THAT'S A WRAP!

School Improvement

Thank you for a wonderful 2021! We set out this year to deepen and develop how we deliver educational experiences, that strongly connect all our learners to engage with learning. Although there is always work to be done on school improvement, we are delighted with not just the positive results and outcomes, but how we have connected with your child's learning and positive attitudes towards all aspects of school life.

Yesterday Mrs Martin and I spent time with our outgoing school leaders and our incoming aspiring leaders to review our School Improvement Plan. The reflections from our students were truly remarkable. Through their eyes, they told us we had definitely made an impact on engaging and delivering feedback to move learning forward. They would like to see more opportunity for peer to peer feedback, more tools that students could use (including data) to set targeted learning and wellbeing goals. The students told us that the focus on Learner Agency was the right focus. Although they could see this work in our inquiry, they wondered how we could teach across all subjects utilising students interest more. They suggested that we combine Learner Agency with student Feedback (to educators) so we can adjust and make learning more engaging.

School Association

I would like to thank all members of the 2021 School Association. This year, like 2020 was not easy to navigate. Your propensity to continuously think about how we can serve the Trevallyn School Community better is so incredibly valuable to who we are as a school. Thanks to Mel Payne, Ange Shipp, Emily Bishop, Lyn Steel, the Canteen Committee and all the parent Volunteers for all your hard work in the canteen. 2021 has been incredibly successful, thank you. Also Farrah Wigg, Elisa McKellar, and Susan Smith who have continuously run the School Uniform Shop for many years. We are so appreciative of the time and energy you have put into this work, which is beyond extraordinary. Next year is the final year for these wonderful women, so if you are reading this and would like to learn the ropes while they are still with us, please contact the front office, we are always looking for volunteers. This year the school banking program has ended. Karen Wells and Davina Lanham have been fabulous ensuring we were able to continue this program to the end. Thank you to Davina Lanham for your organisation of the Scholastic Book Club. Thank you all.

Finally Joanne Beswick and Brian Wightman, you both have been tremendous contributors to Trevallyn Primary School. To say your departures will leave an enormous gap is an understatement. It's not just about the turning up to meetings, or organising the events, it all the advocating for our students and their voice, putting flags out to welcome into a new term, it's the flower arranging and making sure all the little things are perfect for our learners. Your work has put us in the position to fly as a school community and we are so grateful for the big things and thousands of little things you have done over the years. As a School Community we will be inviting you back to celebrate your contributions you have made over the years. Thank you.

Farewells

As 2021 comes to an end, it is time to say farewell to our families and staff who are moving on. Mr Isaac Pinnington, is following his passion in Mathematics and Science at Kings Meadows, he has been a wonderful educator and colleague and we thank him for all his contributions to Trevallyn over the past 2 years. Ms Julia Fletcher has stepped in for the 3/4 class ensuring the students have a strong continuity of learning, has been a strong team member and we thank her for all of the efforts this year. Mrs Denise Hay, Mrs Rhi Mitchell, Mrs Jess Whiteley are all finishing up their time here at Trevallyn and hopefully we see them around in the coming year. Finally a huge congratulations to Mrs Mel Eastley and Ms Aimee Costain-Cooper, they will be picking up promotional roles in other schools (Ms Aimee will be spending some time with us here too).

The end of a school year signifies the end of an era for some of our Trevallyn Primary School families. I would like to wish all families who are moving on, all the very best in the future. Stay connected and remember Trevallyn is forever in your hearts, as you are in ours.

2022

SCHOOL ASSOCIATION

The School Association held its final meeting for the year in October. We have again had another good year as a committee, and we are once again grateful for all the assistance we have received throughout the year. The School Association relies on the generous support of our school community, and we would like to thank all of those who were involved in our fundraising events, and to those who regularly volunteer in our canteen and the uniform shop, we are incredibly lucky to have your support. Once again, a big thank you to our uniform shop volunteers, Elissa, Susan and Farrah who have been amazing at running the shop and filling all your orders, we are lucky to have had your support. Also, a big, thank you to Mel who runs the canteen, all the canteen volunteers, in particular Natalie, Pru, Georgie, Kinnie, Alison, Emma and Mel M., we are incredibly fortunate that you give your time regularly to make all the wonderful foods for our children each week. Well done all of you and we are grateful for the time you take out of your busy schedules to help our school community.

