From The Principal

A warm welcome is extended to Elijah and Asha and their parents as they begin their school experience at Trevallyn Primary School.

Teacher Professional Learning

Last Friday our teachers and Teacher Assistants engaged in a number of rigorous professional learning opportunities which directly impact high quality teaching and learning in our school.

The key focus was moderation. By doing this we make certain that teachers are consistently awarding similar ratings and that student ratings reflect their progress and learning.

The work of teachers at TPS is very impressive and their dedication to students is clearly evident. Our teachers work in teams to plan inspiring work for your child and I congratulate our teaching teams on their work ethic and high motivation.

To date we have not been informed of our Acting Principal whilst I am on Leave. As soon as this communication occurs, I will forward a letter home with the children. My leave begins next Thursday 16 November and extends into Term 1, 2018. I feel very confident that in the upcoming weeks we will finish the year very proud of our 2017 achievements. I look forward to returning to our outstanding school and community in Term 2, 2018. I wish everyone all the very best until then and thank you for all your valued support.

Annette

13-19 November 2017

On Thursday 16 November, some of our students are sharing National Recycling Week projects.

Here are some ways you can get involved.

- ~ Donate your plastic bread bags to Grade 3D for their weaving project
- ~ "Recycled junk" art competition in MPR
- ~ T-shirt to bag activity. Bring a washed t-shirt and our friendly Grade 6 girls will transform it into a library bag.
- ~ Big Aussie Swap day. Bring along a book, game, DVD etc that you are finished with, receive a 'Big Aussie Swap' token and swap it for something else.
- ~ Bring your recycling (not glass) along and classes will use it for some creative masterpieces.

During National Recycling Week (13-17 November), our school will be holding a 'Big Aussie Swap.'

This initiative aims to reduce the amount of waste going to landfill by allowing someone else to reuse it. (It may also reduce the mess in students' bedrooms!)

Items we will be swapping could be books, toys in good condition, board games and DVDs. Students who bring a swap item will receive a token to exchange for another item.

More information is above about this event and other activities.

Do you eat bread at home?

In 3D we are collecting empty plastic bread bags for a recycling art activity in our classroom. If you use these bags we would love to have them!

We will be collecting them in our classroom over the next week.

Please don't throw them away, let's create something beautiful out of landfill.
