TERM DATES 2023

Term 4

Monday 16 October to Thursday 21 December

Our Volunteers

2023 should be known as 'The Year of Appreciation'.

Our school community is known nationally for the contributions we make to our wider community. The 'Be Brave and Shave' is our big signature event for making a difference to others. Over the years, we have raised nearly \$180 000, that's ONE HUNDRED AND EIGHTY THOUSAND DOLLARS. Amazing! We love the propensity for giving.

Our School Association members are invaluable to our community. The events and activities held year-in, year-out are organised by a small group of committed volunteers. Our students have benefited greatly from this work - and so have we, the adult community members of Trevallyn. The focus on connection, excellence and community is second to none. Our School Association is held as one of the best organisations in the State. To all our committee members, volunteers in the canteen and the uniform shop - Thank you. To all our volunteers for our fundraisers, event, excursions and morning reading.

Thank you.

FROM THE PRINCIPAL..

BUT... we are in danger of relying on a few people. We have been calling for volunteers all year and we still need your support. We know families have many commitments (including work). If you have a spare hour or two a fortnight, we ask you to put your hand up. You may have noticed we had to reduce the canteen menu? This is because we cannot sustain the wonderful variety of homemade food without volunteers. We also have our major community event coming up, Christmas on the Hill.

Let me save you some time. If you can give an hour or two, please copy and paste the following email so that we can have an abundance of volunteers for the last run to the end of the year.

The importance of connection

Our community is so special and represents the true essence of “it takes a village”. A “how are you?”, “it’s great to see you” goes a long way.

Take care and thanks Trevallyn!

PARAMEDICS VISIT

On Tuesday 21 November the Kinder and Prep students were very excited as to have visit from Jade, Rob and Andrew who are Paramedics. They talked to the children about how they connect with and help our community. The children were able to see the equipment and look through an ambulance. Of course they were fascinated by the flashing lights and loud sirens. Thank you Jade, Rob and Andrew for helping as find out more about people who help in our community.

BASKETBALL TOURNAMENT

Congratulations to all Grade 3-4 and 5-6 students for their outstanding participation in the basketball tournaments. It was amazing to see students competing hard and developing their teamwork throughout the tournament. We would like to thank all families for supporting students to participate. We received some great feedback from other parents and coaches about the way our students represented themselves with great sportsmanship and respect. Well done to everyone involved! A special thanks to all the coaches for giving up their time and making both weekends such a huge success. We are looking forward to having even more teams enter next year, it is always a great weekend for our students and families!

BASKETBALL TOURNAMENT

LSSSA SWIMMING

On Friday 10 November our Grade 5-6 Swimming team travelled to the Riverside Pool to compete in the Division I LSSSA swimming carnival. It was a closely contested carnival with our students showcasing their outstanding swimming in many races across the day! A special mention to the Grade 5 boys who managed to win all 4 races in the Freestyle, along with Charlie and Flynn first across the line in all of their swimming races- an amazing achievement. We managed 4th place on the day, only 2 points behind Riverside and 20 points behind Punchbowl. Congratulations to East Launceston for taking out the carnival with some outstanding results. Well done to all students involved; they did such an amazing job supporting everyone and swimming their best. They should all be very proud.

GRADE 6 LEAVERS' SHIRTS

It has been an exciting couple of weeks for our Grade 6 leavers, with the arrival of their shirts. This was the first year students designed their own through a new design and voting process. We think they look fab! This is just the beginning of the exciting end of year activities for Grade 6.