The School Association would also like to wish all the families, students and teachers who are leaving our school community this year, all the best for the new year and congratulations to all the grade six students on a wonderful last year with Trevallyn Primary School. Many thanks to Louise, the teachers and all the support staff on a busy and successful year.

Thanks also goes to all the School Association Committee members for their hard work, with particular thanks to Brian as Chair, and to Ange for all your work as the Treasurer. Thanks also to Beatrix and Fergus for their School Captains reports, we wish you the best of luck with your new adventures throughout High School. Our Mother's Day and Father's Day stalls were a big success thanks to the wonderful work of Kim and Linda, and thanks to Kim for her work with the waste initiatives, our students benefit greatly from your enthusiasm to improve our school and our understanding of the role we can play in managing and reducing waste.

The next School Association AGM will be in first term 2022, and this is a great time to come along and meet the members and to be part of this wonderful committee. There will be new positions available as we say thank you and goodbye to Brian the Chair, Emily a parent representative and myself as the Secretary. Brian and I will now have to say goodbye, as our children will be leaving for high school. We thank everyone for their support over the years, and we will cherish the wonderful moments we have had whilst being part of the school community. We feel very lucky to have had the opportunity to be part of your community, and to have been able to help raise funds, which have enabled many improvements throughout the school. We thank everyone who has supported us along the way, and we wish you the best in 2022.

Joanne Beswick School Association Secretary

FACT SHEET

keep it COVID safe.

Keeping our learners, clients and staff safe.

Our borders open on 15 December, and as a community we need to work together to support each other as we all adjust to living with cases of COVID-19 in our community.

To keep our learners, clients and staff as safe as possible a number of COVID safe measures will be in place in our schools, libraries and Child and Family Learning Centres (CFLCs).

All our COVID-19 safety measures are being put in place across all sites in line with Public Health advice. The combined effect of these measures ensure we are providing safe places for our learners, staff and the wider community.

Hygiene and Physical Distancing:

We know that increased hygiene practices and abiding by the physical distancing requirements have a positive impact on slowing the spread of COVID-19. The following will remain in place for all sites:

- Staff, students and community members staying home if unwell and getting tested if they have symptoms of COVID-19.
- Retaining high levels of personal hygiene practices, especially handwashing and sanitising regularly.
- Maintaining physical distancing practices and any density requirements for all sites.
- Maintaining increased COVID safe cleaning practices for all sites.
- Vulnerable students will be supported on an individual basis, working with parents and carers. This could include additional medical advice within the student's medical action plan.

Vaccination:

Vaccination is the best way to protect our students, staff and families against contracting COVID-19 and reducing disease transmission.

- By 9 February all Department of Education staff attending the workplace will be vaccinated. (Non-school based staff will need to be vaccinated by 21 January 2022 and school-based staff by 9 February 2022).
- We will continue to support the Department of Health with vaccination clinics for children and young people delivered through schools.
- All volunteers and contractors will be required to have been vaccinated.

FACT SHEET

keep it COVID safe.

Ventilation and outdoor learning environments:

Increasing ventilation to enhance airflow indoors, and maximising the use of outdoor learning environments, will help reduce opportunities for transmission of COVID-19.

- Ventilation levels and air flow are being increased, including repairs to windows so they open, maintenance of heating and cooling systems undertaken and the use of air purifiers in learning areas where appropriate.
- Schools are also encouraged to maximise the use of outdoor learning areas and environments. We are working with schools and CFLCs to identify further opportunities for outdoor learning and to support enhancements to outdoor learning environments that could significantly increase flexibility for sites to provide outdoor learning.

Safe Site Management:

We are managing all of our sites in accordance with Public Health advice:

- All visitors must continue to check in using the Check in Tas system.
- All sites have COVID-safe plans which are regularly reviewed and updated.
- We have procedures in place to manage confirmed cases of COVID-19 on any of our sites.
- We will continue to limit non-essential visitors on to school sites, as required, to enable physical distancing and density provisions to be adhered to.
- All visitors entering our sites must be vaccinated. Visitors who are exempt will be required to wear a mask. (This will not apply to parents and carers attending school sites for pick up and drop off who do not enter school buildings).

Face masks:

Face masks are one key strategy that can be used to help slow the spread of COVID-19.

- Face masks will be used where required, in line with any Public Health advice.
- All schools are provided a sufficient supply of masks to ensure universal provision (for students 12 years and above) when needed.
- All sites will be supported to maintain and purchase an appropriate level of masks from local suppliers, with supplies held centrally for emergency resupply if required.
