Monday 11 October - Thursday 16 December

TERM DATES 2022

Term 1

Wednesday 09 February - Thursday 14 April

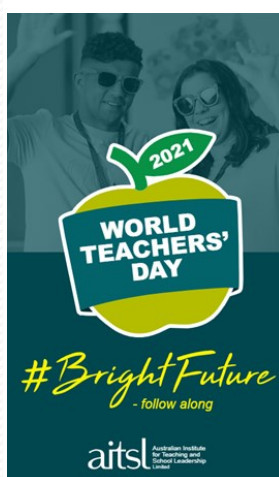

FROM THE PRINCIPAL

Happy World Teachers Day

Last Friday 29 October our Teaching Profession were celebrated across Australia.

This is a great time to stop and reflect the impact teachers have on our lives. We all have that

one teacher that made a huge impression, who challenged us and created the environment for us to be better than we thought we could be. Many of us can tell three or four stories about different teachers who helped shape us into who we are today.

For all our children their first teachers are and always will be the most important... YOU! Children's first teachers are their parents who nurture the development, build their vocabulary, engage and celebrate milestones. What you bring is a wealth of knowledge about who your children are and the aspirations they and you have for their futures.

We share your aspirations and we are passionate about our partnership with you to ensure Trevallyn students are happy, successful and connected learners.

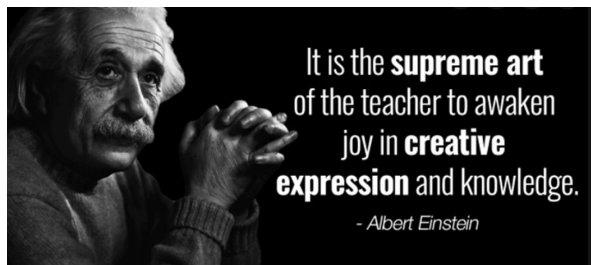

FROM THE PRINCIPAL...

Rita Pearson in her Ted Talk tells us that, "Every child deserves a champion, an adult who will never give up on them, who understands the power of connection and insists they become the best they can possibly be."

It was said to me this week that it takes a village to raise a child, and for me this Rita Pearson quote not only sums up what families in our community do for our children, but the commitment I see from all our educators. Teachers that invest deeply with their time, thinking, and most of their hearts to ensure every child at Trevallyn not only has their champion at home but in their school and for their learning.

Thank you Trevallyn Teachers, your professionalism, your commitment and your passion makes a huge difference to all our children.

Thanks Trevallyn and HAPPY WORLD TEACHERS' DAY!

Louise Corrigan
Principal
Trevallyn Primary School

SCHOOL ASSOCIATION

The School Association met on the last Thursday of October and during the meeting we discussed the success of the open classrooms and how exciting it is to have the students, principal and teachers participating in the Be Brave and Shave this year. Thank you to everyone who is participating in the event, including those who will be helping out on the day, we look forward to hearing about all the fun in the November meeting.

During the August meeting and again in the October meeting, the committee spoke about the plans underway to review the Uniform Shop stock list, with a plan to not reorder some of the stock that is now rarely ordered. The uniform shop committee has also been in consultation with a number of students, who have recently been helping to review the stock list. The committee also discussed how fortunate we been to have three very dedicated volunteers run the uniform shop for such a long time. **We need new volunteers to ensure we can continue to deliver this vital service of providing our school uniforms to our community.** As a committee we are incredibly grateful to Farah, Elissa and Susan for all their time and wonderful work over the years managing all aspects of the uniform shop. Everyone who has purchased from our uniform shop has benefitted from our three volunteers offering their time, and we are all thankful for their contribution to our school community. We then would love to hear from anyone else in our school community who may be able to volunteer and carry on the good work from 2022. Please let the office know if you are interested in helping out, or talk to our current volunteers for more information. Opening times can vary depending on your availability.

In other news I am pleased to announce that David Badcock will be taking over the running of the Lego competition from 2022. With this being my last year at Trevallyn Primary School, I am very happy that the competition which I have been running since 2014, will be able to continue. I will leave this event with a lot of wonderful memories of all the creations that would come through the door each year, and I will miss all the excitement of the students and seeing how proud they are of their creations. I would like to thank the many parents who over the years have been tasked with transporting all the delicate creations, well done and thank you for being so calm under so much pressure, your efforts have been appreciated. We have a number of parents leaving the committee this year, and in 2022 we would love to see some new members with new ideas joining the committee and continuing the good work that has been ongoing for so many years now.

