FROM THE PRINCIPAL What a fortnight!!!

Long day excursion to Hobart, Parent Teacher Evenings, End of Term Assemblies, School Association, Dance party, Trivia Night, Can Drive and visiting speaker Susan McLean Combined Schools Parent Evening and Student Talks.

A huge thank you to the School Association Committee and volunteers. The Dance Party was a hit! I had many highlights... older students dancing with younger students, modelling how to have fun and showcasing their moves, my favourite moment was at the end when all students were sitting on the stage singing (kind of) together. It was a real moment of connectedness. The Trivia Night was sensational! Everyone who attended had an absolutely fantastic night. Trevallyn Staff, we will start our training for 2025, I feel it's going to be a big one!

Susan McLean

Thanks to all the Assistant Principals from Riverside Primary School, West Launceston and our very own Trevallyn sensation, for organising such an amazing event this week. Over 150 parents across our schools attended the Susan McLean's Presentation – Growing Up Online.

If you were not able to attend the evening, please spend time exploring Susan's website and watch her videos. We know that over 60% of our children live in two worlds, the real world and the online world. In Australia the age for accessing social media is 13 years+. I know how vigilant we are at protecting our children and the information, and the wisdom that Susan shares about keeping children safe online is some of the most important tips we can share.

FROM THE PRINCIPAL cont.

Susan's Top Tips:

- **GET** devices out of the bedrooms
- Have a family online contract and **RULES** for use – for school and for socialising
- **KNOW** your child's passwords/ passcodes
- **TALK** early – **TALK** often (my tip is DAILY)
- Use a **FILTER** to limit inappropriate content
- **LOOK** at what they are doing online! Not all screentime is bad and they will be online more
- Learn about the sites and apps they use – **BE THERE** with them
- **USE** all security settings and parent controls
- Only add people that your child **KNOWS** IRL (in real life)
- **KNOW** where your child is online just as IRL

If there is one thing for you to do this school holidays, it is to watch this video series.

Take care

Take care over the holiday break. Enjoy time with your families IRL 😊 and we will see you back next term, 22 July 2024. Remember students should arrive after 8:30am.

Please remember we have major construction onsite over the holidays. If you need to come into school, please check in with the office first. We have our new and exciting covering for the Quadrangle being installed. If you are curious about what it will look like, it is a perfect time to reread TOPICS and you will find it in a previous edition.

Thanks Trevallyn!

Have a wonderful
holiday

3-4 BENDER ARTWORK

Our artwork was inspired by landscape artist *Marina Ester Castaldo*. We used vibrant acrylic paint pens, acrylic paint on brush and watercolour pens to create these abstract masterpieces.

TRIVIA NIGHT

On Saturday 29 June the knowledge of the Trevallyn community was put to the test at the annual School Association trivia night. This year's event also featured a lucky number draw, silent auction, and live cake auction and was an extremely fun night. Over \$4000 was successfully raised for the redevelopment of the school garden. The School Association would like to pass on thanks to the community for supporting the event and a special thanks to Trivia People Tasmania, Harcourts, and the Trevallyn Bowls and Community Club for their support in making the evening a success.

Additional thanks to the generous donors of prizes and auction items for the night:
