

TIME FOR AN AUTUMN CLEAN OUT!

The Taste of Trevallyn will once again hold a second hand toy and book stall to help raise much needed funds for the school. This stall provides children with a wonderful opportunity to find something special to take home from the Taste.

To help stock the stall, we are seeking donations of second hand toys, books, puzzles, figurines, lego, craft items, teddies etc. Take this opportunity to have a clean out of your children's rooms knowing that it will be going to a great cause!!!!

Any items that you are happy to donate can be left at the school office either before or after school next week, including Friday the day of the Taste.

Many thanks in advance for your generosity.
