Term 3

Tuesday 24 July - Friday 28 September

Term 4

Monday 15 October - Thursday 20 December

FROM THE PRINCIPAL

Term Two has been a highly productive and successful term. I feel certain that families will now be looking forward to a fortnight without the routines of school. It will certainly be a well-deserved break for teachers and students, as our students are hardworking and extremely dedicated to their learning. We applaud their commitment to **THINKING, CARING AND ACHIEVING.**

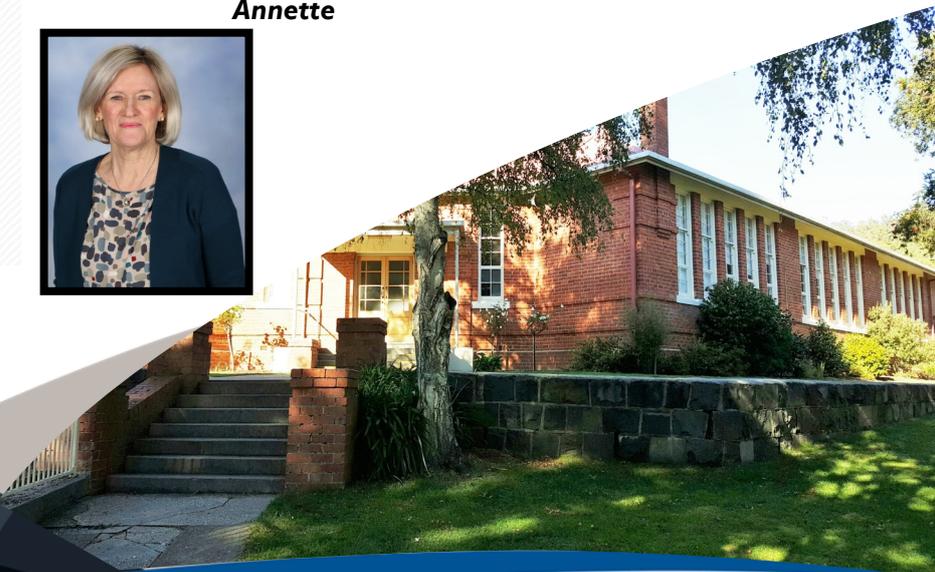

We are in a position to transition into Term 3 most smoothly, without Class Teacher or leadership changes. There are some short term changes as a result of Long Service Leave. Classes with changes have been notified. We will have new enrolments in a variety of classes and we look forward to welcoming these students early Term 3.

On Tuesday we had a most positive NAIDOC Week and end of term assembly, most ably led by our Student Leaders and once again, the parent attendance was outstanding. I would like to sincerely thank the many parents and family members who have attended assemblies, to date. It was wonderful to celebrate student achievement. Students have continued to work hard right to the end of the term and it is such a joy to recognise the excellent achievements of our students.

Term 3 begins on Tuesday 24 July. Teachers will be working together on Monday 23. Our learning and planning will be in the areas of curriculum and Digital Technologies. Teacher Assistants will be upgrading first aid knowledge. This professional learning time is very precious to us. Thank you for the arrangements you make to enable this to happen.

Have a happy and safe holiday! We look forward to seeing you all on Tuesday 24 July.

EARLY YEARS OF SCHOOL - MATHEMATICS

The Operations

Only after children have learnt to count and they have become fluent counters and understand the written form of numbers, they can begin to learn about the operations – learning to add, subtract, multiply, divide and so on.

Teaching division

Division is not taught as division in the early years of school. Children are introduced to the notion of sharing in preparation for learning about division.

The key idea that children need is that sharing means dividing things equally (this is important for fractions too). Children need to see lots of different things (and things that look different) being shared.

Multiplication and sharing activities to do with your child:

Until your child has a good understanding of multiplication, it is best not to spend time practising multiplication facts or 'times tables'. This can actually limit children's understanding. So plan opportunities where children can multiply smaller numbers by using groups. Keep an eye on the progression at school. Some children see patterns quickly and others take a little longer. So if you know your child's teacher is working groups of 2 then you would be playing games around groups of two.

