### Professional Learning on Cup Day

Last Wednesday all teachers worked together to further explore, learn and plan about our school improvement focus for 2020, Speaking and Listening. Early Childhood, Grade 3-6 teachers and our Speech and Language Pathologist, Robyn Williams worked together to revisit why these strands are so important to a child's development and developmental milestones. Grade 3-6 Teams had an opportunity for collaborative plan for speaking and listening opportunities in different curricular areas.

### VALIDATION FORMS

Validation Forms are now overdue. For your child to attend local excursions or 5/6 Sport the completed form must be returned to the office as a matter of urgency. Thank you

## FROM THE PRINCIPAL CONTINUED

Opportunities like this are considered to be most precious. We certainly make the most of this time, knowing that the focus is always improving student learning outcomes.

### School Improvement Plan 2020

There are two key components to our SIP this year:

- Play and inquiry based learning and
- Literacy – speaking and Listening

This plan has been developed using collaborative inquiry cycles to determine priorities, targets and actions. We monitor these regularly, review them annually and update in preparation for each calendar year. It provides the road map and direction setting in our key priority areas. The plan assists us to plan and focus our work for the year, ensure targeted use of resources to priority areas and monitor progress and success. We also have a line of sight to the DOE's 2018-2021 Strategic Plan and TPS's School Strategic Plan 2017-2020.

These documents are readily available on request at the school office. They are also significant agenda items at School Association meetings and interested parties are always welcome to attend.

Have a great weekend everyone.

Only three weeks to the TASTE OF Trevallyn now!

## ALLERGY AWARE POLICY

Amongst the many children at TPS we have a variety of medical conditions. Many of these are related to allergies with mild, to severe, to potentially fatal reactions. **TPS has an Allergy Aware Policy** that we adhere to. Nuts constitute the most prevalent high risk allergen. Your class teacher will notify you if there are children who have allergies in your child's class. In this case we ask that we are all allergy aware and that we work together to minimise the risk of allergen exposure. We encourage regular handwashing and drinking of water after eating. We eat away from the playground to avoid contamination of equipment. We also ask for your support to avoid certain foods for particular classes. If you have concerns or questions about this please don't hesitate to contact your child's teacher.

## GRIP STUDENT LEADERSHIP CONFERENCE

On Monday 17 February our students leaders attended the GRIP Student Leadership Conference with Ms Stevenson and Mrs Martin. We had an interactive day learning about leading the way, generosity, kindness and bringing ideas to life. All our students were active participants who represented Trevallyn Primary well. We look forward to working with our student leaders and see them bring their ideas to life.

## STAFF PROFILES

### **Mrs Beck Oliver - 2-OB (Wednesday, Thursday and Friday)**

Hi everyone. My name is Beck Oliver and I feel blessed to say that this is my fourth year teaching here at Trevallyn Primary School. I have taught in a few different schools locally from Kinder through to Grade 10 (I was feeling very brave the year I agreed to teach in a high school!), including working overseas. My biggest passion is working in the early childhood area. I am delighted to be working with Mrs Bender and the wonderful Grade 2's. It's been a magic start to our team's year and we are feeling pretty lucky with our student's success so far in 2020.

My favourite place in the whole wide world is Binalong Bay (followed closely by Italy), I hate weather over 30 degrees (a Tassie girl through and through), have three children Henry, Millie and Daisy and a husband called Nick, love going to music concerts, love shopping and catching up with friends and my family and my Kindle gets a healthy work out every day.

### **Mrs Rachel Ferrall - K-F**

My name is Rachel Ferrall and I am teaching Kindergarten. This is my 9th year of teaching at Trevallyn and I love meeting all the new Kinder students and their families. I am married to Pete and have two children, Tom in year 12 and Emma in year 10. We have a dog called Archie. He is a Cavoodle and loves lots of attention and walks. I am looking forward to getting to know my class who have started their first year of schooling so positively.

### **Mrs Cate Walker - 1-2RW (Wednesday) P-1-CW (Thursday and Friday) and Advanced Skills Teacher**

Hi everyone, my name is Cate Walker. I will be team teaching with Emma Reid on our Grade 1-2 class on Wednesday. I will also be team teaching with Fiona Cramp on the Prep-1 on Thursday and Friday. As a teaching team we enjoy working collaboratively to inspire children and their families. As a teaching partnership we celebrate diversity, encourage respect and enjoy engaging your child in respectful and purposeful learning. I have been an Advanced Skills Teacher working part time at Trevallyn since returning from maternity leave in 2011. I have a son and a rescue greyhound called Rosie who naturally keep me quite busy when I am not working with your lovely children.
