## FROM THE PRINCIPAL

### It's beginning to look a lot like Christmas

As we start to wind down the year, our students are preparing for our End of Year Celebration. Make sure you save the date! Classes have started rehearsals and we want as many Trevallyn students and families to be there to make it a wonderful celebration of our year.

The School Association in conjunction with Trevallyn Primary School students and staff are producing the End of Year Christmas event of the year! **WE WANT TO CELEBRATE OUR SCHOOL WITH YOU!**

- Tuesday 20 December our End of Year Celebration will be held on the Trevallyn Oval, starting 4:30pm.
- Students will perform!
- Riverside High School Students will perform!
- DJ Dan will entertain and who knows there could be visit from a Big Man in a Red Suit.

We want to connect with all our families and celebrate our students and 2022 school year.

# SEE YOU THERE!!!

## FLOWER DONATIONS

As part of our celebrations for our Year 6 Leavers, we ask the Trevallyn Community to donate flowers from your gardens to decorate our tables.

If you have some wonderful blossoms, and would love to donate them could you please leave them at the front office on the following dates:

Monday 12 December (or)  
Tuesday 13 December

Thank you again for your support.

### A thank you is all we need

Our staff and teachers love educating and working with your children. As you are ticking off your Christmas List, we want you to know all we need is a "Thanks for the year, and we'll see you in 2023!"

AND, thank you for another wonderful year from all of us here at Trevallyn Primary School.

I would like to thank all members of the 2022 School Association. The enthusiasm to create positive experiences for our students and families has been outstanding. Your propensity to continuously think about how we can serve the Trevallyn School Community better is so incredibly valuable to who we are as a school. Thanks to all the parent Volunteers for all your hard work in the Canteen and Uniform Shop. 2022 has been difficult to navigate sometimes and we are so grateful for your commitment to our students and serving our community.

Finally, a HUGE thank you to Mrs Angela Shipp. Ange has been a long-term member of our school community and the School Association. Over the years she has been the heartbeat of the Taste of Trevallyn and has volunteered her time and lenses to capture our most important events over the years. In my time Ange has been the long term link to ensure the School Association continues to focus on serving the Trevallyn School Community. As Ethan moves off to High School, our community will fondly farewell Ange, she will be missed in so many ways. Thank you and all the best to you and the entire Shipp family.

Thanks Trevallyn!

## DANCE FEVER 2022

On Friday 25 November, a talented group of 5/6 students performed as part of Launceston College's Dance Fever Production- Impact.

After committing to weekly lunchtime rehearsals, it was exciting to finally perform on the Door of Hope stage for two shows. The first was a matinee for schools and all 5/6 students from Trevallyn attended. it was fun to perform to peers and teachers. We then returned for an incredible sold-out evening show. With extra confidence, costuming and excitement to have our families in the audience, Miss Birtwhistle said all 3 dances were the best we had ever performed them! We are already looking forward to next year! Big thanks to LC for having us!

GRADE 6 HOLLYBANK TREETOPS EXCURSION

## PREP EXCURSION TO BUNNINGS AND RIVERBEND PARK

On Wednesday 30 November, Prep Stenton and Prep Bolzonello had an enjoyable day on their excursion to Bunnings Invermay and Riverbend Park. At Bunnings they participated in a craft workshop and also were able to go on a scavenger hunt to find items made of different materials that could be reused or recycled. The students really enjoyed the water play area at the park, especially splashing Mrs Goss with the water.

## ESK BAND CELEBRATION PERFORMANCE IN CITY PARK

Wednesday last week, our Returning Esk Band students attended the Esk Band Program Celebration Performance in City Park. Our students performed with students from other schools. Seeing our young people collaborating in the park to make amazing sounds after just one combined rehearsal was a testament to their ongoing effort, dedication and success reached so far in their music making. A big thankyou to Luke Beasley and the instrumental tutors from the Esk Band Program.

## ATHLETICS CARNIVAL - KINDER TO GRADE 2

On Tuesday 29 November, the early childhood students participated in their Athletics carnival. It was wonderful to see so many people attending to support all the students as they competed some running and field events. It was also great having our Grade 6 leaders over to run the activities, this is a great opportunity for them to further develop their confidence when leading activities. We would like to congratulate all students who competed on the day, it was amazing to see the effort and support of everyone involved!

### 3-4 RYAN/FLETCHER INQUIRY LEARNING JOURNEY

This term in 3-4 Ryan/Fletcher we have been on a learning journey to investigate how our behaviours have an impact on our environment.

We started our journey exploring what we thought an environment was and what our global and local environments might look like.

We discussed some of the human impacts on our global environment, such as burning fossil fuels, deforestation, mining and construction. We then turned to our local environment (our school) and conducted a survey during which we tallied the evidence of human impact on our school.

We graphed our results that clearly showed us food scraps were a significant problem. This concerned us as we knew that our local wildlife, such as our beloved magpies, could eat the scraps and become unwell as our food is not part of their diet, and that we could be composting our food waste rather than sending it to landfill.

We decided that we would write a persuasive letter to the City of Launceston to ask for kitchen caddy FOGO (Food Organics and Garden Organics) bins for each of our classrooms. We were successful and will be received 17 bins this week!

We also thought that we could benefit our local environment further by creating worm farms. We thoroughly researched worms and worm farms and created a number out of polystyrene boxes. We now put our fruit/veg break scraps in our worm farms and the “worm juice” produced will be used to fertilize the Kitchen Garden. Any remaining scraps will go into our caddy bins and our large school FOGO bins for collection. NO SCRAPS! NO WASTE!

## SCHOOLS TRIATHLON 2022

Congratulations to all participants in the School Sports Triathlon on Thursday 24 November. We had a record number of over 70 students from Grade 3 - 6 participate this year with Mr Vedovelli already setting a challenge of 100 participants for 2023. Prior to the event, students chose if they wanted to compete in the triathlon as a relay team or an individual; completing the swim, ride and run on their own – with many opting to do both! The sun came out and an excellent day was had by all, with lots of great performances and sideline support.

## GRADE 1/2 EXCURSION TO KIM ROE “UNDER THE SEA” PANTOMIME

All Grade 1/2 students travelled to the Princess Theatre to see the 32nd annual Christmas pantomime, “Under the Sea”. It was an adaption of the traditional story of “The Little Mermaid” by Hans Christian Anderson and included a special emphasis on the plastic pollution of our seas and waterways. We loved all the costumes and songs and especially the audience participation.

After the pantomime we walked to the City Park and enjoyed a sausage in bread, kindly cooked up by our parent helpers. It was an enjoyable day for everyone including our wonderful parent volunteers.

## TREVALLYN DADS' GROUP

On Friday 25 November the Trevallyn Dads' Group met to take off their shoes and play one of the world's most genteel games; lawn bowls. A gently competitive and highly supportive atmosphere prevailed amongst the sixteen dads of varied bowls experience, from veterans who brought their own equipment to those attempting the revered sport for the first time. Warm conditions, barbequed goods and competitive banter ensured dads were at peak performance. A big thanks to Gordon of the Trevallyn Bowls Club for his generosity and support.
