FROM THE PRINCIPAL

Do you remember your favourite teacher?

Many of us have “that one” teacher, who saw something special in us and has had an impact on who we are and what we do. Teachers are lifelong influencers.

Our staff are exceptional! They have a complete focus on the students and families at Trevallyn Primary School. They care about students’ learning, and engagement, they care about wellbeing and supporting families. Today is the day we celebrate teachers and reflect on the work they do to ensure that all children, every day have positive experiences that connect them to learning.

Thanks Trevallyn Teachers! We love the work you do!

What do we know?

We are committed and focused on ensuring parents and families having an active role in children's learning.

In 2023 we will continue our work communicating learning with families.

Learner Agency through wellbeing and inquiry remains our focus as well as embedding feedback through quality lessons using the Explicit Instructional Model.

Developing a shared understanding and approaches for celebrating achievement and growth using student data and evidences of learning.

The good news!

Time to get the clippers out!

The Be Brave and Shave is on Thursday 10 November this year. Please have a chat to your children if they would like to be involved. Permission notes have been sent home and posters are up. Last year we raised over \$25 000 and we are one of the biggest contributors of donations to CANTEEN.

If you would like to be involved please contact Rhona Stevenson at school.

FROM THE PRINCIPAL..

A shout out to Tony

Every day Tony looks out for us and our safety. He greets the children with a great big hello, setting them up for a great day at school. We love his enthusiasm and genuine care for our community. Please remember to ALWAYS cross at the school crossing with Tony. We understand that drop off and pick up can be tricky to navigate, so please make sure you:

- Remember to always cross at the crossing
- Never duck across the road in a different spot
- Model safe road behaviours to all our students
- Ensure you and your children are always safe at this time

As our days are about to get longer, please remember that Duty of Care for the beginning of the day starts at 8.30am. Children should arrive at school after this time. Once they arrive, they can drop off their bags to their classroom, check in with their teacher and get ready for learning at 9.00 am. Please do not drop children off prior to 8:30 am.

Please keep your eye out for messages from the Department for Education, Children and Young People in regard to Wednesday 9 November.

Thanks Trevallyn!

Be Brave and Shave

Thursday 10 November 2022

Over the past ten years, the Trevallyn Primary School community has raised over \$155, 000 for CanTeen Australia, a charity that supports young people with cancer. This year, our aim is to continue to support young people and their families suffering from this terrible disease in our ongoing fundraising efforts. Please help our Trevallyn Primary School Community who are shaving and cutting off all of their hair by donating directly to the student or school or by following the link below.

If you are a hairdresser and are able to donate some time to this wonderful annual event, please register your interest at trevallyn.primary@decyp.tas.gov.au or by phone 6331 9657.

Parents of participating students are welcome to attend the event.

BASKETBALL TOURNAMENT - GRADE 5/6

Last weekend we had four Grade 5/6 Basketball teams competing in the basketball championships.

It was wonderful to see students showcasing their skills and displaying great sportsmanship throughout the weekend. We had some excellent results over the weekend, with our division 2 boys, coached by Scott, only losing one of their pool games and the division 3 boys, coached by Jared, showed great improvement winning two of their games! We entered two division 2 girls teams and both played very well during the tournament. Trevallyn 2A led by Simon finished in the runner up position and Trevallyn B led by Troy finished in 3rd place, well done girls! We would also like to thank our ex Trevallyn students Campbell and Harry for umpiring our games, it is wonderful having such a great community here at Trevallyn! Good luck to all Grade 3/4 students competing this weekend!

THURSDAY 10 NOVEMBER IS?

Come to school with crazy hair and a

3-4 BENDER/FLETCHER

Grade 3-4 Bender/Fletcher have painted some beautiful budgerigars using vibrant acrylic paints. They have accompanied them with an echo poem. The students collaborated and recorded some main ideas and thoughts about birds and shared their personal experiences, before creating their poem. Birds are an important part of our school environment and we see many species in our bush. Although we don't see budgies, we do see a variety of other parrots. We have particularly enjoyed watching the white and black cockatoos and rosellas fly into the high trees near our classroom. Along with the birds, we are lucky to regularly see echidnas and wallabies. It is truly a magnificent experience to observe the wildlife in our environment.
