FROM THE PRINCIPAL

I would like to acknowledge the amazing performance of **Sophie Ryan** during the **State Athletics Carnival** held at St Leonards Athletics Track on Friday 18 May. Sophie competed in multiple events during the day and even managed a first place in the long jump, beating her LSSSA score by 16 centimetres, with a jump of 3 metres and 43 centimetres. Sophie also competed in the 100 and 200 metres and her combined northern relay team which included **Charlotte Mee**, came third in the state.

Congratulations Sophie on this outstanding result. We are very proud of your state title and your sportsmanlike and modest manner when representing Trevallyn Primary School.

We are also very excited to share with you the incredible news about Bailey Landeg's success in his audition for the Melbourne Theatre Production 'School of Rock'. Hundreds of children across Australia auditioned for roles in the production based on Jack Black's famous movie. Bailey was successful in obtaining one of the lead roles as 'Freddy' and will be spending the next six months rehearsing and performing with the Australian cast with the opening night on October 31. Congratulations Bailey, what an amazing opportunity for you, we wish you every success.

FROM THE PRINCIPAL CONTINUED

This week we have welcomed Oliver C and his family to Prep. It is great that you have joined our school family.

The cancellation of the **Early Childhood Cross Country** event on Wednesday was a good reminder for us of the importance of downloading and accessing Schoolzine. This is our main mode of communication. I think back to the emergency we experienced with floods in 2016 and how essential and supportive this app was. Please see page three for details of downloading Schoolzine.

The **Early Childhood Cross Country** event will now be held on Wednesday 20 June, at 2:00pm on the Trevallyn Oval.

What an exciting week we have coming up, with swimming starting next week for Grades 3-5 and a wonderful team of school representatives attending the LSSSA Cross Country on Friday! All the best to everyone involved.

EARLY YEARS OF SCHOOL - PATTERNING IN NUMERACY

Learning about patterns is another important strand of Mathematics for children to understand. Sorting, classifying and recognising patterns is a way that children make sense of the world around them and is an essential skill for future work in data analysis and Science.

Patterns in numbers

Two, four, six, eight, ten, twelve...

This is an example of what teachers call 'skip counting'. This helps children learn their 'number facts'. It also helps them to recognise the patterns in numbers. In our classrooms you will see a 100 chart. These support children's understanding of number and patterns numbers can create. How many patterns can you see? You can go across, down or diagonally.

1	2	3	4	5	6	7	8	9	10

Activities you can do with your child

- Hang a number chart somewhere in your house
- Practise skip counting with your child as you walk to school or in the car
- Write out a number pattern for your child and see if they can guess the missing number. eg 1, 3, 5, __, 7

♥ Welcome to Kindergarten

We are now taking enrolments for Kindergarten 2019. Please see the administration staff in our school office.

Do you live in the Trevallyn area and have a child turning 4 years old this year?

Do you have a friend who has a child who turns 4 years old this year, living in the Trevallyn area?

If you answered “Yes” to any of these questions, then they are old enough to start Kindergarten in 2019.

MUSIC PROFESSIONAL DEVELOPMENT

On May 11, Trevallyn Primary School was lucky to host a Music PD run by Ken Owens who is Director of Musical Futures Australia. Ken worked with Mr Lamb and 12 other Northern Music Teachers in a day of active music making. We looked at the latest research in music education and took part in informal learning and non-formal teaching activities. The day was a success, very informative and provided many ideas in "Grooving Your Classroom". As a result of Trevallyn's participation with Musical Futures Australia, Mr. Lamb has been invited to attend the Music Futures Australia National Conference which is being held in Melbourne in June.

DONATIONS PLEASE

Do you have any cotton material you no longer want/need?

To support the Grade Six Student Leaders making the beeswax cotton wraps, we are asking for any donations of 100% cotton material. If you have anything suitable, please drop it in to the school office. Many thanks.
