We are committed to ensuring our students are set up for success and are safe and happy learners. A HUGE thank you to Miss Sandy, Mrs O'Sign and Miss Jess who are our front office team and to Danielle, Darren, Ethan and all our EFA staff. Everyone has been working around the clock to ensure our school is well-prepared for this extraordinary start.

A very special welcome to all our Kindergarten and new families. We are looking forward to working with you.

### What do teachers actually do when you're not at school?

Trevallyn teachers and educators have been sneaking up to classrooms in their holidays to prepare and get us ready for learning. The learning environments this year reflect a strong focus on what works best for our learners to be safe, happy and learning. Last week, our teachers collaborated and planned for the beginning of the school year. A big focus at Trevallyn has been engaging our students and learner agency through Inquiry. How can we challenge our good readers to be great writers through Inquiry?

#### INQUIRY THIS TERM:

**Prep** – What does it mean to be unique? What is special about me?

**Years 1/2** – How do family and community contribute to our lives? How do we change materials without changing their physical composition?

**Years 3/4** – Individuals participate in a community and follow rules, how does this contribute to identity and belonging? Living things depend on the environment to survive.

**Years 5/6** – The arrangement of solids, liquids and gases relate to their properties. Reversible and irreversible changes can alter different substances. How do changes in physical conditions affect living things and how does the form and behaviour of living things enable survival?

As you can see, there will be a lot of curiosity for Science, History and Civics and Citizenship across our school. Students will explore these ideas and make links to reading and writing skills. Through the students' inquiry they will discover they already have tools within themselves to be SELF-MANAGERS, COMMUNICATORS, COLLABORATORS, THINKERS, CONTRIBUTORS AND RESEARCHERS. When you are dropping off in the morning, please have a look at our Inquiry Displays, many are outside our classrooms so you will be able to see students thinking and learning throughout the term.

### We know that you know this...

You will have received a letter from your classroom teacher, however, here are a couple of reminders (repeated):

#### Before and after school

- Duty of care begins at 8:30am. Students should not arrive before this time
- If arrival is after 9:00am please sign in at the front office
- We encourage 'drop and go' outside the classroom buildings to allow all students and staff to get ready for learning every day
- Please be mindful of pick up after school
  - KINDER – Outdoor area outside your child's classroom
  - PREP – 2 – Please refer to your child's class letter
  - 3-6 please arrange with your child

**\* After school care has exclusive use of the 3-6 playground and basketball courts. Please ensure these areas are vacated as soon as possible\***
