#### AND WE'RE BACK!

This week our Year 5/6 students have participated in our first public speaking competition run by the Lions Club. I was absolutely blown away with the skills all our students displayed. They were confident as they showcased their expertise of wacky records and in the way they engaged and connected with their audience. The calibre was TED-worthy, and all students and teachers should be very, very proud of their efforts, courage and excellence.

School Association is as busy as ever! A huge shout out to our wonderful committee who are working tirelessly behind the scenes to ensure we have:

- School Dance Parties
- Trivia Night fundraisers
- Fathers' Day stalls
- Dads' group gatherings
- Supporting Reader Leaders mornings
- Our wonderful Canteen and Uniform shops

As always, we are on the lookout for volunteers; these events and services cannot continue with just a few. If you are interested in supporting our Canteen, even as little as once a month or (we would love) more regularly, please contact Mel Payne via the front office. Throughout Term 2, we had great enthusiasm for supporting our Reader Leaders with up to 20 volunteers attending the Volunteer Workshops. If you are one of these volunteers... THANK YOU! Please contact Rhona Stevenson at school so we can organise your induction and roster.

**WE NEED YOU!**

### WHAT ARE THE TEACHERS UP TO?

On our professional learning day, teachers took a deep dive into 3 key areas of school improvement for 2023. Learner Agency through the Berry Street Education Model, a focus on progressing learning through Professional Learning Teams and using Data effectively through GradeXpert were explored through workshops.

#### What is the Berry Street Education Model?

“The five domains of the Berry Street Education Model correspond with developmental pathways each student must master in order to be ‘ready to learn’. The first focus is building their capacity to manage the learning ready skills and then nurturing student willingness to engage:

**Body:** Building students’ capacity by increasing physical regulation of the stress response, de-escalation and focus.

**Relationship:** Nurturing on-task learning through relational classroom management strategies.

**Stamina:** Creating a culture of academic persistence by nurturing resilience, emotional intelligence and a growth mindset.

**Engagement:** Motivating students with strategies that increase their willingness to learn.

**Character:** Harnessing a values and character strengths approach to instil students’ self-knowledge for future pathways.”

<https://www.berrystreet.org.au/learning-and-resources/berry-street-education-model>

As a school community, we have committed to develop a Whole School Approach for the Wellbeing for Learning Framework.

Our aim is for:

ALL Learners to

- Use the language and strategies from the Zones of Regulation
- Use strategies for ready for learning or ready for a challenge through Growth Mindset

ALL Teachers to

- Reintroduce/teach the language of Zones of Regulation
- Engage with DECYP Wellbeing for Learning Strategy
- Develop understanding of Berry Street Education Model through shared professional learning including Welcome Circles, Ready to Learn plans and Growth Mindset

Ask your children how they have used the Zones today? What helps them to be ‘ready for learning’ or in the green zone?

### IT’S NEVER TOO EARLY TO START THINKING ABOUT 2024

We know it’s a little early and we wanted to give you a heads up. Trevallyn has a very clear process that honours the expertise and professionalism of teachers, learners’ agency and opportunities for families to share new information.

We are starting to plan for 2024. We know that most families have stayed very connected to their classroom teachers. Teachers play an active role in placing students for the following year, through working closely with you and your children. They have a wealth of knowledge to support these decisions and will work with children to [identify peers](#).

Throughout the year we know families invest in lots of outside support for children. If you have accessed an integrated service and have new reports and would like to discuss these or 2024 with me, please make an appointment through the front office.

Firstly, we need to know from you!

We know there are some families that will be moving on from Trevallyn. If you are planning to move interstate or to another school, we really need to hear from you. Please email [trevallyn.primary@decyp.tas.gov.au](mailto:trevallyn.primary@decyp.tas.gov.au) as soon as possible to let us know your plans.

