3 July 2020

FROM THE PRINCIPAL

None of us will forget Term 2 this year. We all must be very proud of how this has continued to be about learning and positive wellbeing. It has been a huge team and school community effort from everyone and it is now time for a well-earned break. The first day of Term 3 for students is Tuesday 21 July, with Monday 22 being a day for teachers to plan together in the area of English and more specifically, Speaking and Listening.

New student enrolments for Term 3 will enable us to welcome these students and their families:

Nathan Grade 6, Mia Grade 5, Tess Grade 4, Kooper Grade 3, Liam, Izaak and Elena Grade 1 and Bryce in Prep.

Next term we welcome **Mr Isaac Pinnington** to multiple roles throughout all grades and **Mr Stephen Clark** is returning to teach Grade 5/6 Clark each Friday. **Mrs Cassie Vedovelli** will continue to support children and small groups in Literacy.

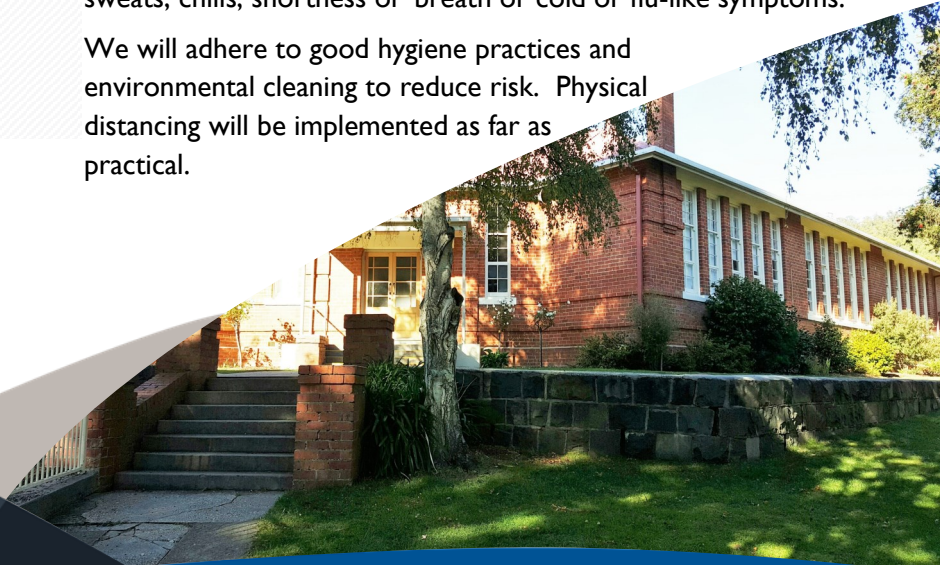

COVID-19 Term 3 Arrangements

To help understanding of COVID-19 arrangements for TPS at the beginning of Term 3, I have tabled the main topics with an explanation.

Screening consists of a one page question sheet that requires a visitor signature and 4 questions of self-declaration. The purpose is to prevent the spread of COVID-19 in our community and reduce the risk of exposure to our learners, staff and visitors. It is a precautionary measure to protect the visitor and everyone on this site. If the answer to any of the questions is "yes", the visitor will be unable to visit our site in person at this time.

No staff member, student or parent/carer who is unwell should be on our school grounds. This includes, signs of fever, e.g. sweats, chills, shortness of breath or cold or flu-like symptoms.

We will adhere to good hygiene practices and environmental cleaning to reduce risk. Physical distancing will be implemented as far as practical.

FROM THE PRINCIPAL CONTINUED

Topic	What we are planning to do for the beginning of Term 3
Attendance	Normal attendance requirements will apply. Formal attendance alerts will be applied.
Parent/carer drop off and collect – access to classrooms	This will continue at the school gate. Current regulations allow parents to access school grounds and classrooms for very brief periods of time, with physical distancing applying. As this is not manageable in our school setting due to unavoidable congestion in various access points, parents will continue with “Drop, Stop and Go” and “Collect and Go.” Support for Early childhood children to enter school each morning will continue. We have experienced many positives for children and parents with these arrangements in the later part of Term 2, the greatest being a considerable growth in confidence and independence of our students. Email and phoning will continue to be the main mode of parent-teacher communication.
Parent/Teacher Meetings	These can occur with a focus on physical distancing and hygiene practices. Screening will apply. TPS's plans established late in Term 2 will continue early in Term 3.
Parent and Community Volunteers	With Principal approval, volunteers can support, with a focus on physical distancing and hygiene practices. Screening will apply.
School assemblies	Will be rescheduled without parent attendance due to physical distancing challenges.
LIL Launching Into Learning	Will occur on site subject to physical distancing and hygiene practices. Screening will apply.
School Association Meeting	Will occur with physical distancing and hygiene practices. Screening will apply. Principal encourages a remote/online option from Term 3.
Visitors	Can occur if deemed essential and physical distancing and hygiene practices are a focus. Screening will apply.
Excursions	Can occur with consideration to gathering restrictions, physical distancing and hygiene requirements.
Canteen	The canteen will be open Term 3. Please refer to canteen menu on page 7.
Sport and Activities	These can take place including competitions aligned with current health advice. Inter-school events and competitions can take place.

