Celebrating NAIDOC WEEK

Trevallyn Acknowledgment to Country

We the Trevallyn School Community acknowledge the Tasmanian Aboriginal people as the traditional custodians of this land, and we pay our respects to the elders past, present and future, for they hold the memories, traditions, culture and hope of First Nations people in Tasmania.

We pay our respects to all Aboriginal and Torres Strait Islanders from across the many Nations of Australia and recognise 65,000 years of traditions, culture, and history.

THANKS FOR A GREAT TERM

We are now navigating the world of living with COVID-19, and I would like to take this opportunity to thank our staff for the extraordinary work and commitment shown this year. When we started the year in a time of uncertainty, they demonstrated a commitment and passion for our students and school community. They worked hard every day to ensure we could provide our students positive experiences connected to learning. Teachers and staff have remained focused on continually getting better all the time and we are very, very grateful. Our facilities and administration team who set up our learning environment every day, are the heartbeat of our school, thank you.

FROM THE PRINCIPAL..

A SPECIAL THANKS

When staff members take time for long service, we often send them off with a “see you, when you’re back”. However, given this year has been like no other and our school community has been so fortunate to have a School Business Manager who completely focuses on our children and their experiences at school, who ensures teachers and staff have everything they need and more to do our work, who cares deeply about the Trevallyn School Community. All this is shown in everything she does. So, Mrs Steel, see you when you’re back and thank you for the extraordinary passion and commitment you have shown our school community throughout this year.

VOLUNTEER WORKSHOPS

We have completed another round of volunteers’ workshops. A huge thank you to all parents involved. We are looking forward to more opportunities for parents and school to work together. We will run more workshops throughout the year for volunteering at school. The sessions cover the following:

- Purpose and benefits of volunteering
- Key Department of Education documents and requirements
- Working in classrooms
- School Association, Uniform Shop and Canteen
- Parent passions and interests

In the workshop we share a video on growth mindset [The Growth Mindset - YouTube](#) check it out!

FINALLY

Have a safe and happy holiday, thank you for being a supportive and involved community.
Thanks Trevallyn!

CELEBRATING NAIDOC WEEK

Cooking in 1-2 Reid/Mitchell

To Celebrate NAIDOC week a group of students from 1-2 Reid/Mitchell cooked Lemon Myrtle Scones to share with the class.

Story Telling Through Visual Art in 3-4 Bender/Fletcher

We represented our land and water by blending acrylic paint with a stick. We cut out circles to represent the different gatherings we have. We told stories about our families and our experiences. We made connections to the land we live on.

I-2 OLIVER/COYLE

In I-2 Oliver/Coyle we have been comparing the past and the present in HASS. We have investigated old toys and the changes between them and current or modern toys.

We took part in an OLD GAMES afternoon. We included games such as fiddlesticks, hopscotch, knuckles (or knucks), quoits and cards.

We had many laughs!

PREP BOLZONELLO/FERRALL STEM CHALLENGE

In Prep Bolzonello/Ferrall we were curious about the birds living in the Prep Playground. To find out more about them, we completed a STEM challenge to design and build a bird feeder that would safely feed the birds. We had to think about what materials would be waterproof, durable, stable and strong. We are very proud of the results and have enjoyed bird watching from our classroom.