## FROM THE PRINCIPAL..

### TWO SAFETY MESSAGES

1. It is so important for students to arrive after 8:30am, this is when we have our staff on Duty of Care.
2. Never use student toilets. If you need to use facilities, please come to the front office. No adult should be in student toilets at any time. It is also very important to respect the spaces utilised by ABACUS. They provide an essential service to our school. The primary playground, bottom basketball court, multipurpose area and quadrangle should be available to them exclusively from 3:15pm every day.

Thanks!

### SCHOOL ASSOCIATION

Term 2 was a very busy one for your School Association Committee.

Last term we focused on planning the events for the rest of the year, working with the school on activities such as the Morning Reading Program, Illuminate Leadership Workshop, National Walk to School Day and applying for grants for learning resources. We've also worked with DECYP on approvals to continue operating the Uniform Shop and Canteen. As well as meeting committees from other schools and TASSO (the peak body) to build stronger school communities.

At our last meeting Lucia and Camille introduced the Move Well Eat Well (MWEW) programme that the Committee is leading the introduction of at Trevallyn. MWEW is a Tasmanian Government initiative that supports the healthy development of children and young people by promoting physical activity and healthy eating as a normal positive part of every day. We will have more information on this in the coming months.

We also had our first Dads' Group event of the year, with a bonfire night in the Trevallyn Recreation and Nature Reserve. Around sixty dads and children had a great night around the fire enjoying each other's company, a BBQ and s'mores and it was fantastic to see so many new dads to the school join us for the evening.

The recent dance party was also a hit and it was fantastic to see so many families there for a fun night of dancing, games and celebrating the end of term.

Other events planned for 2023 are:

#### **Term Three**

- Trivia Night (Adults only) – Saturday 12 August
- Dads' Group (Dads and kids) – Date and Activity TBC
- Father's Day Stall – Week 6
- Colour Run – Date TBC

#### **Term Four**

- Dads' Group (Dads' only event) – Week 7
- Christmas Carols – 20 December

Our next meeting is 31 August at 6.30pm in the staff room and all members of the school community are welcome to attend. If you would like to come along, please email us at [tps.association@outlook.com.au](mailto:tps.association@outlook.com.au) to RSVP.

## YOUNG ARCHIES ART COMPETITION 2023

Based on the Archibald competition, the Young Archies is a portrait competition. Students can choose to sketch or paint a portrait of someone known personally to them.

We had some creative and detailed entries this year.

Voting resulted in these winners from the Grade 3-4 and Grade 5-6 sectors. These are now entered in the State-wide competition. These will be in a virtual exhibition on the Young Archies Awards webpage from Monday 4 September.

Congratulations to all our artists! We look forward to seeing your work online.

## BASKETBALL TOURNAMENT

We are beginning to prepare for the Regional Primary School Basketball Tournaments over the weekends of 28 - 29 October for Grade 5/6 students and 11 - 12 November for Grade 3/4 students.

An opportunity to participate in this tournament is open to all students from Grades 3 to 6 regardless of experience or ability. The focus of the tournament is on participation, good sportsmanship and fun. Students will be placed into teams according to their experience. There are 6 categories: 3/4 boys and girls Division A, B and C and 5/6 boys and girls, Division A, B and C.

Games will be held at various times over each weekend and students will require supervision during and transport to and from the games. This **may** require more than one trip each day. Games can/will be played at the Silverdome, St Patricks College, Newstead College, and Elphin Sports Centre. This information will be confirmed when the roster is released and shared with players approximately one week before the event.

## NAIDOC WEEK - GRATITUDE FOR COUNTRY

For NAIDOC Week we celebrated the theme, For Our Elders. We recognised how they have modelled and shared stories on the importance of connecting to and caring for Country. We value their legacy and wish to show respect and gratitude for Country as they have done for many years. We learned of the Dreamtime story of the Mimis. The Mimis are spirits that come out at night to tend to and tidy the land.