5-6 CLARK ARTWORK

SCHOOL ASSOCIATION UPDATE

The School Association met via Microsoft Teams last week, our last meeting before the AGM on the 30th July 2020. During the meeting, the School Leaders reported how 5/6 sport was adjusting well to being a local school event, and how the 'Readers Cup' will now be replaced with a 'Reading Rivals' activity for our students. Our Reading Rivals teams will develop a creative piece based on a book, and the winning team will receive a prize. The Leaders also spoke about how students were still enjoying walking the youngest of our school children up to their classrooms and how it has generally been a positive experience for all those involved. The School Association agreed that we would continue to support the current arrangement into Term 3.

Annette reported that several new families who have joined our school community in the recent weeks. The School Association would like to welcome everyone, and we hope the transition into our school community goes well and we hope to meet all our new families soon.

Whilst the School Association has not been organising our usual events, Ange has been extremely busy making changes to our banking system, so we can introduce the very successful QKR app, for school lunch ordering and the PayPal app for the uniform shop. We thank Ange for all her time and hard work in progressing these issues, it is greatly appreciated.

The canteen will reopen in Term 3. Please note there will not be recess counter sales.

The big news of the night is the July AGM and the election of the membership (not all positions will be up for election, but membership includes, Chair, Deputy Chair, Treasurer, Secretary, & parent reps). We are keen to have your support and encourage anyone from our school community to come along and join us, we would love to see you there. For those seeking to fill one of the membership positions, nominations forms are on the next page and can be obtained from the school office. The AGM and the July School Association meeting will take place from 7pm via Microsoft Teams.

LAUNCHING INTO LEARNING

We are pleased to be able to recommence our Launching into Learning sessions on Fridays in Term 3. All families who have already attended a LIL session this year, will receive an email containing information around new restrictions regarding entering the school and physical distancing during the session.

During the last few months, our LIL families have been receiving emails around ideas for children Birth – 4 years to do at home. We have received such positive feedback so it will be exciting to welcome our families back onto the school site and hear all about their experiences.

The new sessions times every Friday will be:

Session 1: 9:00am – 9:50am

Session 2: 10:10am – 11:00am

Families are asked to either email (trevallyn.primary@education.tas.gov.au) or phone the office (63319657) to book in for a session. Our numbers are capped due to distancing restrictions.

If you would like more information about LIL, please contact our school office.

SCHOOL BANKING IS BACK

School Banking will recommence from Tuesday 21 July.

For every deposit made at school, students will receive a silver Dollarmites token. Once students have individually collected 10 tokens they can redeem them for an exclusive School Banking reward item in recognition of their regular savings habits.

School Banking is also a great fundraiser for our school. Our school receives a Regular Savers Contribution of \$5 for every 10 deposits processed per student as well as an Annual Contribution which is based on the number of students who made at least one School Banking deposit in the prior year.

If your child has lost their book, please contact your School Banking Co-ordinator for a replacement or visit any Commbank Branch.

If you would like to know more about School Banking, visit www.commbank.com.au/schoolbanking

UNIFORM SHOP

In Term 3 uniform orders will continue to be received at the school office by phone or email (trevallyn.primary@education.tas.gov.au) by Wednesdays at 12:00pm. Orders will be ready for collection on Thursdays from the school office. New student orders where items and sizes are unknown, viewings are possible by appointment.

Please find link below for Uniform Shop Order Form:

https://trevallynps.schoolzineplus.com/file/media/291/uniform_shop_price_list_2020_covid_19_amended.pdf

The Uniform Shop currently stocks summer dresses in sizes 4 to 16, if you think your child will require a summer dress in a size that is not stocked, please contact tspuniformshop@outlook.com

by the start of Term 3.

Thankyou to the Uniform Shop volunteers and we acknowledge and appreciate the increased and difficult work changes through this time.

SCHOOL BANKING VOLUNTEERS REQUIRED

Our students really enjoy participating in the Commonwealth Bank School Banking program and to keep this program running we need your help.

The program requires volunteers to facilitate the banking and distribution of School Banking rewards. This only takes a small amount of your time, one day per fortnight and the Commonwealth Bank will provide support in how to run the program. Your help with the program will greatly benefit students as they develop vital saving skills and also help our school with fundraising. Currently School Banking day is Tuesday.

If you are interested in volunteering for this great program and hold a current Working with Vulnerable People registration, please contact the school office on 6331 9657 or trevallyn.primary@education.tas.gov.au.
