NOT FROM THE PRINCIPAL

Over the past few weeks, we have seen our Year 6 students take opportunities to support and showcase their true leadership across our community.

A big shout out to Drew, Kitty, Lilah and Griff who took the reins to take the Honourable Jo Palmer, Minister for Education, on the world's best school tour.

Lilah and Drew represented the student body at last week's School Association meeting. Here is a summary from the report our Captains presented:

Recent and Upcoming Events

Anzac Day March

On the 25 April lots of students came to the Anzac Day March. Our school was so proud with the number of younger students who came to remember these brave people. We will remember them.

Swimming and Water Safety Program

Year 3-5 students went to swimming every day for 2 weeks and improved dramatically. They all had fun and worked hard earning a fun play in the water playground at the end of the 2 weeks. Thank you to the swimming teachers that helped everyone improve. We appreciate you.

Mother's Day Stall

The Mother's Day stall is always full of special gifts for your loved one but this year had some new gifts that everyone loved. There was new variety like beautiful keychains and the volunteers made the experience easy and explained everything perfectly.

State Athletics

Many students went to State Athletics this year. We are so proud of their efforts.

The Great Book Swap

On Thursday May 30, we held the Great Book Swap. From Monday to Thursday Trevallyn students brought books and or a gold coin donation to swap. Once we had collected all the books, the students were given a voucher for every 5 books they brought in. An example would be if I brought in 25 books I would get 5 vouchers. If you also brought in a gold coin donation you were able to get an extra book when your class came. Many, many books were swapped and appreciated by everybody which was great to see. All donations will be given to the Aboriginal and Torres Strait Islanders Literacy Foundation, all left over books will be donated to Lifeline Tasmania. It was an honour to see all those happy faces picking a new book or books with their vouchers. The Great Book Swap was a success in 2024!!

Cross Country

May 22, all students from Kinder to Year 6 ran the Cross Country. It was great to see everyone giving it their all and finishing tired. All the Kinder had such determination and were finishing their race with a big smile. Everyone was enjoying themselves, yelling their house chants like there was “no tomorrow”. The LSSSA Cross Country team competed Thursday. We know they represented Trevallyn with courage and sportsmanship!!

Futsal Tournament

Last Wednesday, 2 teams from our school competed in the Futsal Tournament. It was so much fun with lots of cheering and hard work. Well done to the two teams that competed and represented our school.

Illuminate

This week on Tuesday June 4, and Wednesday 5, all Year 6 students worked with Jessi from Illuminate. Jessi shared and workshopped deeper understandings into leadership and supported us to plan projects across our school. We examined our School Improvement Plan, asked Ms Corrigan and Ms Hudson the hard questions about how we can have voice and agency with our learning and community. Using this information we have come up with three key ideas:

1. Rejuvenating our garden and creating an edible native garden
2. Passion subjects including rock band live gigs
3. Community volunteering – reading in the local libraries and visiting senior citizens

3-4 AUTHOR VISIT

Our Year 3-4s were very lucky this week to be visited by the exceptionally talented author and illustrator Christina Booth. Launceston-born Christina has published eight, and illustrated over 20 books, including the award-winning *Kip* and *Welcome Home*. She shared her insights into story-telling and amazed us with her imagination and creative skills. Her visit was an inspiration.

School Garden Working Bee

10am - 1pm, Sunday 16 June

The School Association is holding a working bee to start redeveloping the school garden.

We'll be dismantling the existing garden beds and compost bins, and sowing winter green manure crops into the lower garden beds.

1-2 REID/STEVENSON

This term in 1-2 Reid/Stevenson our Inquiry has been focusing on the amazing journey our food takes to get to our plate. The journey of most foods begins on some kind of farm. A glass of milk, a hamburger, an apple, a loaf of bread and other foods that we eat throughout the day went on a journey to travel from the farm all the way to our plate.

In class, we have enjoyed watching clips from 'George the Farmer' to learn more about the amazing journey our food takes. We then worked in small groups to research and create a flow chart about a particular food to explain the journey that it goes on to reach our plate. Here are some examples of our work.

SCHOOL ASSOCIATION

It's been another busy, and fantastic start to the school year for your School Association Committee. Events held so far include the Open Classrooms BBQ, State Election fundraiser, Brixhibition, National Walk Safely to School Day and the Mother's Day Stall.

Later in Term 2 we are looking forward to the Dance Party and Trivia Night, while in Term 3 we are planning a Family Bonfire Night, Father's Day Stall and Colour Run.

Thank you to Toni Earl and our amazing volunteers for their work on this year's Mother's Day Stall. Feedback from our school community has been incredibly positive about the event which raised over \$1,400.

At our meeting on 30 May we voted to endorse the new school values, received an update from the Principal on the School Improvement Plan and heard from Student Leaders about their amazing work.

In addition, we approved funding for:

- Upgrades to the School Garden
- Year 5 and 6 leadership workshops
- Electrical work and signage in the Uniform Shop
- A new marquee and PA system for sporting events
- New tops for students representing Trevallyn at LSSSA events
- A laptop for the committee.

Our next meeting is at 6.30pm, 27 June in the Staff Room. We'd love for you to join us and contribute to our school community.

Trevallyn Primary School Association 2025 COMMITTEE

Are you passionate about your school community?

After three amazing years, it's time for us to pass the committee on to the next group of community leaders!

The School Association Committee will have vacancies in the following roles for 2025, and we'd love to hear from people interested in taking up a position.

You'll receive a full handover and ongoing support, as well as the opportunity to learn from us throughout this year.

The most important skills needed are enthusiasm, a strong sense of community and a desire to maintain a collaborative culture of community engagement and improving outcomes for our learners.

Upcoming Vacancies

Chairperson and Deputy Chairperson

Experience in governance, leadership and interpreting legislation and policy

Secretary

High level organisational, IT and administrative skills

Treasurer

Must have a book-keeping or accounting background and, preferably, experience with Xero.

Please email tps.association@outlook.com.au for more information

Autumn Poems from 1-2 RS

I see crab apples that fell off the trees.
I hear air running through the trees.
I feel the crunching leaves on the ground.
I smell the sweet smell of the leaves in the park.

By Elliot

I see little falling leaves.
I hear leaves crunching under my feet.
I feel fresh air all over me.
I smell wet leaves on my hands.

Max D

I see colourful leaves on the soft wood chips.
I hear leaves falling down from the trees.
I feel the wind gathering around my body.
I smell salty leaves while collecting the leaves.
