Thank You From The School Association

One of my favourite sayings is "It takes a village to raise a child" which means that for healthy, happy children to grow and develop lots of adults are available and willing to help children and each other out.

We are very lucky at Trevallyn to be part of a wonderful village to help support all of our students.

On behalf of the Trevallyn Primary School Association I would like your help to express our gratitude to some of these people today:

To all of the staff of Trevallyn Primary thank you for a wonderful year.

To those who keep our grounds clean and green, the staff in the office who are always on hand to help out with student and parent questions and concerns, who balance the books, send emails, gather forms and patch you all up when you need first aid. We are very thankful.

To the teachers in the leadership group, class teachers and specialty teachers who plan, teach, create, organise and support all of you to grow into the wonderful students that you are we are very grateful. We know that what we see teachers do at school is only a part of the hard work that they all put in to one of the most important jobs there is.

The School Association would also like to thank all of the parents and friends who volunteer their time to support the school, the teachers and the students.

Parents, grandparents and friends who help in class, on excursions, who dig, water gardens, spring clean, cook,

organise stalls, coach sports, run student banking, donate, sell uniforms, arrange bike racks, organise mothers and fathers day breakfasts, carry, set up, order bookclub books, support the canteen, attend community forums, shave heads, BBQ, join meetings, lay pavers, compile grant requests, set up art displays, assist with policy development, help out at Taste, join committees and plant gardens. The school would not be the wonderful place it is without all of you.

On a personal note I would also like to thank the members of the School Association past and present for your creativity, consideration, hard work and passion to represent the families of Trevallyn Primary School. The Association members put in a great deal of time and effort to gather ideas, research and collaborate to create tangible outcomes for our school community. To the parents here today I encourage you to drop into a School Association meeting as an observer, you would be most welcome.

To the Grade Six Leavers the School Association wishes you all the very best. To all families of Trevallyn Primary our best wishes for a happy and safe festive season.

To the students, you may not realise it yet but you are very lucky to be a part of an amazing village, be grateful and proud. Would all students please help me with a big round of applause to thank all of those adults who support you and our school.

Thank you

Deb Mitchell - TPSA Vice-Chairperson

What a wonderfully successful year this has been for Trevallyn Primary School. The School Association feel so privileged to have been a part of it.

As 2017 comes to an end the School Association would like to acknowledge and thank many people who have, over the course of the year, coordinated and ran many areas of the Association.

It's important for us as a school community to remember that without these people putting their hand up and in the majority of cases volunteering their time and energy, we wouldn't have the services they provide.

The School Association continues to raise funds for the Kitchen Garden program. Today, we would like to say goodbye to **Karen Palmer** and thank her for her invaluable leadership with the garden portion of this program. We welcome **Lori Hryczyn** to the role of Garden Coordinator for 2018.

A huge thank you to **Germaine Shirley** for her efforts with Kitchen Garden and also to **Gail Martin**, who will continue in her role next year.

We also bid farewell to our Canteen Manager **Ann Parkinson**. We thank Ann for her service to the school running our busy little school canteen and thank you also to

Jenny and **Rex** for their regular assistance to Ann. Also, the many **Peer Support Leaders** who have also lent a hand during busy times. Thank you to **Brad Millwood** for maintaining the financial side of the canteen.

Thank you to **Michelle Wells, Elissa McKellar, Farrah Wigg** and **Susan Smith** for the huge task of maintaining and running the school uniform shop. The shop has been very successful this year with the introduction of digital payments and we aim to keep on improving.

Thank you to **Davina Lanham** for organising and running the Scholastic Book Club. A fantastic initiative that also supplies our school library with extra resources.

Thank you to **Vanessa Bate** for coordinating and running the school banking program, together with helpers, **Karen Wells, Kitty Roche** and **Caz Saunders**. Helping to teach our kids about the value of saving.

A huge thank you also to the wonderful ladies in the office **Lyn, Nicky, Sarah, Sue** and **Kat** who are always willing to assist with all the many and varied requests directed their way.

We must thank our incredible teachers who not only support our students, but also support and contribute to many areas of the Association. To the teachers we are

Thank You From The School Association continued...

farewelling, on behalf of the Association - thank you all very much for your dedication.

