FROM THE PRINCIPAL

SHARING OUR VALUES WITH OUR FAMILIES

As a school community we are committed to living our Department of Education Values. Last term we explored the value of Aspiration. It is important as we reflect on and engage in a new term we recognise our values are intertwined. We strive to work together to ensure that all children and families have positive experiences that deeply connect us to learning.

What are our values, why these values, and how they guide our decisions and behaviours?

Our Values represent what is at the heart of our Department, reflect what we stand for, guide our decision making and underpin all aspects of our work.

Our Values:

Aspiration – a culture of high expectations and high achievement

Respect – respecting ourselves, others, our past and our environment

Courage – accepting challenges and embracing opportunities

Growth – improving by always learning and finding better ways to do things.

FROM THE PRINCIPAL CONTINUED...

How do we encourage, support and grow the value of respect in our school?

Through our Respectful Behaviours Policy we have set out the expectations of behaviour for Trevallyn Primary. Our culture and learning environments are exceptional, our students thrive on consistent, predictable, routines and aspiration to be their best. This year we have translated our policy and processes into a visual for our students, staff and families to see how we set and follow through with our expectations to support our Trevallyn children.

As a school community we aim to:

- Provide consistent, predictable routines and common language to support our students develop self-regulation and learning strategies.
- Create safe, positive and supportive learning environment and experiences.
- Provide clarity and consistency around expectations of duty of care and supporting each other, our students and our families.
- Improved learning outcomes for all students, everyone progresses at least a year for every year they are at Trevallyn.

We aim to develop in students, responsibility and ownership of their behaviour as it impacts on the rights of others.

FROM THE PRINCIPAL CONTINUED...

Tell us what you think!

We have a wonderful school. As your new principal I want to know what you think are the best things about our school? What we can get better at? And finally what we need to do to get the best out of you and your children?

I will be running five short workshops over two weeks. If you would like to be part of this consultative process please contact the front office on 6331 9657 and RSVP to make a booking. Spaces are limited so bookings are essential.

TIMES:

Monday 10 May, 9:00am

Wednesday 12 May, 4:00pm

Tuesday 18 May, 2:00pm

Thursday 20 May, 4:00pm

Friday 21 May, 9:30am

Later this term, Trevallyn Primary will also be undergoing it's School Review. The Four-Year Annual Review applies to schools and is designed to support Principals and school communities to improve student outcomes.

This will be a wonderful opportunity to celebrate all the great successes Trevallyn has had over the years. It is also an opportunity to work with the National School Improvement Tool to identify our next steps to get even better.

We will keep you posted.

Keeping our children SAFE

Thank you for keeping our drop off and pick up flowing beautifully. We love parents coming into the school to drop children off and picking them up. To continue to support, please help Tony by not congregating near the crossing. It can be difficult when there are many people around the crossing.

We are still working with in COVID-19 rules. Please ensure you are onsite for no more than 10-15 minutes. If you have arranged with your child's classroom teacher to meet, please sign in at the front office. Kiss and go in the morning and a hug and move on in the afternoons.

The **front playground** and **basketball court** is being used by our Outside Hours Care **everyday**. Please do not use these areas as the OSHC staff are responsible for our children in care.

Trevallyn you have been wonderful throughout this time. Thank you for your ongoing support.

NAPLAN ONLINE 2021

The National Assessment Program-Literacy and Numeracy (NAPLAN) was first undertaken as an online test in Tasmania during 2019. Tasmanian schools will again participate in NAPLAN Online this year.

NAPLAN Online provides better assessment and more precise results. The assessments feature a tailored test design where the questions a student receives will depend on their answers to previous questions.

NAPLAN testing will be held from the **11 to 21 May 2021**.

Online testing will be available for each of the NAPLAN year levels (3, 5, 7 and 9).

NAPLAN assessments include four components, Writing, Numeracy, Conventions of Language and Reading. Please note that all Year Three students will be completing a paper-based Writing Test.

Schools will receive reports and results for participants following the completion of the NAPLAN Online assessment window. These Individual Student Reports will have the same format as in previous years. This format is used for every student in Australia.

A parent/carer brochure containing more information about the NAPLAN Online assessments, will be distributed by the school to families of students sitting NAPLAN this year.

Our school has signed up all Prep to Grade 6 students for this wonderful challenge to read 10 books in 10 weeks. Increase your love of reading, learn new information and have a chance to win some prizes. The challenge finishes on Friday 02 July.

You can read books, e-books and even listen to age-appropriate audio books as part of this challenge.

Here are some places you can access reading materials if you need more:

ANZAC DAY

Thank you to Fergus, Beatrix, Ethan and Phoebe who represented Trevallyn Primary, laying a wreath at the Anzac Day Civic Service on Sunday.

Our students have participated in a variety of experiences to acknowledge Anzac Day and pay respect to the men and women, both past and present, who have served our nation.

In 2 Oliver Walker we celebrated the ANZAC spirit by creating oil pastel poppies. We each had to draw a quarter of a poppy, adding detail and colour. Each quarter was then put with other drawings to make a whole poppy.

COVID-19 SAFETY QR CODE

We encourage all parents to download the QR code (instructions attached), if you haven't done so already. We will be using this as a check in for nominated events.

- Assemblies
- Spectators at carnivals, etc

At other times you will need to continue to sign in at the Office if you will be in the school longer than 15 minutes. This would apply for volunteers, parent help and face to face parent meetings.

Download the Check in TAS App Today

Download the APP from

- Download the Check in TAS App from the Google Play Store or the Apple App Store.
- Register your details (required for the first time only).
- Open the app, select 'check in now' and hover your smartphone camera over the venue's displayed QR Code.
