#### Welcome

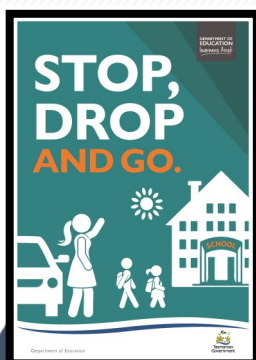

We are very fortunate to be able to welcome Alfie and his family to the school. Alfie will commence at Trevallyn in Term Four and will join Grade 1 Hepburn.

#### Farewell Mrs Vedovelli

We would like to thank Mrs Cassie Vedovelli for her work throughout the year especially in our Early Childhood sector and the amazing delivery of Oral Language practices to our younger classes. Mrs Vedovelli is expecting a baby in November and we wish her and Mr Vedovelli all the best with their new family member.

#### Northern School Dressage Competition

Kindra represented Trevallyn Primary School in the Northern School Dressage Competition on Sunday 20 September. She competed against 30 other riders in the primary section and was placed first as the primary school overall winner! Congratulations Kindra.

### 2020 Be Brave and Shave

The annual Trevallyn Primary School fundraiser for the Be Brave and Shave is fast approaching. This year we will be holding the event on Thursday 12th November. Trevallyn Primary School is at the very top of the leader board nationwide for school fundraising efforts and 4<sup>th</sup> overall in fundraising efforts from all organisations just behind Big W, Foodworks and Newslink. We could not be prouder of our students and supportive community in achieving this. \$116,010 over eight years is an astronomical amount and effort! If you would like to be a brave participant and participate in the Be Brave and Shave for 2020, there are permission forms ready for collection at the office. Let's see if we can break last year's record of 56 students (parents and teachers) and \$21,500.

Thank you to everyone who came dressed in their favourite sporting colours on Thursday. It was great to see such a vast array of sports being represented across the school. Thank you also for your donation. We raised \$531.65 – a very impressive start to the Be Brave and Shave fundraiser.

Bandannas will be on sale for students to purchase in Weeks Three and Four of next Term.

I would like to thank everyone for a wonderful Term 3, we certainly have a lot to be grateful for. The drop off and pick-up arrangements continue to run very smoothly and the social distancing parents are adhering to outside during these times is greatly appreciated. This term we have been fortunate with restrictions easing to have parents participate in our parent-help program in classrooms again. Please email your child's class teacher if you would like to volunteer your time in your child's class throughout Term Four. At this stage, all arrangements will remain the same until we are informed otherwise.

When we return in Term 4 it will be back to wearing our summer uniforms and hats for outside play. I would also like to wish Mrs Hollingsworth a very restful and relaxing Long Service Leave break. She is taking four weeks off including the school holidays and is very deserving of this break. Mrs Hollingsworth will return to school on Monday 19 October.

Congratulations to the students I presented certificates to in our end of Term 3 assemblies. The values we are seeing lived out here at Trevallyn are outstanding to witness, we are truly fortunate having such wonderful students attend our school. You should all be very proud of your achievements.

**Jane Hudson – Acting Principal**

### BOOK WEEK - TERM 4

Book Week is taking place in Week 2 of Term 4. We will be holding a special dress-up parade where all students can dress up as their favourite book character. Classes will be reading the shortlisted books and taking part in many creative pursuits to celebrate their love of stories.

More information on Book Week and the shortlisted books can be found at <https://www.cbca.org.au/cbca-book-week>

### BEGINNING READING 2 - INFORMATION FOR PARENTS

#### Things you can do at home to build early reading skills

- Read to your child daily. Have them read to you, siblings, grandparents and pets.
- To help your child link sounds to letter names, challenge them to a **letter hunt**: just choose a letter, and ask your child to find words that begin with that letter (both capitals and lower case).

Your name begins with a capital 'A'. Can you see some words that begin with a capital 'A'? What about a lower case 'a'? You can play this game almost anywhere, with any kind of text – such as signs, labels, books, magazines and newspapers.

How many words beginning with 'b' can we spot on our bus ride? Make sure to make a deliberate mistake sometimes, so your child can correct you and show off their knowledge!

