#### FROM THE PRINCIPAL

##### **Respectful Schools**

Over the coming months you may see tv

commercials, posters in our school and bus advertising.

This is part of an awareness campaign, that is aimed at

stopping offensive behaviour towards staff in Tasmanian schools. The simple message coming out of the Campaign is that disrespect in schools is crossing the line and that is not ok.

Our school is committed to providing a safe and secure workplace for all staff, as well as a safe environment for students to learn and our families to participate. We are working to eliminate any instances of offensive behaviour from adults directed towards school staff.

Trevallyn staff are committed to creating positive experiences that connect our young people and families deeply to learning. We aim for a culture of high expectations, high achievement, always improving, accepting challenges and respect. We take enormous pride in the partnerships we build with you, to create our wonderful community. This Campaign has been developed by the Department of Education which included involvement from Principals, school staff and parents.

## FROM THE PRINCIPAL...

Some of the key messages from the campaign are:

- Everyone has the right to feel respected and safe at school, including school staff. It's not just a courtesy, it's the law.
- The best outcomes for children come when schools and parents work together respectfully.
- Respectful behaviour in our schools is everyone's right and everyone's responsibility.

If you would like to discuss any part of the campaign or have any questions, please don't hesitate to contact [marketing@education.tas.gov.au](mailto:marketing@education.tas.gov.au)

## Planning for 2022

Have you ever wondered how schools approach planning for the following year?

Trevallyn has a very clear process that honours the expertise and professionalism of teachers, learners' agency and opportunities for families to share new information.

We are starting to plan for 2022. We know that most families have stayed very connected to their classroom teachers. Teachers play an active role in placing students for the following year, through working closely with you and your children. They have a wealth of knowledge to support these decisions and will work with children to identify peers.

Throughout the year we know families invest in lots of outside support for children. If you have accessed an integrated service and have new reports and would like to discuss with Jane or myself please make an appointment through the front office.

As we build relationships and connections with staff we sometimes build hopes that our children will have certain teachers along the way. All staff provide positive experiences for our children and families, all staff collaboratively plan and all staff support all children's learning. We are so proud of the partnerships built and every new year brings a new opportunity to build relationships with new teachers.

## The School Association is Celebrating "DADS IN THE CLASSROOM"

A HUGE thank you to our School Association. We love celebrating our families and children's learning. It is great to see parents supporting all parents connect and be part of our School Community.

Thanks Trevallyn!

Have a great weekend.

## 2021 SCHOOL PHOTOS

This year our school photos will be held in Term 4 on Tuesday 19 and Wednesday 20 October. Information will be sent home prior to the holidays.

## FATHER'S DAY STALL

Students chose gifts from the Father's Day stall on Thursday and Friday last week. Thank you for the wide variety of donated gifts for Dad.

## REMINDER - 2021 SCHOOL SATISFACTION SURVEY - CLOSE FRIDAY 17 SEPTEMBER

Each year the Department of Education conducts School Satisfaction Surveys in Tasmanian Government schools, to gain feedback on what you think our schools do well and where you think we may improve.

We encourage you to complete the survey about Trevallyn Primary School. Your feedback is very important to help us inform our school planning and decision-making.

You can complete the online survey at any time until Friday 17 September 2021. Survey link: <https://ncv.microsoft.com/Z6DkrOGGeCG>

All responses are anonymous and confidential with the survey carried out on a secure website.

Feedback is only accessible to the school principal and teachers and relevant Department of Education staff, in online summary report formats with no individuals or families identifiable.

For any assistance please contact Education Performance and Review by emailing: [schoolsurveys@education.tas.gov.au](mailto:schoolsurveys@education.tas.gov.au).

Thank you for taking the time to fill in this survey.

## COLD AND FLU SEASON

Cold and flu season has continued with the wet weather. Please remember **if your child is unwell** contact the front office and let us know they will be away. **It is best** that they get the rest and care needed for a full recovery. We are seeing a significant increase in illness across the school for both children and adults alike. When our staff are unwell, they need to stay home also. We are encouraging washing of hands and sanitising at school to be a preventative as we can. Thank you for your cooperation and support.

## TREVALLYN PRIMARY SCHOOL 2021 BE BRAVE AND SHAVE

Our students and community members have created a rich tradition at Trevallyn Primary School in that each year we hold a full school assembly where wonderfully compassionate students shave or cut off their hair to raise money for the charity CanTeen, an organisation that supports not only children and teenagers with cancer but their family

members who may require support during this extremely challenging time. Last year a total of \$15,811 was raised by students, parents and teachers from Trevallyn and in total over the nine years of participation, over \$131,000 has been raised for the charity.

Whilst our Be Brave and Shave event is still being organised, we are looking to hold the shave in week 4 of Term 4 to coincide with bandanna day. If your child has expressed an interest in participating in this fundraising event for 2021 and would like to be one of the amazingly kind and generous students who show a passion for helping others in need please see the office staff for a permission form to return before receiving more detailed sponsorship information. Let's see if we can beat our record of 67 students losing their hair at the one time!

## NORTHERN SPORTS EXCHANGE

On Thursday, 9 September the Northern Sports Exchange was held across Launceston. 18 students from Grade 5/6 were selected to represent the LSSSA and compete against teams from the North-West of the state. It was a great day out and an awesome opportunity for students to test themselves against some strong opposition. We had representatives in Hockey, Netball, Football and Soccer. Having spent the day at soccer, I was very impressed with the high quality display, particularly in the challenging windy conditions. All students involved should be extremely proud of themselves, well done!