- If I want two lollies for each person in the family, how many do I need? (Have your child put them out) "Two for Mum, two for Jack, two for Jan? How many?"
- Think about sharing items. – We have 12 lollies and want to share them with all the people (4) in our family. How can we share them fairly?
- We have a pizza cut into 8 pieces and there are 4 of us. How many pieces does each person have?

READERS' CUP

Our Grade 5 Readers' Cup team "The Spudatoes" represented our school on Thursday night at the Inter-School final. We are very proud of you all and the teamwork you showed was inspiring!

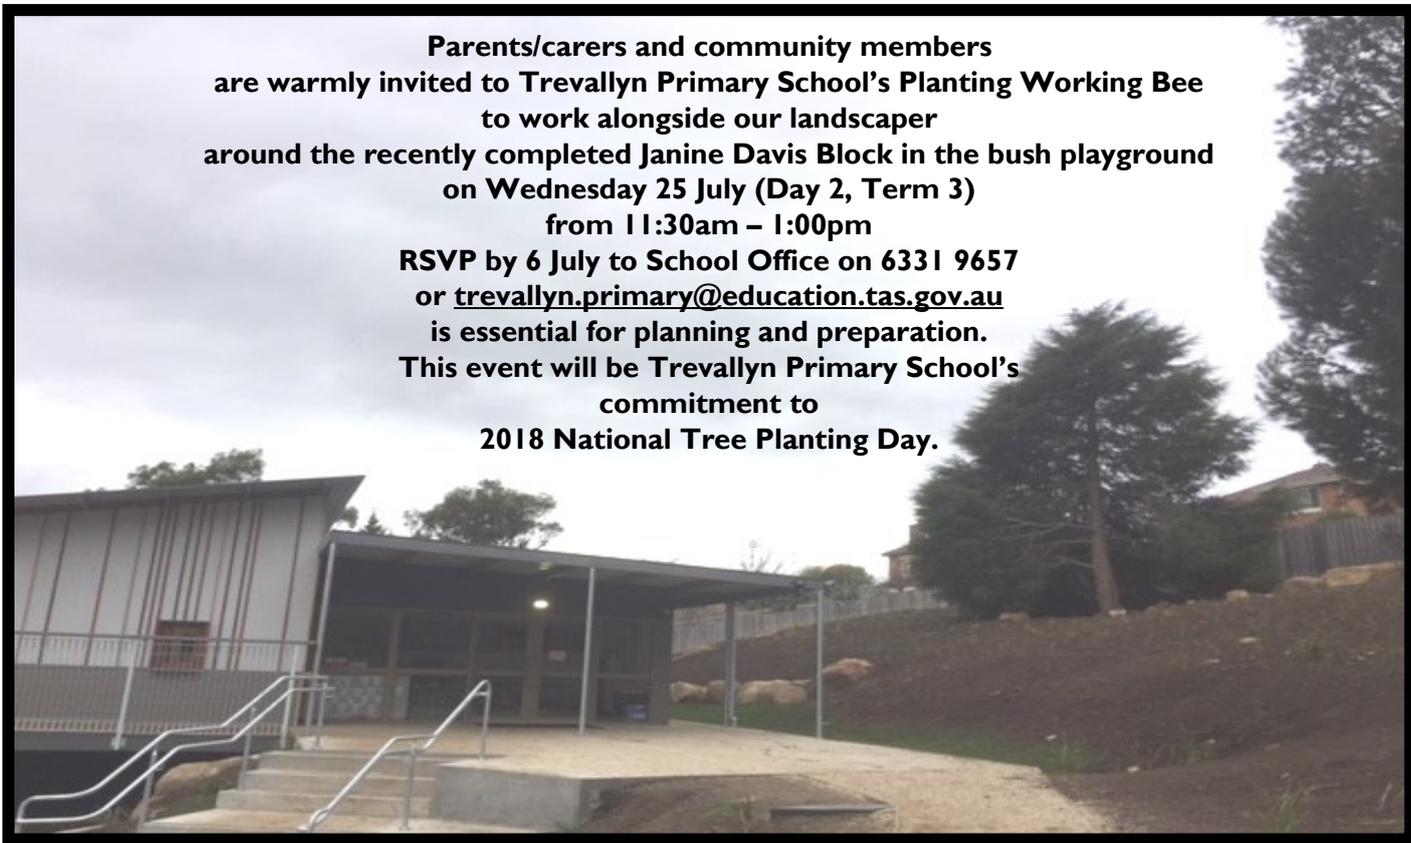

Grade 2 students shared plays about 'Queen Victoria's Underpants', 'Ready Steady Boris' and 'The Boy and the Toy'. They had great fun reading the stories, dressing up and sharing with their classes. They appreciated the support from their Grade 6 mentors.