Our world is full of written text, so it's easy to give your child practice at recognising familiar words and working out new words. Here are a few ideas to get you started **spotting words**.

- When preparing a meal, ask your child to get the ingredients out for you.
- Ask how many words they can read on the label – you might be surprised!
- When ordering from a take-away menu or at a cafe, ask your child to find their favourite foods.
- Ask your child to write the shopping list for you (check if they try to sneak in some extra treats!).
- When you are going somewhere new, ask your child to look for the street signs and house numbers (if the street name is tricky, tell them the first few letters to look for).
- Ask your child to read the addresses on your mail and work out who it is for.

The more you do this, the more your child will want to look for words in their environment and read them to you.

## CLASS PLACEMENT AND CLASSES 2021

We are not far off beginning the task of organising classes for 2021.

Your child's current teacher is in the best position to formulate classes for next year. Grade teams, school leaders and the previous year teacher are also consulted in our class placement process. Our teachers take on board a number of considerations when placing students. Our goal is to create the most equitable classes possible, taking into account gender, learning ability, social connection, work habits, behaviour etc. Whilst parents have one child to consider (in a given class), we have approximately 500 children to consider next year, and so decisions need to be suitable for the majority. We have dedicated, hardworking teachers who are collectively responsible for all our children. No matter what grade or class – each child in this school will be taught by quality teachers in a school culture of high expectations. **We will not be taking requests for students to be in particular classes or with specific students or teachers.**

Teachers use a variety of methods to group children in order to maximise learning and the focus is always on the individual and personalising student learning. At Trevallyn we have been thoughtful about developing opportunities for students to interact and learn from one another – both within their own class and in conjunction with another or across grades. These observations inform us about the conditions that best suit a particular student to learn, which styles they have, who they are friends with; who they learn best with. We consider all these factors when placing children in classes for the following year.

Please understand, teachers will make the best decision for all children in the school – including what we believe is in the educational and social/emotional well-being of the children. We are **unable** to accommodate personal requests because accommodating everyone's personal wishes will not support what is best for **all** children. **If there is any information that you think is above what the class teacher is currently aware of or we need to take into account before we start creating classes, please email before the end of this term (25 September):**

**Prep – Grade 6 - Jane Hudson** [jane.r.hudson@education.tas.gov.au](mailto:jane.r.hudson@education.tas.gov.au)

Please be mindful that Term 4 and end of year contact about class placement is outside the shared timeframe.

Trevallyn Primary School is committed to meeting the educational needs of all students. A great deal of thought, planning and time goes into placing children into classes each year. Every effort is made to place each child in a learning environment that is happy, safe, productive and successful.

### **Factors influencing class structures are:**

- The projected number of students in each year level
- The number of teachers employed at the school and available facilities

### **Factors which are considered in the placement of students include:**

- The educational needs of the students
- Work habits e.g. ability to work independently, within groups
- Behaviour
- Gender
- Social networks
- Students with Disabilities – e.g. required learning adjustments, Teacher Assistant allocations, Learning Plans (LP's).

This policy supports the school to organise classes to cater for a range of academic abilities, opportunities for new social connections, work habits and to foster diversity.

Parents are invited, in a defined timeframe, to outline educational requests for class placements. Requests in relation to choice of teacher will not be considered as a placement factor.

This Policy has been recently endorsed by our School Association.

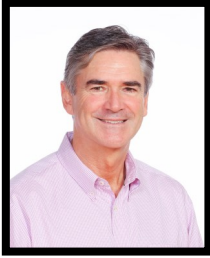

**Continued on next page**

## CLASS PLACEMENT AND CLASSES 2021 CONTINUED

### What is the process for placing students into classes?

1. Based on the criteria listed above, teaching staff will meet early **Term 4** to establish class groupings for the following school year. Teachers of the current year level and school leaders meet with the other year level colleagues to create the class lists. (E.g. Year 2 teachers and school leaders decide Year 3 placements)
2. Proposed class lists are submitted to the Leadership Team for final input and endorsement.
3. Throughout the process, changes and adjustments are made. Each change triggers a chain reaction of other changes. It is acknowledged by all that friendships are important. However, to ensure balanced classes as outlined above, friendship groups are NOT the primary determining factor in class placement.

