## TOPICS 4

26 March 2021

### FROM THE PRINCIPAL

#### SHARING OUR ASPIRATION WITH OUR FAMILIES

What a magnificent week we have had at Trevallyn! It was so wonderful to witness our students and children sharing their learning with their families. We are so proud of our students' high expectations of themselves and their achievement, as well as the partnership we have with our community. It was lovely to connect with everyone and a huge thank you to the School Association for the BBQs.

How do we encourage our children and continue a strong tradition and culture of HIGH EXPECTATIONS AND HIGH ACHIEVEMENT?

Model CURIOSITY about learning with your child.  
Ask questions like:

- What was a highlight today?
- How did you overcome a challenge?
- Tell me about your inquiry?
- Who did you play with?
- Did you work with anyone new?

Encourage Reading and finding mathematics in the everyday things you do

Model the language of a GROWTH mindset (see graphic)

As school holidays approach, we wish everyone a wonderful, safe break. Staff are looking forward to working with our Riverside Cluster colleagues for moderation focussing on literacy. We are also continuing our focus on Concept Based, student led Inquiry.

## FROM THE PRINCIPAL CONTINUED

Our goals for school improvement are multifaceted and focused on ensuring that all Trevallyn Children and Families have positive experiences that connect them deeply to learning:

By the end of 2022 all educators will foster learners agency through concept based (inquiry) teaching and learning cycles and provide a range of positive experiences so that all learners are challenged, have a sense of value and connection to learning through deliberate collaboration with peers, teachers and community.

By the end of 2022 all learners use feedback to identify and articulate their next steps (how) in learning (Literacy, Numeracy and Learner Assets) so that the Trevallyn Instructional Model is embed, driven by evidence and data and focuses on all learners progressing in learning through goal setting with teachers and parents.

Please see my March Principal Report for the School Association. Remember we are always on the lookout for interested parents. Now's the time as our AGM is next month.

We are looking forward to an amazing Term 2, please reach out to your classroom teachers and stay connected.

Thanks Trevallyn!

## 2021 REPORTING AND COMMUNICATION TO PARENTS

On Wednesday 31 March our Primary Progress Reports will go home with students. The purpose of the Primary Progress Report is to inform parents about how their child is settling into school and to advise them of any early areas of concern.

The table below provides an overview of how we will be sharing the progress of our students' learning with parents throughout the year.

## NAPLAN ONLINE 2021

The National Assessment Program-Literacy and Numeracy (NAPLAN) was first undertaken as an online test in Tasmania during 2019. Tasmanian schools will again participate in NAPLAN Online this year.

NAPLAN Online provides better assessment and more precise results. The assessments feature a tailored test design where the questions a student receives will depend on their answers to previous questions.

NAPLAN testing will be held from the **11 to 21 May 2021**.

Online testing will be available for each of the NAPLAN year levels (3, 5, 7 and 9).

NAPLAN assessments include four components, Writing, Numeracy, Conventions of Language and Reading. Please note that all Year Three students will be completing a paper-based Writing Test.

Schools will receive reports and results for participants following the completion of the NAPLAN Online assessment window. These Individual Student Reports will have the same format as in previous years. This format is used for every student in Australia.

A parent/carer brochure containing more information about the NAPLAN Online assessments, will be distributed by the school to families of students sitting NAPLAN this year.

If you have further questions, please contact Jane Hudson on 6331 9657.

## INSPIRE A WRITER

Last TOPICS we had a list about lists! Here are some more ideas to get your child enjoying purposeful writing at home.

Cards and letters are fun ways to communicate. This writing has a natural audience – it is intended for someone else to read. This means you can encourage clear spacing, consistent letter size and other goals dependent on age and stage because it has a message for another person to read. Adding drawings helps give children more to write about.

- Make a card for an elderly person in your street. Include some lovely drawings and a description of what you have drawn. Write a clear cheery message and sign your name.
- Make an Easter card for their buddy at school. All students have a buddy class, either in older or younger grades.
- Write a letter to a pen-pal. Team up with another parent and get your kids to get to know each other the old-fashioned way. This is a good way of learning your home address and practising capitals letters for proper nouns (age and stage).
- Write a letter with the purpose of giving your opinion. The council would love your thoughts on Riverbend Park or the opening hours of the Riverside pool. Make suggestions of things that could be changed.
- Write a letter to your school principal. Let them know what things you love about your school and what helps you learn best.

There could be a million topics for cards and letters. They can be for a different purpose and this is discovered in school or at home by thinking about how to entertain, inform or persuade an audience. If you mail them at the post office, you might even get a treat!

## LSSSA ATHLETICS 2021

On Wednesday 17 March 56 students from Grade 3 - 6 attended the LSSSA Athletics Carnival at St Leonards. In excellent conditions our school competed against West Launceston, Riverside and East Launceston. It was an outstanding day, with our students competing to the best of their ability and demonstrating great sportsmanship. We had a number of amazing individual results, along with our Grade 4 and 5 boys who won their 4 x 100m Relays. We finished the day in second place, which is an outstanding result! All students who participated should be extremely proud of their efforts, well done!

## BUTTERFLIES IN 2 NANKERVIS / 2 OLIVER/WALKER

In Grade 2 we have exploring how living things change and grow. We were lucky enough to receive a butterfly chrysalis. We wondered and inquired what would emerge from the pupa. We wrote down all of our important questions and wonderings and were amazed when our beautiful Monarch butterflies appeared from their cocoons.

