## TOPICS 12

19 August 2022

### FROM THE PRINCIPAL

**DID YOU KNOW WE ARE MORE THAN  
HALFWAY THROUGH THE YEAR!!!**

### DID YOU GET YOUR INVITATION?

Invitations for Sharing Learners' Growth through Inquiry – Term Three have been sent. During Term Three, Teachers will be providing families with the opportunity to come into classrooms and meet Teachers to view and discuss the learning and growth that has occurred throughout the year in the area of Inquiry.

These sessions will be held throughout Weeks Six, Seven and Eight on Thursday 1, Tuesday 6 and Tuesday 13 September.

We'll see you there!!!

### GET READY FOR SURVEY SEASON!

In the next few weeks, you will be flooded with opportunities to complete surveys. We know they can get in the way of a quiet evening, however they are extremely important for our 2023 planning and how we support children's learning. Please keep an eye out for the surveys. Last year we had less than 30 parents fill our survey, we need to hear from you all. Let's aim for 150 this year, so invite a friend and make an evening of it!

Next week is our School Association Meeting. SA Meetings are a great opportunity to connect with other parents, hear what is happening around the school and support planning events for parents to connect and be part of our learning. You don't want to miss the Principal Report! We are going to dive deeply into our WHY and yes there will be a survey involved!!!

## FROM THE PRINCIPAL..

### OUR TEACHERS ARE GETTING THEIR HI-VIZ VESTS OUT!!!

During week six staff meetings, we are going on an excursion to Riverside Primary School. RPS has been working with Kath Murdoch <https://www.kathmurdoch.com.au/> and developed a deep approach to Inquiry.

“Inquiry learning at Riverside Primary is a focus on ‘what’ we are learning AND more importantly ‘how’ we are learning across every area of the curriculum from K – 6. Inquiry learning is about children and teachers working together to drive learning through rich questions and investigation.

Teachers and students unpack together and continue to learn through the five learning assets when conducting an inquiry. These learning assets are thinking, communicating, collaborating, researching and self-managing – skills that are used in every aspect of our day-to-day lives.” RPS Website.

Learning from other teachers and schools is a powerful tool for us to continuously improve our own practices. We are grateful and looking forward to this opportunity to work with our network of schools.

### DUST OFF YOUR CRAFTER-NOON TABLE, BOOK WEEK IS COMING...

Keep your eye out for the many events heading our way in Term 3. Book Week, our Sports Carnival, Maths Olympiad, Dance Fever and many more including excursions.

### THE FATHERING PROJECT, NOT JUST ABOUT BLOKES!

We have wonderful volunteers across our school! Often (not always) they are our mums who fit an hour or two into their incredibly busy lives to support our canteen, uniform shop, classrooms and excursions. This year as we navigate new ways of working with COVID policies, the School Association has engaged with the Fathering Project to connect families to Trevallyn School. This is a wonderful (evidenced based) approach for families to positively connect to each other and to learning.

If you want to find out more, come along to our first event. We will continue to find new ways to connect with families. We know times have changed and we are all busier than ever, so we are committed to stay connected with you and know this supports children’s growth and development.

Thanks Trevallyn!

## CELEBRATING STUDENTS’ ACHIEVEMENT, PASSION AND FUTURE ENDEAVOURS

### GOOD LUCK RUBY!

This week, Ruby M (Grade 5) is heading to Brisbane to represent Tasmania at the School Sport Australia National Swimming Championships. She will be competing in butterfly, backstroke, two freestyle events, and two team relays. Ruby is extremely proud to have achieved her goal to qualify for these events and has been training hard, taking on the feedback from her coach so that she can give her best and hopefully achieve some PBs in Brisbane. She is excited to wear the Tassie uniform and represent her state. Good luck from all of Trevallyn Primary School, we are very proud of you!

# Wellbeing for Learning

## STUDENT WELLBEING AND ENGAGEMENT SURVEY

Attention: Parents and Carers of students in Years 4-6.

The wellbeing of our students is important to us - we want to hear how students feel, and think, about different things going on in their lives.

Students in Grades 4, 5 and 6 will be taking part in the 2022 *Student Wellbeing and Engagement Survey*. The results from this survey will help us get a picture of the current wellbeing of our students, and what we can do to improve future wellbeing for learning. The more students who take part, the clearer our picture will be.

The Student Wellbeing and Engagement Survey is part of the [Department of Education's Child and Student Wellbeing Strategy](#).

The details for the survey are:

**When:** Throughout Weeks 8 and 9 of Term Three

**Who:** All students in grades 4-6

**What do I need to do:** You and your child don't need to do anything. The survey will be done in class time and will not require your child to prepare in any way.

More information for families and cares can be found at <https://www.education.tas.gov.au/about-us/projects/child-student-wellbeing/student-wellbeing-survey-3/> including Frequently Asked Questions. If you do not wish for your child to participate in this survey please email either Ms Rhona Stevenson [rhona.stevenson@education.tas.gov.au](mailto:rhona.stevenson@education.tas.gov.au) or Ms Jane Hudson [jane.r.hudson@education.tas.gov.au](mailto:jane.r.hudson@education.tas.gov.au) to request a withdrawal form to sign and return to the school.

Thank you for supporting us to ensure that all our learners are safe, feel supported and are able to flourish, so they can engage in learning.

## LAUNCHING INTO LEARNING - TERM 3

Please find below the outline of LiL sessions for the remainder of Term 3. We will be continuing to hold two identical indoor/outdoor sessions each Friday with shorter timeframes. Please dress warmly (gumboots encouraged) as outdoor activities will be organised. Physical distancing will be monitored, however, masks are not required. A reminder that if you or your child have cold or flu symptoms, please do not attend.

Sessions will need to be pre-booked to comply with physical distancing. If you have already booked and attended LiL in Term 3, your booking will continue. If you wish to change or cancel a session at any time, please contact our office. If you have not yet attended any LiL sessions and would like to attend, please contact our school office: [trevallyn.primary@education.tas.gov.au](mailto:trevallyn.primary@education.tas.gov.au) or phone 63319657. Preference will be given to the 9.00 am timeslot for families who are dropping older siblings at school.

## FREE FLU SHOTS UNTIL 31 AUGUST

It's not too late to get your flu shot this winter!

Flu may have taken a back seat recently, but it can be serious and it's back. Some people are at greater risk of becoming severely unwell if they get the flu. Flu vaccines are recommended for everyone over six months of age.

Until the end of August, all Tasmanians can get a free flu vaccine at:

- GPs and state-run community clinics for all people aged six months and over
- participating pharmacies for all people aged 10 years and over.

Speak with your GP, healthcare provider or local pharmacist to book an appointment. Normal Medicare arrangements apply for GP consultations.

## TREVALLYN PRIMARY SCHOOL

### We are now taking enrolments for 2023