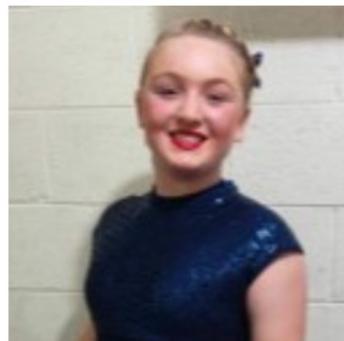

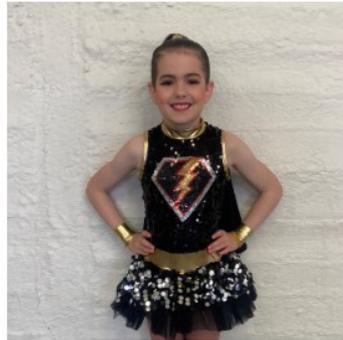

We carefully selected twigs, bark or leaves found in the bush and painted them. We later identified areas in the bush we felt needed to be treated with more care. We discovered some big holes that had been dug out with sticks that were disrupting the plants roots systems, trees where bark had been removed and dead tree trunks that had been damaged. We also collected rubbish and put it in the bin.

We hope others had the opportunity to spot the Mimi's and identify better ways we can care for Country and our school.

## LAUNCESTON DANCE COMPETITIONS

Congratulations to all the Trevallyn students who participated in the recent Launceston Dance Competitions held at the Princess Theatre during the first week of the school holidays. There were many amazing performances and the students are to be congratulated for all the time and effort they dedicate to prepare for these competitions. The commitment and energy of these dancers is something to be admired. All students are to be congratulated on their outstanding effort and for shining on stage!

**TREE PLANTING**

After attending the Climate Leaders Conference, one of our Student Leadership groups have been working on a project to bump up our bush. They received some native seedlings for Schools Tree Day and invited students from each class to help plant them. Each group created a small sign and received an information page to go with their plant, We hope that this will inspire students to help care for our bush playground now and into the future.

## LAUNCHING INTO LEARNING - TERM 3 CALENDAR

Please find below the outline of LiL sessions for Term 3. We are continuing to hold 2 sessions each Friday. Session 1 is the preferred time for children who will be attending Kindergarten in 2024. ## BOOK WEEK

The lead-up to Book Week is always an exciting time at school. There will be lots of reading and art activities happening. Students can add the shortlisted books to their Premier's Reading Challenge logs, even if they have had the book read TO them in class or in the library.

The dress-up parade is always a highlight of Book Week. This will happen in Week 5 (during Book Week). More information to follow.

Here is the shortlist for 2023.

## STAY AT HOME IF UNWELL

Protect others by keeping your child home if they're unwell. This includes if they have any cold or flu-like symptoms.

If you're concerned about your child's symptoms:

- Contact your usual GP/medical practitioner
- Call HealthDirect to speak to a Registered Nurse 24/7 on 1800 022 222. They can provide advice when you're not sure what to do and may arrange for a call back from a GP.

Visit [www.tasafterhours.com](http://www.tasafterhours.com) to find medical options near you available on evenings, weekends and public holidays, including afterhours GPs, walk-in clinics and pharmacies.

A poster for 'DRIVE SLOWLY NEAR SCHOOLS &amp; BUSES'. The text 'DRIVE SLOWLY' is in large orange letters, and 'NEAR SCHOOLS &amp; BUSES' is in smaller orange letters below it. Below the text, it says 'Slow down and drive under the speed limit'. There are four bullet points: 'Love 40 - 40 km/h in school zones and around school buses', 'Give extra space in wet weather', 'Be ready to stop', and 'Always be alert for children'. There is an illustration of a 40 km/h speed limit sign, a stop sign, and a person in a white hard hat and orange safety vest. At the bottom, there are logos for 'Tasmanian Government' and 'ROAD SAFETY ADVISORY COUNCIL TOWARDS ZERO'.
