18 March 2022

FROM THE PRINCIPAL

WOW what an extraordinary 2 weeks we have had here at Trevallyn! Firstly, a HUGE thank you to you. The Trevallyn Primary School community. We are so appreciative of your support and cooperation through this time. Our staff have been wonderful, ensuring student wellbeing and learning is at the centre of everything they do. Our admin team have been outstanding, and we cannot thank them enough!

At this point in time Public Health have advised us that we can continue business as usual. Over the next few weeks we will be sending letters to advise of new cases, and it is important to continue to monitor your children for symptoms. They can start off mild and may even look like at tummy bug. Please continue to support our community by keeping your children home if they are unwell. If you suspect 'hay fever' please continue to test.

The final piece of COVID related news is about attendance. As we navigate this time, the increased requirements of our admin team to record to the Department and Public Health, mean attendance reporting is more important than ever! If you are keeping your child home, please send a message via Schoolzine, trevallyn.primary@education.tas.gov.au, or call the front office by **9:15am**. Knowing who is at school and who is home is so very important. As you know we take children's safety so incredibly seriously and we want to be able to communicate with you in a timely manner if your child is away.

FROM THE PRINCIPAL...

Communicating with Parents

Trevallyn has always been ahead of the game when it comes to communicating with parents, 'students' progress' and achievement. As we implement the Department of Education's new strategy, we are excited to connect with you about your children's learning. As you complete the surveys sent, we are finding out more and more about your child, and your aspirations for them. It is clear, you want your children to be strong, confident communicators to have opportunities to explore their passions and develop the skills to continue to engage them in their learning for life. Please take the time to connect with your classroom teachers and to share your survey responses with them. This is part of our REPORTING to you. Next term we will be sending more information about the new REPORT format including the 9-point scale.

Connecting with you

We knew coming into this year, some of the things we value the most would be changing. We are continuously working and planning for ways to connect with you over the year. Firstly, our School Association's AGM will be held (in person) on the 31 March at the Trevallyn Bowls Club (following the TBC COVID-19 guidelines). Please come along, many hands make light work. The focus of the School Association continues to be fundraising and delivering the School Uniform Shop and Canteen as services to the school community. Also, you get to hear about our School Improvement Plan implementation, including student voice from our School Captains. Please note, let us know if you are attending so we can plan accordingly. At this point in the year, we would usually have our parent volunteers in our classrooms, and we would love to start engaging with you, if you are interested in volunteering. Next TOPICS we will have information about Volunteer Workshops which will be designed to orientate you to the requirements of volunteering in DoE schools and tips on how to support children's learning in the classrooms. If you are interested, you can email me directly and we will send you information also.

This time last year, I ran a series of workshops to hear from you. Obviously, this has also been delayed, however I still want to hear from you. Last year our School Improvement was focused on Learner Agency through INQUIRY, and on Feedback to our learners to improve their learning. I want to know from you:

1. What were the things that you saw and heard about these areas?
2. What did you child talk to you about?
3. What would you like to see more of?
4. What was missing for you?

Please email your response directly to louise.corrigan@education.tas.gov.au

The leadership team, staff and students will be working on 2022 School Improvement over the next fortnight. We will continue to focus on Learner Agency through Inquiry, Feedback and Wellbeing through self-regulation. We will be sharing this work with you throughout the year, we have a wonderful school, and we are always looking for the best ways to make it even better.

Thanks Trevallyn! Your support and commitment towards our school community is so appreciated.

Brixhibition Kids Comp

Brixhibition Kids Comp 2022

Trevallyn Primary School is again participating in the Brixhibition Kids Competition, and we'd love to see your amazing creations!

To keep it CoVID safe, this year students are asked to **email up to 3 photos** of their creation to the school for judging in the following age groups:

- Prep – Grade 2
- Grade 3 – 4
- Grade 5 – 6

The winner of each category above will receive a medal and an overall winner will then be selected from the age-group winners to represent the school at Brixhibition 2022 at the Door of Hope on 23-24 April.

The overall winner will also receive a:

- overall winners' medallion
- voucher for a Leven River Cruise
- free pass to the Beaconsfield Heritage Museum
- free pass to the Richmond Gaol.

Rules

- Each Lego display is to be no larger than 52cm x 52cm x 52cm, or no larger than four 32 x 32 Lego baseplates
- Each Lego display must be an original or freelance design and not made from a Lego kit
- Some adult help is allowed, but the Lego design should mainly be child's own design.

How to Enter

- Students need to email a photo of their creation to the school by **9.00am, Friday 25 March 2022**. Please email the photos to: rhona.stevenson@education.tas.gov.au along with a completed entry form (available from the office or by emailing the above address)
- Students will judge the winners on **28 March 2022**
- Age group winners will be notified by **1 April 2022**
- The overall winner, and student representing Trevallyn Primary School, will be notified by **1 April 2022**.
