Term 3

Tuesday 25 July to Friday 29 September

Student Free Day: Monday 24 July

Term 4

Monday 16 October to Thursday 21 December

Student Free Day: Friday 3 November

FROM THE PRINCIPAL

FOND FAREWELLS

Throughout our lives, and throughout our children's lives teachers and educators play a special role in shaping who we are as learners and develop our character, passions, and dreams. This year we farewell two very special educators who have not just been part of the fabric of Trevallyn Primary School, but the threads through time. Mrs Noreen Rapley and Mrs Cathy Sergeant have nurtured Trevallyn Primary School students over many years and contributed to ensuring many children have had positive experiences in their schooling. We wish you all the very best in retirement and thank you both so very deeply, as your impact has been immeasurable.

As 2022 is coming to conclusion, it is time to say goodbye to some of our teachers who are moving on to other schools. Firstly, I would like to acknowledge especially Mrs Jillian Bransden and Mrs Rachel Ferrall. You have shaped and been there for almost a generation of Trevallyn Primary School children. Words cannot describe the impact on our community over the years, and I am sure every child you have taught has a fond memory of you and your influence on their education. Thank you and all the very best at your new schools. We also farewell Mrs Emma Bolzonello and Miss Liv Meallin who have been successful in transferring to new schools, we are so grateful for the time you have given Trevallyn and we wish you and your families all the very best in the future.

The end of each year signifies the end of an era for some of our Trevallyn Primary School families. I would like to wish all families who are moving on, all the very best in the future. Stay connected, as you are forever part of the fabric that makes our magnificent community.

CLASS PLACEMENTS 2023

Over Term 3 and Term 4 we met with parents and worked with students, teachers, and support staff to make the best possible placements for 2023. This is extremely complex work using a range of information including class history, friendships, working relationships, social and emotional behaviour, and student voice. In 2023 we continue to keep class sizes on the smaller side to allow teachers and students tighter connections, ensure adjustments are in place, additional opportunities to provide feedback to students and time for high quality interaction between students and teachers and students with students.

CHRISTMAS ON THE HILL

A huge thank you to Dave, Alena, Lisa, and all our members of the School Association who went above and beyond to put on "Christmas on the hill". This year the School Association has worked tirelessly to ensure the Trevallyn Primary School Community has positive experiences that connects us to each other and most importantly experiences that connect our students to learning. "Christmas on the hill" was created to enable our families to see our students perform and connect us all together. What a celebration of our community! Thank you for being a part of this special event.

FROM THE PRINCIPAL

A TRIBUTE TO OUR YEAR 6 STUDENTS

Grade 6, as graduands of Trevallyn Primary School you have left your legacy, your mark on this year, 2022. You are forever engrained in the makeup of our school community and our rich history that is the story of Trevallyn. As you continue your journey, I want to share with you, your legacy:

Loyalty – Each of you have a deep loyalty to each other, friends, classmates, and other students across the school. You have always had “each other’s backs”. This trait is something to carry with you, look out for your friends, ensure you are always safe and make the smart choices (as much as you can).

Kindness – Your hearts are kind! In a world of quick clicks and ease to walk by, you opted for checking in, including, and speaking up for others. Throughout this year especially, we saw you run lap after lap of the cross country, play in the prep area, teach frisbee games to ensure our younger students and peers had a positive experience. We saw you include your classmates when they were down and out, and when it mattered most, you spoke up.

Joyful – You have always found joy in each other and the moments when it was needed. While we didn’t always find the humour in the same moments, you have always lightened the more serious points in time with your wit, and joy for being just you.

Smart – Boy are you smart! Much smarter than you believe. You have been committed to deep learning and it has been extraordinary in the way you have been curious about the world, asked the harder questions and kept us on our toes more often than we would like to admit.

You leave us with your legacy - HOPE. It is said that we need hope like we need air. You have inspired hope in us as a school, as educators and as a community we have learnt from you. You demanded agency and a belief in yourselves, and we are a better school for it. You are truly a remarkable group of young people, and we all wish you the very best for high school and beyond.

Merry Christmas, have a safe and happy holiday and see you in 2023.

Thanks Trevallyn!

Louise Corrigan
Principal
