### FROM THE PRINCIPAL

**Welcome back everyone** and especially, a warm welcome is extended to the following students and their families to Trevallyn Primary School: Kiera R, Zoey R, Elijah C, Zalia C, Edie L, Frankie L and Madison W. Nothing like a heavy rain on Tuesday to get things started!

On Monday our **teachers had an opportunity to participate in professional learning**, grade and sector planning. We were all introduced to blended learning and CANVAS, new Department of Education technology and approaches. These incredibly rich resources are very innovative and will assist both student and teacher collaboration. Our Grade 6 students and Mrs Stevenson have been ground breaking at TPS as they are using this technology for the sharing of their work in the Write Road program. This virtual learning environment is perfect for the required online discussion boards, the required communication, critical thinking and feedback. There is so much to learn, but working together will be encouraging and supportive for us all.

This week we **farewelled our Social Worker Keryn Geard**. We thank her for her support of our school and community and wish her all the very best with her new position. Keryn has made contact with many parents and students to inform of a transition to a new Social Worker. When an appointment is finalised I will let everyone know.

### Levelled Literacy Intervention (LLI)

LLI is a small-group intervention program at TPS designed for young children who find reading challenging. It has been highly successful in achieving its goal of bringing students to year-level performance. Lessons are at least 3-4 times a week, for 40 minutes, with instruction in reading, writing and phonics/word study. The small size of the group allows close observation and promotes individual learning.

## FROM THE PRINCIPAL CONTINUED

During Term 1 and 2, 15 children accessed the LLI program. All of these students improved their reading level. At the end of Term 2, 4 students exited the program, having reached a grade appropriate reading level. During Terms 3 and 4 our priority is to support the literacy needs of our Prep students as well as the LLI program continuing to support children in Grade 1 and 2.

The support of parents, the efforts of the students and the highly committed teaching and ongoing monitoring of students by Mrs Cramp and Mrs Bird are highlights of LLI. All involved should be very proud.

# Helping kids to be Super Savers with School Banking.

## How teaching your child money skills can fit into your everyday life.

There are many ways you can help your child learn the value of money in real-life situations. As a busy parent, it's a good idea if you can incorporate simple money lessons into your everyday routine, like at the supermarket.

Here's 3 lessons you can share with your child next time you shop:

- 1 Before you go to the supermarket, ask your child to help you write the shopping list and then organise the items into two columns: Needs and Wants. Then whilst you do the shop, let them tick off the items as they go to help reinforce the idea. They'll quickly start to understand the value of the items they really need.
- 2 When buying items at the supermarket, you can explain to your kids how items are priced and that you can get cheaper or more expensive versions of the same product. This is also an opportunity to discuss how you can shop around for the best price and sale items.
- 3 Let them choose an item they can buy using different coin combinations to practice their money skills in the real world.

## Term 3 Super Savers Reward Items.

To encourage the habit of saving regularly, children can redeem a reward after they've made 10 School Banking deposits. Two new reward items are available in Term 3 (while stocks last):

- Mighty Boom Handball
- Heat Reactor Pencils (pencils change colour with heat)

## Keep saving for a chance to win a family trip to Hawaii.

## LANDSCAPING OF THE JANINE DAVIS BLOCK

Look at the wonderful progress!

We are absolutely thrilled with the overall effect and blending with our bush playground. The students worked hard in their landscaping role and are now keen to see the growth of the Silver Tussock, Mat Rush, Flax Lily, Southern Flax White Flag Iris, Kangaroo Grass and Lemon Bottle Brush.

We still have work to do where excessive mud halted work and log seating is yet to be installed. The improvement and anticipation is very exciting!

Please drop in and have a look.

#### **ABANDON ALL PENS - AUGUST 10**

Friday August 10 we will be abandoning all Pens.

The No Pens Day encourages everyone; students and teachers, to put down their pens and to conduct a day of learning through speaking and listening. Speaking and listening are vital tools for thinking and learning and they underpin the development of children's literacy development at all levels. Too often we become focused on pens, paper and ICT as our major way to communicate, but by having a No Pens Day we can get creative and remind ourselves of other ways to communicate our learning.
