### FROM THE PRINCIPAL

#### LOOK OUT FOR ALL OUR CURIOUS LEARNERS!

This term our whole school Inquiry Lens is focused on investigating the systems that govern physical phenomena in both the natural and built environment. Our students will become more aware of how science can help us explain the way the world works and the impact of science and technology on our lives. As students work through scientific problem solving, experimenting, and gathering data, they become aware of the powerful role that design, technology and scientific thinking have in the world. This lens also promotes the processes used to innovate, create, make and evaluate. (2015, Kath Murdoch).

#### HAVE YOU NOTICED THE SIGNS ON OUR GATES?

We love our school environment and the access our children have to the bush playground, each other's classrooms, the library and we especially love it when children pop into the front office and share their learning. We love taking new families around the school and share our amazing environment and how we use it every day in our learning and play.

To keep our children safe always, we have gates at the front of the school and at the back. We know that you need to drop things off or pick your children up from time to time. We ask you to always remember to close the gates behind you. Thank you.

## FROM THE PRINCIPAL..

### CONGRATULATIONS

To all our students who have made great contributions across our community. 3/4 a'Court have been busy making breakfast for our whole school this week. They wanted to give something back to their community and support their peers in having a great start to the day. Well done!

Our School Captains, leaders and many students represented Trevallyn Primary School in the annual Launceston City ANZAC Day March. It was wonderful to hear all the stories of family and loved ones connected to this special day.

### HOW DO I VOLUNTEER?

I am glad you asked! If you would like to volunteer at School, you will need to ensure you have a current Working with Vulnerable People registration.

As you know the Department of Education, Children and Young People is committed to keeping our children safe. If you haven't had the chance yet, please check out the website:

<https://www.decyp.tas.gov.au/children/safeguarding-children/>

Last year we ran workshops to support our Volunteers. We will run this again this term. These workshops include knowing requirements of being on DECYP sites, working in classrooms, canteen volunteering, uniform shop and Safeguarding Children. It will be important for all our volunteers to have access to this information and as such will run multiple sessions at multiple times so everyone can join in.

### PLEASE MAKE SURE YOU CONTACT THE FRONT OFFICE

If you are keeping your child home, please send a message via School-Zine, or [trevallyn.primary@decyp.tas.gov.au](mailto:trevallyn.primary@decyp.tas.gov.au) , or call the front office by **9:15am**. Knowing who is at school and who is home is so very important. As you know we take children's safety so incredibly seriously and we want to be able to communicate with you in a timely matter if your child is away.

Thanks Trevallyn!

## ANZAC DAY

On Tuesday the 25<sup>th</sup> of April, students from Trevallyn Primary and other schools gathered in Launceston to commemorate Anzac Day. We commenced by walking through town as part of the parade, then the school captains placed a wreath at the cenotaph.

On that day, many of our students were wearing Service Medals or Replicas. Including me. I was wearing 5 medals in honour of my Great Grandpa, Par George, who was a soldier in World War II in 1939.

These medals mean a lot to me, as they declare the great sacrifice the soldiers including my great grandpa had made for the safety of our country. It was an honour to wear them on this significant day.

We will remember them.

## I-2 OLIVER/CERECKE ANZAC POPPIES

I-2 Oliver/Cerecke used a collection loose parts to create a collage of an ANZAC poppy. Not one poppy was the same. The students were all so creative and imaginative with their different designs.

## MOVIE NIGHT

The School Association Committee held a movie night at Riverside High School on 5 April where almost 50 families came together to watch *The Bad Guys* on the big screen and celebrate the end of term together. The event raised approximately \$450 that will be used to support the school and future School Association events.

Thanks to everyone who came and enjoyed the movie and to the local business *Dinner and a Movie* who very kindly donated their time and equipment for the night.

# READING

# CLUB

Did you know reading with children is one of the most important things we can do to support their development?

Trevallyn Primary School Association is trialling a reading club for Grade 1 – 2 students between 8.30am and 9am before school.

This is open to all members of our school community, so if you can volunteer one or two mornings a week and have Working with Vulnerable People registration we'd love to hear from you.

Please contact Ben Marquis on 0428 138 586 or [ben.marquis@stategrowth.tas.gov.au](mailto:ben.marquis@stategrowth.tas.gov.au) by 12 May for more information

# Mother's Day Stall

11 & 12 May

This year the Mother's Day Stall is aspiring to offer a small range of gifts that are plastic free, second hand, home made, biodegradable and locally sourced.

Gifts are priced from \$2 - \$5 and supports students to independently and thoughtfully purchase a gift for someone special in their lives.

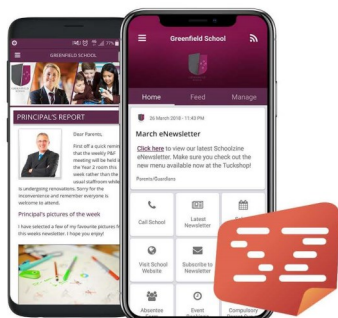

All money raised is used to support our school and students.

If you would like to donate or volunteer please contact Lucia on 0422 762 850
