to add, subtract, multiply, divide and so on.

### Teaching division

Division is not taught as division in the early years of school. Children are introduced to the notion of sharing in preparation for learning about division.

The key idea that children need is that sharing means dividing things equally (this is important for fractions too). Children need to see lots of different things (and things that look different) being shared.

### Multiplication and sharing activities to do with your child:

Until your child has a good understanding of multiplication, it is best not to spend time practising multiplication facts or 'times tables'. This can actually limit children's understanding. So plan opportunities where children can multiply smaller numbers by using groups. Keep an eye on the progression at school. Some children see patterns quickly and others take a little longer. So if you know your child's teacher is working groups of 2 then you would be playing games around groups of two.

- If I want two lollies for each person in the family, how many do I need? (Have your child put them out) "Two for Mum, two for Jack, two for Jan? How many?"
- Think about sharing items. – We have 12 lollies and want to share them with all the people (4) in our family. How can we share them fairly?
- We have a pizza cut into 8 pieces and there are 4 of us. How many pieces does each person have?

## TOGETHER WE INSPIRE AWARDS 2019

Trevallyn Primary School has been one of three schools along with Riverside Primary School and West Launceston Primary School who have participated in the TALK Program (Talking and Language for Kids) during 2018. This year the team was nominated in the Literacy Champions category in the Department of Education's Together We Inspire Awards in 2019. We were shortlisted as a finalist along with two other schools and last Thursday the TALK Team were announced the winners of the category. Credit must go to our hard working team at Trevallyn which included Emma Bolzonello, Kass Stanton, Fiona Cramp, Anna Goss and Robyn Williams, with initial involvement from Amanda Bird and Cate Walker. Teachers agreed to being filmed while teaching their students oral language and phonological awareness, opened up their classrooms for parents to view these activities and attended professional learning to create targeted learning goals. Not only was winning the award a great achievement, but the commitment and experience of our Prep team at Trevallyn enables our students to achieve and grow in their learning. Congratulations!

## SCHOOLS TRIATHLON CHALLENGE - GRADE 3-6

The Schools Triathlon Challenge is coming up again and will be held in Devonport on Thursday 28 November. Entries officially close on October 18, however the organiser would prefer to have the entries by the school holidays (27 September). Students can collect an entry form from the school office.

**Cost:** \$25 - paid to the school office when the form is returned!

**Transport:** Students will need to be transported to and from the event by their parents/guardian. Mr Vedovelli will meet students at the event on the day to assist with race organisation but supervision is required by the parent/guardian throughout the day.

### More Information

Please like "Schools Triathlon Challenge" on Facebook to keep updated with all information. Or go to the website

[www.schoolstriathlonchallenge.com](http://www.schoolstriathlonchallenge.com)

### TEAMS INFORMATION

- Students can be entered in an individual event **and** a team event.
- Teams can be made up of students from different grades 3-6.
- Teams can be all male, all female or mixed.
- Teams can be made up of 2 or 3 students.
- Students only pay \$25 regardless of how many events they are entered in.

If you have any questions, please contact the school or email [zac.vedovelli@education.tas.gov.au](mailto:zac.vedovelli@education.tas.gov.au).

## 2019 BE BRAVE AND SHAVE

The annual Trevallyn Primary School fundraiser for the Be Brave and Shave is fast approaching. This year we will be holding the event on Thursday 7 November at the Tailrace Centre, Riverside. Trevallyn Primary School is at the very top of the leader board nationwide for school fundraising efforts and 4<sup>th</sup> overall in fundraising efforts from all organisations just behind Big W, Foodworks and Newlink. We could not be prouder of our students and supportive community in achieving this. \$94,800 over eight years is an astronomical amount and effort! If you would like to be a brave participant and participate in the Be Brave and Shave for 2019, there are permission forms ready for collection at the office. Let's see if we can break last year's record of 45 students (parents and teachers) and \$17,500.

Please see Ms Jane Hudson if you have any questions or can help out in any way this year.

## THE IGENERATION: KIDS AND SCREENS

Parents are invited to attend this informative presentation by Maxine Lowry from the organisation Parenting Plus. Maxine offers insightful and invaluable information for parents around kids and screens and this is an opportunity not to be missed!

# The iGeneration: Kids & Screens

## 'Masterclass' for Parents

*Worried your kids are way ahead of you, and you are scrambling to catch up?  
Want some guidance on how much device and screen time children your  
should be getting, and what happens when this is 'unregulated';  
Finding yourself dealing with 'techno tantrums'?  
You would like to be more in control but not sure where to start?  
It is all 'smooth sailing' atm but you want to be prepared for what's to come?*

### THIS 60 MINUTE MASTERCLASS WILL HELP PARENTS

- reflect on your own technology habit and the message it sends;
- examine the 'pros' and 'cons' of this digital world we now live in;
- get up to speed with your 'digitally connected' kids;
- understand the sorts of mistakes parents make (what **NOT** to do);
- get a handle on the 'F' word (...that's 'Fortnite'!)
- understand what 'best practice' might look like in your home;

### THERE WILL BE OPPORTUNITIES TO DISCUSS, AND ASK QUESTIONS!

**COURSE DATE/TIME:** Tuesday 22 October 2019, 9:00 -10:30 am

**VENUE:** Trevallyn Primary School - Multi-Purpose Room

**REGISTRATIONS:** email [trevallyn.primary@education.tas.gov.au](mailto:trevallyn.primary@education.tas.gov.au)  
or phone (03) 6331 9657 by Tuesday 15 Oct 2019.

This is a free event for parents.

For further details, please contact Anita Price, phone (6331 9657)  
or email [anita.price@education.tas.gov.au](mailto:anita.price@education.tas.gov.au).

## MOUNTAIN BIKE 5/6 SPORT VOLUNTEERS

We are excited to announce Mountain Bike Riding as an option for 5/6 Sport on Friday afternoons in Term 4. This is a great opportunity for students to participate in a lifelong activity with excellent facilities available so close to school.

Due to regulations around student to adult ratios, I am looking for at least 2 parents to come along on Friday afternoons for Term 4 to allow us to take a group of 21.

You must have a current Working with Vulnerable Persons registration (WWVP).

If you are interested and available Friday afternoons, or would like more information, please contact me on [zac.vedovelli@education.tas.gov.au](mailto:zac.vedovelli@education.tas.gov.au)