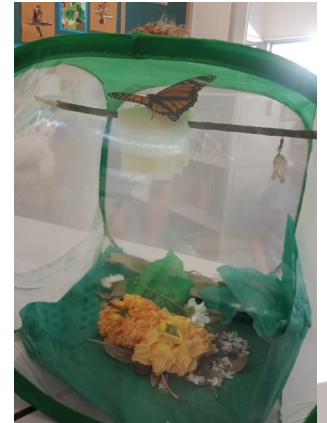

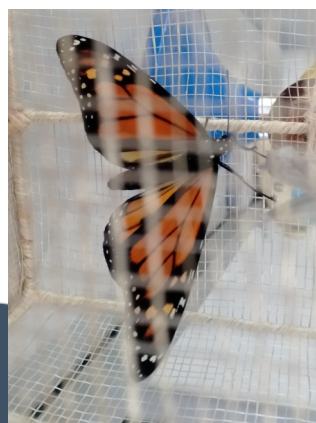

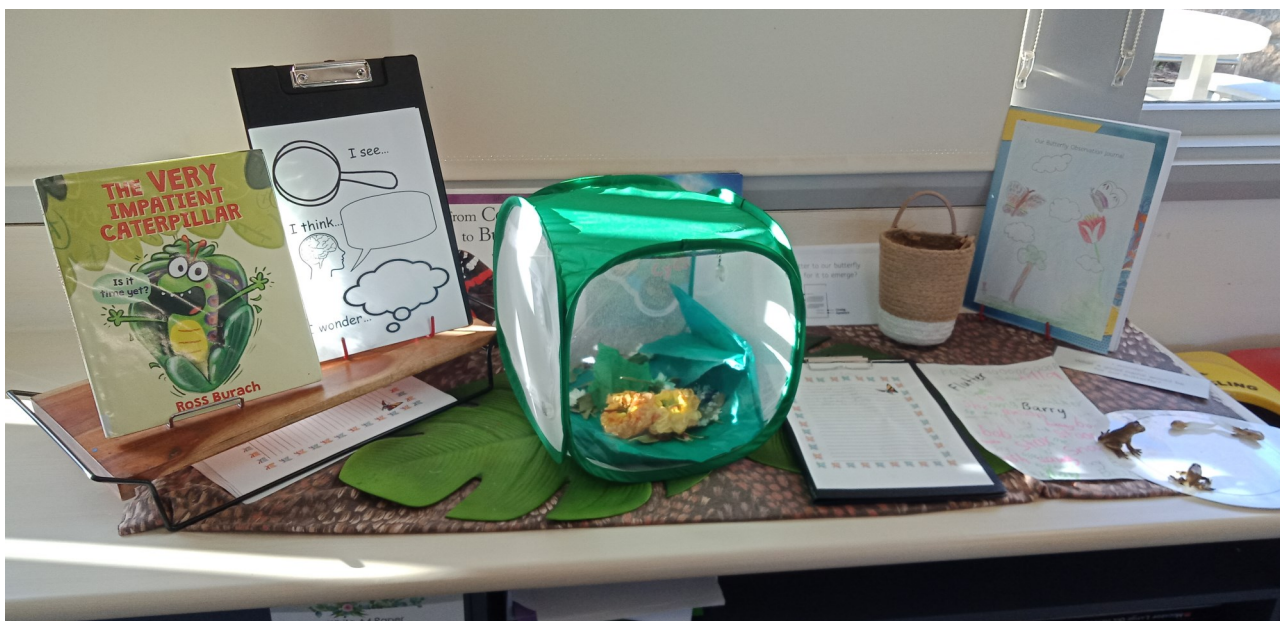

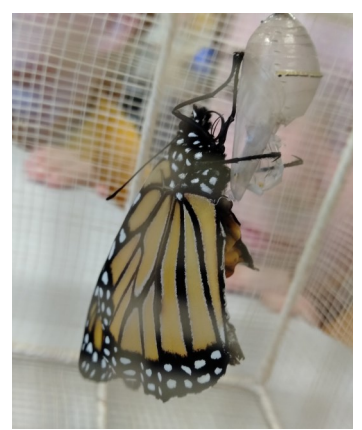

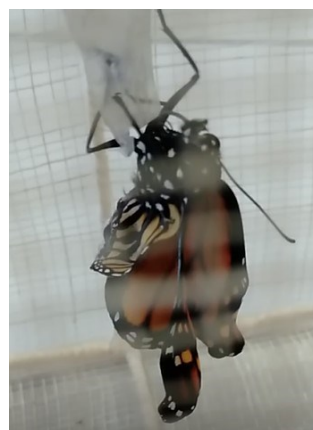

Some of our wonderings were:

“Is a cocoon considered an egg?”

“Does a butterfly get its colours inside the pupa?”

“Why can’t we release the butterfly straight away?”

We also considered what our butterflies would need when we released them and designed a butterfly friendly garden around our school kitchen garden.

Our Brixhibition on Friday was a huge success. We had 77 entries in total. Kinder to Grade 2 displayed an amazing 43 pieces of work, Grades 3-4 showed 26 creations and Grades 5-6 showed 8. Classes enjoyed viewing the exhibition and voted on their favourite pieces.

### Winners

Prep – Grade 2 1<sup>st</sup> Archie, 2<sup>nd</sup> Eli, 3<sup>rd</sup> Ella

Grade 3-4 1<sup>st</sup> – Obie, 2<sup>nd</sup> Jessica, 3<sup>rd</sup> Hamish

Grade 5-6 1<sup>st</sup> River, 2<sup>nd</sup> Marley, 3<sup>rd</sup> Millie

Overall winner – Hendrix Grade 1

Many thanks to Jo Beswick for giving up her day to set up the room, assist classes, count votes and many other behind-the-scenes tasks. We appreciate this very much.
