### FROM THE PRINCIPAL

#### WHAT A FORTNIGHT!

A huge thank you to Mr Vedovelli, the administration team and all the teachers who enabled a wonderful two weeks of swimming. Water safety and learning to swim are such important skills for all of us to have. Students have taken on the challenge of conquering fears, problem solving situations and engaging wholeheartedly in their lessons. We are incredibly proud of our students for taking on these challenges and look forward to them showing off their skills later in the year.

Speaking of carnivals... Just a reminder that our Cross Country is next Wednesday. We look forward to seeing all our students showcasing their long-distance running. We know you love to come and support our students and have arranged a spectators' area. We also know you would like to be closer to the action, unfortunately for the reasons of supervision, duty of care, and everyone's safety we cannot have multiple groups of adults wandering onto the oval. It is especially important that the Cricket Club toilets are left for the students to use, and all adults use the adult facilities in the school office.

Don't forget when you come to support your child to sign in. There will be sign in tables at the top gate and near the Cricket Club. Thank you for supporting this, it helps us ensure a great day for the students.

### IS IT IN YOUR DIARY?

The School Association is meeting Thursday 25 May. The focus of the meeting is on learning about the School Improvement Focus – Learner Agency (with a little information about Safeguarding Children) as well as planning our up-and-coming events including (but not limited to):

- Bonfire Night (Week 7)
- Dance Party (Week 10)
- Reading Mornings (Starting soon)

A huge shout out to all our parents who have been volunteering in our canteen. We have had a great response and enthusiasm. It's an old cliché but it's a goodie! "Many hands make light work". In the next few weeks, we will be launching our "Mums, Dads and Friends Reading Mornings", initiated by the Fathering Project Dads group. Ms Stevenson and Ms Hudson are working hard behind the scenes to prepare here at school. Again, this is a great opportunity to participate in and support our children's learning. If you haven't had the chance, sign up!

### TECHNOLOGY IS EVOLVING MORE QUICKLY THAN WE CAN KEEP UP WITH

Our children and young people are using and are more competent with technology. They are digitally savvy and, in many ways, more advanced than many of us. BUT... They still need us!

Recently I sent a letter to our Year 5 and Year 6 families. Navigating how our children use technology can feel overwhelming and there is so much information it's hard to know where to start. We want to trust our children and that is a good thing, it is also important to give them the skills to manage the dangers and negative impacts of device use.

Please check out this article from "raisingchildren.net.au" on healthy relationships with screen time and digital technology: <https://raisingchildren.net.au/grown-ups/family-life/media-technology/family-technology-use>

### HAVE YOU MET JESS IN THE FRONT OFFICE YET?

If you are keeping your child home, please send a message via School-Zine, or [trevallyn.primary@decyp.tas.gov.au](mailto:trevallyn.primary@decyp.tas.gov.au), or call the front office by **9:15am**. Knowing who is at school and who is home is so very important. As you know we take children's safety so incredibly seriously and we want to be able to communicate with you in a timely matter if your child is away.

Don't forget to say "Hello" to Jess and welcome her to the Trevallyn family.

### YOU WOULD NEVER CROSS THE ROAD WITHOUT TONY?

We need all parents to model and cross the road at the crossing. This is always so important, especially at drop off and pick up. Also, we need the drop and go to keep moving. Please ensure that you move up as far as you can go and never leave your car.

It's the little things that matter, if we all work together we can all ensure we keep our children safe.

Thanks Trevallyn!

## ILLUMINATE LEADERSHIP WORKSHOP

On Friday 28 April, all Grade 6 students participated in an intensive leadership workshop facilitated by Illuminate Education.

We looked at:

- What makes a great leader
- Qualities of an awesome team
- Exploring our skills
- Public Speaking
- How to prepare a pitch.

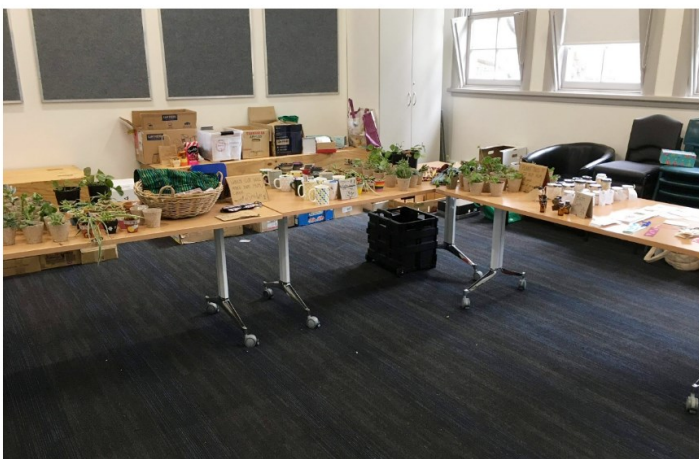

It was great to understand leadership and hone in on the individual skills we all bring to leadership as well as recognising areas for growth. The day involved much collaboration and ended in groups sharing a pitch and growth plan for an area of leadership they wish to further develop at Trevallyn. Ms Corrigan, members from School Association and the Grade 5s all attended the pitches and now we are looking forward to acting on our ideas throughout the year.