NAIDOC WEEK in PREP S

SCHOOL ASSOCIATION

Thursday 28 June was the TPS **School Association meeting** night where the committee received updates on a range of matters relating to the school including the Winter Solstice event, the Taste of Trevallyn, the Uniform Shop and Canteen and the upcoming fundraising activities.

This is where we **need your help** – we are a small committee which need your assistance and ideas. Is anyone available to assist with the **Sunrise Bakery Drive?** Do you have any ideas about activities surrounding **Fathers' Day?** Last year we had a breakfast – do you have other suggestions? Are you able to assist with the **Fathers' Day Stall?** Are you interested in being involved in the **Taste?**

Please don't hesitate to contact Nicole Willcox on willcox.mann@gmail.com or 0403 881 894.

The next meeting will be on **Thursday 26 July at 7pm** – we'd love to see you there or let us know your ideas and we'll pass them on.

BEES WAX WRAPS

The Student Leaders are very excited to be giving out the bees wax wraps they have been busily making. A huge congratulations to them for this idea and project. What a great way to support a community in reducing plastic!! Also, a big thank you to everyone who donated material to help us get started. We encourage you to use your wrap daily and eliminate single wrap plastics in your lunch boxes.

PLASTIC FREE JULY

for the month of July

Will you take the challenge?

A creative graphic for Plastic Free July. The word 'PLASTIC' is written in large, bold letters. Each letter is constructed from various plastic items: 'P' from a circuit board, 'L' from a bundle of pens, 'A' from a blue plastic bottle, 'S' from red plastic beads, 'T' from a metal pen holder, 'I' from a metal pen holder, and 'C' from a collection of colorful buttons. Above the 'P' is a small logo with the text 'PLASTIC FREE JULY' and a colorful circular design. Above the 'I' is the text 'Give up' in red. Below the word is the website 'www.plasticfreejuly.org' and the text 'for the month of July' and 'Will you take the challenge?' in blue.

♥ Welcome to Kindergarten

We are now taking enrolments for Kindergarten 2019. Please see the administration staff in our school office.

Do you live in the Trevallyn area and have a child turning 4 years old this year?

Do you have a friend who has a child who turns 4 years old this year, living in the Trevallyn area?

If you answered “Yes” to any of these questions, then they are old enough to start Kindergarten in 2019.

STUDENT MOBILE DEVICES

Students are reminded that if bringing a mobile phone/ ipod/ipad to school, it must be signed in each morning at the school office.

UNIFORM SHOP NEWS

UNIFORM SHOP WILL REOPEN ON TUESDAY 24 JULY 8:30AM - 9:30AM

As of Term 3 there will be a price change to some items in the Uniform Shop. The paypal fee will also cease.

Orders are welcome and encouraged. Please see new price list on page 7.

Monday afternoons 2:30pm – 3:30pm and Tuesday mornings 8:30am – 9:30am

CANTEEN VOLUNTEERS

We would like to set up a Term 3 parent help roster for **Wednesdays, Thursdays and Fridays between 9:00am - 11:00am and 11:00am - 1:00pm** to assist Mel with preparation and/or clean-up.

If you have a current working with vulnerable people registration and would like to help in the canteen, please give your name to the school office with the days/times you would be available.

MYTERN - THOUGHT OF THE WEEK (TAKE EMOTIONAL RESPONSIBILITY NOW)

It is not the red and green roads that represent the good and the bad. It is our judgement of the roads that we or others are on that can lead to difficulties. There is no right and wrong road, as all roads need to be travelled.