To the numerous helpers at all of our events this year, thank you. It has been a big year with a lot going on. Fundraising projects such as the Mother's and Father's Day Breakfasts, the Bakery Drive, Movie night and of course the Taste of Trevallyn. Thank you to all of the helpers, but in particular special mention must go to **Alicia Curtis, Prue Sutton, Gail Martin, John Mann, Phil Gregory, Ingrid and James Dedman, Joanne Beswick and Sara Manix-Geeves** – without these people many of these events would not have happened and we also wouldn't have been able to support the school in the way we have.

A special thank you to all those families who will be leaving Trevallyn Primary this year. Your support in many ways over the years has been greatly appreciated and we wish you all the best for the future.

There are some families we would like to publically acknowledge for their significant support to not only the school, but the School Association.

To **Becc and Rob Scott, Naomi and Mike Walsh, Carol and John Ransom, Craig Redburn, Jane Redburn, Matt and Germaine Shirley, Tonya and Chris Jacobson, Diane and Glenn Matson, and Christine and Brad Millwood.** Thank you all so much for your amazing contributions to our Association.

To the Gregory Family. Phil, Adrienne, Charlotte and Miranda - Our "Catering Department" Never one to shy away from the big tasks Phil NEVER said "No" - Adrienne however was always charged with the task of reining him in!! To catering at the drop of a hat for 400 or organising a BBQ for 10 - the Gregorys were ever reliable and the SA will be forever in their debt for their assistance. Although true to his style Phil has already put his hand up to run the BBQ at the Taste - not sure if he checked with Adrienne first!

And finally to the **Mitchell Family.** Deb, Kerry, Grace, Olivia, Finn and Mac – For many, many years the school has enjoyed your enthusiasm and drive in so many different aspects. Deb particularly for your commitment to the School Association in many roles, but never failing to deliver on your promises. Your whole family will be missed and we look forward to welcoming you all back at any time.

Importantly, we must give a huge thank you to the whole school community who continually contribute, volunteer and financially support our projects which ultimately make them the success they are and in turn helped to raise this year, approximately \$30,000.

This year the Association has helped to purchase, support and fund many school activities and projects. These include the, Kitchen Garden project, Installation of the NBN, new toys and equipment for Kinder, Grade 6 leavers pavers, awards, t-shirts, dinner, photos along with money for new home readers, library books and the art program.

Thank you to the families, staff and School Association for the food, flowers and the assistance in set up and clean up for the Grade Six Supper. In particular to **Deb Mitchell** and **Joanne Beswick** for the well oiled machine - It was a wonderful way to finish a fabulous Presentation Evening for our Grade sixes.

Also a special thank you to **Tony Mitchell** at Trevallyn Gourmet Bakery for donating the beautiful cake for the seventh year in a row.

Also, a big thank you to **Mike Wright** and the Max Fry Hall Committee. Many times at the drop of hat you have come through to help us out.

And our last, but definitely not least, presentation. Many of you would know my very close friend **Sara Manix-Geeves.** I am not usually stuck for words – but when putting this together words failed me to describe the impact that Sara has had on all of us, as well as our beautiful school.

So I asked around – give me some words that describe Sara. These were the words that came up over and over:

Inclusive, Thoughtful, Child/Student focused, Collaborative, Organised, Genuine, Enthusiastic, Always putting others in front of herself, Strong sense of community both school and wider, Always willing to lend a hand – or an ear, a Leader, Consultative, Respectful, Amazing, a Problem Solver...

And it is for all of these reasons that I am thrilled to announce the School Association are bestowing the honor of Life Membership of the Trevallyn Primary School Association upon Sara in 2017.

We also thank our whole committee, **Brian, Caz, Chris, Deb, Gail, Joanne, Naomi, Nicole, Phil, Annette, Rachel, Jane, Amanda, Ava and Olly.**

As we head into 2018 under a new constitution we look forward to putting to good use our two additional general learning spaces and also to all of your continued support of the Association.

We look forward to the new challenges that 2018 will bring and welcome anyone, anytime for their ideas and input to the School Association.

Ange Shipp - TPSA Treasurer