School Association Secretary
Joanne Beswick

GRADE 6 EXCURSION TO HOLLYBANK

On Wednesday the Grade 6 students attended an excursion to Hollybank. The students participated in a bush walk, mountain bike riding and high ropes courses. All students had a great time and tested their courage on the day.

WORLD HOMELESSNESS

On Thursday 28 of October we organised a World Homelessness fundraiser. This fundraiser was to support the homeless people of Launceston. We went to every classroom telling the students about why we were doing this and when. We also asked everyone to wear something orange and to bring in a non-perishable food item as well.

In the morning, everyone donated their food items outside the front of the office. Will and Charlie gave their support by helping stack boxes of food. This help was greatly needed and appreciated.

We were so stunned by the amount of food that was donated. We are so grateful for everyone who donated food items and we say a big thankyou to everyone who was able to help with our fundraiser. In total we raised over 1000 food items for the homeless. City Mission came to collect all the food on Thursday morning. All donations were given to City Mission - Safe Space Launceston. We are so grateful for all the donations and to see so many students wearing orange. It was a huge help. Again, thankyou to everyone that helped to make a difference.

Chilli and Millie

2021 Trevallyn Primary School Be Brave and Shave CanTeen Australia Fundraiser Thursday 11th November

National Bandanna Day is CanTeen Australia's largest annual fundraiser. Student Leaders will be selling bandannas from Monday 25th October until sold out. Bandannas are \$5 each and students may wear them at school throughout the lead up to the 2021 Be Brave and Shave. This year, we have 29 students and three staff members (Ms Corrigan, Mr Vedovelli and Mr Pinnington) participating in our annual Be Brave and Shave event to raise money for CanTeen to support children who have to deal with the challenges of cancer. We would love to see as many students as possible wearing their bandannas to our Be Brave and Shave event on Thursday 11th November in support of those losing their hair. If you would like to make an additional donation to our fundraising cause, just enter the link below to donate to our 2021 Trevallyn Primary School CanTeen fundraising page. We are very excited to announce that our students have already raised over \$6000 for CanTeen and still have another four weeks of fundraising to go!

Thank you everyone for your continued support with this wonderful fundraiser. ❤️

To donate go to this worthy cause - <https://www.bandannaday.org.au/fundraisers/trevallynprimaryschool2021bebraveshave/personal-challenge-2021>

3/4 BASKETBALL TOURNAMENT

Last weekend, on the 23rd and 24th of October the Grade 3-4's competed in the Launceston Schools Basketball Tournament against numerous other Launceston schools. A fun time was had by all, with four Trevallyn teams competing ranging from Division 1 to Division 3. A real focus of the weekend was to have fun with our friends, participate and enjoy the game of basketball (a brand new sport for some players) and respect. The feedback we received from coaches from other schools demonstrated the wonderful and supportive approach our players all took this weekend, something we should be very proud of. We would especially like to thank all the volunteers who helped with coaching and supporting our teams.

SWIMMING CARNIVAL

The Grade 3/4 and 5/6 Swimming Carnivals were held at Riverside pool on October 15. The conditions were cold, with the water being a great way to keep warm! The students competed in a range of novelty and traditional events with participation levels being excellent across all groups. Next year we are going to increase the time allocated to the carnival to allow for more races and events, which is a credit to all students involved. A huge thanks to the parent volunteers on the day, along with everyone who came along to support the event. It was great to see the Grade 3/4 students getting a swimming carnival again!

House Points from the 3/4 Carnival	House Points for the 5/6 Carnival	Combined Swimming Carnival Points
1 st Zeus on 238 Points	1 st Jupiter 263 Points	1 st Jupiter 488 Points
2 nd Jupiter 225 Points	2 nd Odin 243 Points	2 nd Zeus 475 Points
3 rd Odin 218 Points	3 rd Zeus 237 Points	3 rd Odin 458 Points

THURSDAY 11TH NOVEMBER IS...

The Be Brave and Shave Celebration and Crazy Hair Day!

Come to school with crazy hair and a gold coin donation in support of the 2021 Trevallyn Primary School Be Brave and Shave Fundraiser. All money raised from this event goes to CanTeen Australia, a charity supporting young people with cancer.

Please remember to wear your school uniform on the day.
