Acknowledgement of Country

As a school community we are incredibly proud of our past and who we are today. We the Trevallyn School Community acknowledge the Tasmanian Aboriginal Community as the traditional and continuing custodians of Lutruwita, where Palawa have cared for their children and prepared them for life since the beginning of time.

We honour Elders, past and present. We are committed to ensuring every Aboriginal and Torres Strait Islander child and young person is known, safe, well and learning.

Did you know? Our Year 6 leaders worked and planned their own Inquiry to engage all Trevallyn students into understanding and show curiosity for Aboriginal and Torres Strait culture and help us celebrate NAIDOC week across our school.

"National NAIDOC Week celebrations are held across Australia in the first week of July each year (Sunday to Sunday), to celebrate and recognise the history, culture and achievements of Aboriginal and Torres Strait Islander peoples. NAIDOC Week is an opportunity for all Australians to learn about First Nations cultures and histories and participate in celebrations of the oldest, continuous living cultures on earth."

Speaking of our students and their leadership...

Did you know throughout the year our students come to us with great ideas! So far, we have seen our students organise Downball competitions and this week 5-6 Basketball, class vs class. Early this year, a group of 3/4 students came to us with an idea to run a chess club at lunchtime. This week we engaged with a Tasmanian Chess Coach to run an exhibition and he will support our students to run a Trevallyn Primary School Chess Club. Our club has 65 participants for Term 3.

Each year we celebrate and honour students' voice and support them to make their ideas a reality. We have partnered with ***Illuminate Education Australia***, who worked with us to design and deliver engaging and intensive education experiences that combine design thinking, entrepreneurship, social and ethical understanding, business and personal development for an impactful learning opportunity for our students. This year our students have developed the following projects to lead positive experiences across our school community:

- Revitalising our School Garden
- Passion Subjects
- Indigenous Wellbeing Garden
- Sports Fair
- 'Music Jamming'
- Additional Art' through a volunteer project
- Reducing Rubbish
- Student Volunteer Program

Our teachers and staff will support our students to make their ideas a reality. The students will lead and action their ideas. They will put in the hard work and lead this work over the next two terms.

Did you notice...

Over the holiday break our Outdoor Education Space build was constructed. This space expands the possibilities for learning and connecting across our school. We are especially excited for the potential to open up our assemblies. There is more to come. As part of this project we will be resurfacing with downball courts, a regulation track and chess board

Next holiday break we are looking forward to the outdoor area and playground in the kinder to be rejuvenated.

Don't forget...

- Book week is coming up! The front office is ready and we cannot wait to meet all the characters who have inspired children's reading this year!
- The school day begins at 8:30 am. Please ensure that students arrive after this time as Duty of Care starts at 8:30 am.
- Check out our Breaking News @ Trevallyn every Friday
- Thanks for reading Topics each week

Thanks Trevallyn!
