Friday 30 March - Tuesday 3 April

Term 2

Monday 30 April - Friday 6 July

Term 3

Tuesday 24 July - Friday 28 September

Term 4

Monday 15 October - Thursday 20 December

FROM THE PRINCIPAL

What enjoyable and successful events the **Mother's Day Breakfast and stall** were. The attendance was wonderful, as were the delicious food and the overall organisation, presentation and general interactions. It is a delight to see proud students with their mums, grandmothers and family members. Sincere thanks to the School Association for their commitment to bringing our community together and providing mums with this opportunity to be thanked and appreciated. The generosity of providing items for sale was also greatly appreciated. The attached photos tell a story of proud and very happy families and a very grateful and fortunate school community.

All the very best to everyone on Tuesday at the Cross Country Carnival. Participation is the key to success of this carnival. May the best house win!

Annette

MOTHER'S DAY BREAKFAST - FRIDAY 11 MAY

Thank you to everyone for the wonderful donations of time and gifts that made the Mother's Day Stall and Mother's Day Breakfast happen! We recognise the energy and goodwill from our community that goes into making these events possible. A special thanks to Nathan at Waratah Pty Ltd for supplying wrapping - We couldn't have wrapped without you! Thanks also to Monica and Ben from Halibut for creating our beautiful breakfast flyers and Brian Dunham from the Riverside Lions Club.

We had over 200 people come along to the breakfast to enjoy time together Friday morning and smiling faces were aplenty. We hope that the presents from the Mother's Day Stall were also able to make any mums and special people smile Sunday morning.

Thanks to everyone who supported these initiatives which raised over \$1,500 for the school.

Kim Beasy - School Association

MOTHER'S DAY BREAKFAST - FRIDAY 11 MAY

PRIMARY CLASS AWARDS - TUESDAY 15 MAY

3-D	Edie B and Annalise S	3-R	Chelsea T and Ashleigh H	3-4-C	Harry B and Gabi C
4-JM	Matilda B and Wesley L	4-R	Lydia B and Eden S		
5-B	Lola M and Rylee W	5-P	Mia V and Ethan E		
6-P	Shani R and Natasha W	6-SR	Neil M and Lucy M		

Congratulations to all the students above.

CROSS COUNTRY GRADES 3 - 6

It is that time again – to get muddy and have fun with running!

Date: Tuesday May 22 2018
Venue: Trevallyn Reserve – Village Green
Who: Grades 3-6

Approximate Program times:

1:15	Grade 3 Girls
1:20	Grade 3 Boys
1:25	Grade 4 Girls
1:30	Grade 4 Boys
1:40	Grade 5 Girls
1:50	Grade 5 Boys
2:00	Grade 6 Girls
2:10	Grade 6 Boys

What you can do to support your child:

- Engage in runs around your local area.
- Head up to the Village Green to have a look at the area.
- Discuss with your child race strategies – ie: group starts, steady pace, power walk the hills if required.

LSSSA Selection for grades 3-6

As we are in division A for the LSSSA Cross Country Carnival, we are eligible to run 7 runners in each event. The selection will be the first 7 students crossing the finish line at our carnival.

If you hold a current Working with Vulnerable People Card and are able to support with the finish line or supporting as a marshal on the course, please let me know via Email: bradley.ralph@education.tas.gov.au, or by contacting the school.

BASKETBALL CLINIC - 10 MAY

Last Thursday May 10, Grades 3, 4 and 5 students took part in a basketball clinic. This clinic was led by the Bellamy's Launceston Tornadoes, our local female basketball team. We were lucky enough to have two players, Jayde Brazendale, Paige French and also the Head Coach, Derrick Washington come and run the students through some skill development. What an amazing opportunity for our students.

Class of the Week – 4R

Researching

English Game

'Kitchen Garden Program'

Police Dog Profile

Name: Fang

Age: 2

Badge number: 10

Breed: Labrador

Cost \$50 000

Member of the police force since 2016

Interesting Information:

Fang comes from Melbourne and now lives in a special kennel. His job is to sniff out bad things. He cannot be patted while he is working. Fang wears a police vest just like other members of the police force. He can smell 250 000 times stronger than a human. Fang's food costs \$200 a bag.

Inside Out 4 Kids is an organisation which aims to assist children through the grief process when confronted with a painful loss or transition in their lives and/or families. When something significant happens in a family, everyone is affected, including the children. Because of young age and short life experiences, children often find it difficult to verbalise their feelings. The **Inside Out 4 Kids** is specifically designed for primary and high school students and is a peer support, harm-prevention program, offering a safe place to understand and share their feelings. Small groups of students meet with a trained adult facilitator once a week for 45 minutes during school hours and participate in activities including stories, talking, sharing, and craft. The following topics are covered:

- | | |
|--------|--|
| Week 1 | – My Story – We are all unique |
| Week 2 | – Emotions and Feelings – We all have feelings |
| Week 3 | – Emotions, Feelings and Anger
What makes you feel angry, directing anger appropriately. |
| Week 4 | – My Heart, Grief & Loss- What's inside my heart, share our changes or loss |
| Week 5 | – Memories & Moving on- Growing around the loss, share memories |
| Week 6 | – I Belong, A Sense of Self Identity – Where do I belong, Who am I? |
| Week 7 | – Courage & Resilience – What worries do I have, How to build resilience |
| Week 8 | – New Horizons, Hope & Helping Others- Help with problem solving & change,
learn to have hope and happiness, help ourselves heal and grow |

Week 8, being a celebration, often includes a small morning tea or lunch, a gift and a certificate. As the program is sponsored by Launceston City Mission, there is no financial cost to you or the school.