## STAFF PROFILES

### Mr Steve Clark 5-6-C - Friday

Hello everyone. My name is Steve Clark and I have only recently joined the teaching team here at Trevallyn Primary School, where I'm teaching a grade 5/6 class on Fridays of each week. I've been involved in education for over 35 years and during that time I worked in various schools, as a teacher and administrator, in and around the Launceston area, as well as overseas for many years in Germany and Indonesia. I've taught students from grade one right through to University level and have enjoyed the special opportunities that each grade level has to offer. In my spare time, I enjoy walking our new and very energetic puppy Murphy every morning, as well as caring for our garden, chickens and pet fish. Like some other teachers here at Trevallyn Primary School, I have a real passion for teaching mathematics. I am a tragic Collingwood Magpies supporter, but also have a soft spot for some of the 'underdogs' of the AFL.

### Ms Beth Hollingsworth 5-6-HH - Monday to Thursday

Hi everyone. My Name is Beth Hollingsworth (previously Mrs Johnston) I have had the pleasure of working at Trevallyn primary school for 9 years. This year I am lucky to be working with Mrs Denise Hay on a grade 5/6 class. In my free time I enjoy going to the beach, shopping, spending time with my friends and family and working in my garden. I have 3 daughters Maddie, Isabella and Daisy. Maddie is studying at university, Isabella is grade 10 and Daisy Grade 5. We have a labradoodle called Phoebe who loves walks and a belly scratch.

### Mrs Jill Bransden

Hi Everyone. My name is Jill Bransden. In 2020 I have been fortunate enough to have been part of the Grade 5/6 team and teacher of the most amazing students. Students in my class know that I love teaching Mathematics, Science and Art. Outside of school I coach a junior touch football team, a junior netball team, umpire and I have been a State manager for U15 and U18 girls touch footy teams the last few years. My family and I love to spend time at Binalong Bay during our holidays and when I am not at the beach I love to spend time in my garden.

## AUSSIE OF THE MONTH

Our Aussie of the Month for **September** is presented to **Luca H Prep S**

Luca is a thoughtful and caring friend to all. He makes an effort to include others in activities and will never let anyone feel left out. Luca always tries to think carefully about problems when they occur and will endeavour to find a solution that guarantees a fair outcome for all. He is honest and reliable and loves helping out.

# 2020 TREVALLYN PRIMARY SCHOOL PHOTO SCHEDULE

TUESDAY 20<sup>TH</sup> AND WEDNESDAY 21<sup>ST</sup> OCTOBER – WEEK TWO, TERM FOUR

Student photo envelopes will arrive home with your child this week. Instructions are included on the envelope on how to order and pay for your photos online. If you would prefer to pay with cash please collect an envelope from the office with instructions for ordering and payment. Family photo packs can be collected from the office also. Sibling and cash order envelopes are to be returned to the office however, individual online order forms do not need to be returned.

Below is a schedule for our 2020 School Photos. On the day your child is having their photo taken please send them to school in their full school uniform. If you are having family photos taken, these will be held in the Multi-Purpose Room between **8.30 – 9am** on Wednesday and Thursday. Please organise for your children to attend during this time.

MSP will be given all photo packs prior to these sessions and will have lists of the students requiring family photos.

## LSSSA CROSS COUNTRY CARNIVAL

Last Tuesday, a team of 48 Grade 3-6 students went to Riverside High School to compete in the Division I LSSSA Cross Country Carnival. We worked hard and ran to the best of our ability. As a team we had some excellent finishes and consistently placed highly with our runners. A special mention to Seb and Lachlan for winning their races, along with our Grade 4 boys teams who had 5 runners finish in the top 10 to win their division. It was great to see our students being positive and supportive to each other along with the other runners. On the day our team managed to finish second overall, which is an amazing achievement. All runners represented the school, your family and yourselves to a very high standard and you should be extremely proud.