If you feel your child would benefit from being part of this program, please complete the attached form and return it to the school in an envelope marked Confidential –Inside Out 4 Kids. For more information, please contact the school.

✂.....
INSIDE OUT 4 KIDS

Name of child: _____ Age _____ Gr _____

Signature: (parent/guardian) _____

My child/ren will participate in the Inside Out program for the following reasons (please tick):

- ☐ Parent/sibling has died
☐ Parents divorced/separated
☐ Other significant loss (Please provide brief explanation):

(All information will be kept confidential)

2018 PREMIER'S READING CHALLENGE

Trevallyn Primary School Students are getting behind the 2018 Premier's Reading Challenge to promote reading and literacy across the school!

The Premier's Reading Challenge (PRC) encourages students from Prep to Year 6 to read 10 books in 10 weeks and can be integrated with existing classroom reading programs.

This year, the Challenge begins on Monday 9 April and ends on Friday 15 June 2018.

By encouraging children to read, the Challenge aims to:

- Inspire children and young people to love books and reading
- Raise parent and community awareness about how important reading is as a life skill
- Encourage families and parents to read with their children every day

It's not a competition, but a challenge to each child to read, to read more and to read more widely, regardless of their current reading level.

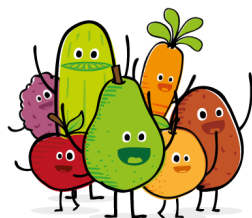

For Parents - encourage a life-long love of reading.

The Premier's Reading Challenge encourages your child to read 10 books in 10 weeks:

- Sign your child's PRC reading log for the first 10 books they read during the Challenge.
- Make sure your child shows their log book to their teacher regularly during the Challenge and especially after they read their first 10 books. They must return their log book to their teacher by Friday 22 June to ensure they receive a certificate signed by the Premier and a prize pack.
- Take up the Challenge to read and explore books together.
- Talk about books with your child.
- Make reading a family affair.
- Encourage your child to submit a [book review](#).
- If you have the time and hold a current Working with Vulnerable Children card, why not volunteer to help your child's school by listening to students read?
- Join your local [LINC or library](#) where you can borrow a great range of books for **FREE**.
- For great reading suggestions for your child visit our [What can I read?](#) page.

NUDE FOOD FREE DRESS DAY

Nude Food Free Dress Day

Thursday 24 May 2018

Trevallyn Primary School is getting behind the Nude Food Movement!! We are inviting you to come to school on Thursday 24 May with a completely nude (plastic wrap, foil or package free) lunch box. To celebrate our Nude Food Day you can also wear free dress clothing for the day! We are asking in return, to please bring in a gold coin for collection. With your donation, the Student Leaders, led by Alella, will be purchasing materials to make beeswax reusable sandwich wraps to then give to every student in the school so we can rid plastic in our lunchboxes forever!!

EARLY YEARS OF SCHOOL - PATTERNING IN NUMERACY

Learning about patterns is another important strand of Mathematics, for children to understand. Sorting, classifying and recognising patterns is a way that children make sense of the world around them and is an essential skill for future work in data analysis and Science.

Patterning

One of the reasons that humans have been so successful in their survival is because we are so good at recognising patterns. We know that the sun will rise and set each day. Our ancestors recognised the seasons of the year and they organised planning of their crops to fit.

Modern Science and Mathematics depends highly on pattern recognition and the ability to recognise patterns is necessary even in high level mathematics. Much of this ability is learnt in early childhood. This helps them to learn how to use logic and reasoning to make predictions. Knowing what has gone before and what will come next is very important in their daily lives and is essential in mathematics and science. Patterning also helps with language and is essential in music.

Activities to do with your child:

- Sing nursery rhymes – these help with patterning. language, rhythm and music.
- Tell stories that have an element of repeat to them, that are predictable so that the children can tell you what comes next.
 - We're Going on a Bear Hunt
 - Sniff, Snuff, Snap
 - The Little Red Hen
 - Who Sank the Boat
- Encourage your child to make patterns – using rubber stamps, paw prints and footprints, making necklaces from beads, shell or pasta.
- Play clapping games.
- If you are at the beach – look at patterns of footprints on the sand. Make patterns with your feet.
- Find items in the park or garden to make a pattern, such as leaf, leaf, stick.
- Make patterns as you walk, hop skip and jump.

TREVALLYN 5/6 SPORT - FRIDAY 25 MAY 2018

Hockey vs Riverside @ Trevallyn with Mr Partridge

Netball vs Youngtown @ Youngtown with Mrs Bransden
