##### Friday 2 November

Student Free Day

#### 2018 TERM DATES

##### Term 3

24 July - 28 September

##### Term 4

15 October - 20 December

#### FROM THE PRINCIPAL

A warm welcome is extended to Sofia and McKinley and family as you begin at TPS.

Please see on page 3 information about **Inside Out 4 Kids**. This will be on offer for 8 weeks of Term 4. If interested please return the permission slip to the office.

The start of Term 4 is the time for children to change over to the **summer uniform**. Please feel free to remain in the winter uniform if the weather is not supporting this transition at the beginning of the Term. Term 4 is also time to get hats out again.

At the end of this term, the **arrival time** for quite a group of students has been getting earlier. Students are not to arrive at school prior to 8.30. We encourage children to be at school by 8.50 for the start of school.

It is an exciting week next week. **Esk Band** have the visit of Professor Rob McWilliams to work with students on Thursday. This will be a great opportunity for students and staff to meet and work with one of Australia's finest music education specialists. To end off the term. We have in-school socials and the wearing of sports colours on Friday.

#### Annette

## TASMANIAN MATHEMATICS ASSOCIATION MATHS RELAYS

On Sunday 16 September, The Tasmanian Mathematics Association held their annual Maths Relay for students all across Tasmania. This year they introduced a section for our 3/4 students and we were fortunate enough to be able to enter a team along with our two Grade 5/6 Teams. Our students did an amazing job at working together collaboratively, attempting very challenging, high-order problems and all demonstrated their perseverance and determination. Our 3/4 team achieved 3<sup>rd</sup> overall and our 5/6 teams are waiting on the final places.

## WASTE NOT AWARDS

Recently we submitted an application on behalf of Alella P and our Student Leadership group to nominate them for their amazing efforts in making 494 bees wax sandwich wraps for every student at Trevallyn Primary School. We are excited to share with you that the application was successful and the Student Leadership group were acknowledged for their hand work and initiative in reducing soft plastic waste at Trevallyn Primary School at the Waste NoT Award ceremony sponsored by Northern Tasmania Waste Management Group on Tuesday 18 September.

# INSIDE OUT

Trauma, grief and loss support **4 Kids**

**Inside Out 4 Kids** is an organisation which aims to assist children through the grief process when confronted with a painful loss or transition in their lives and/or families. When something significant happens in a family, everyone is affected, including the children. Because of young age and short life experiences, children often find it difficult to verbalise their feelings. The **Inside Out 4 Kids** is specifically designed for primary and high school students and is a peer support, harm-prevention program, offering a safe place to understand and share their feelings. Small groups of students meet with a trained adult facilitator once a week for 45 minutes during school hours and participate in activities including stories, talking, sharing, and craft. The following topics are covered:

- Week 1 – My Story – We are all unique
- Week 2 – Emotions and Feelings – We all have feelings
- Week 3 – Emotions, Feelings and Anger  
What makes you feel angry, directing anger appropriately.
- Week 4 – My Heart, Grief & Loss- What’s inside my heart, share our changes or loss
- Week 5 – Memories & Moving on- Growing around the loss, share memories
- Week 6 – I Belong, A Sense of Self Identity – Where do I belong, Who am I?
- Week 7 – Courage & Resilience – What worries do I have, How to build resilience
- Week 8 – New Horizons, Hope & Helping Others- Help with problem solving & change, learn to have hope and happiness, help ourselves heal and grow

Week 8, being a celebration, often includes a small morning tea or lunch, a gift and a certificate. As the program is sponsored by Launceston City Mission, there is no financial cost to you or the school.

If you feel your child would benefit from being part of this program, please complete the attached form and return it to the school in an envelope marked Confidential – Inside Out 4 Kids. For more information, please contact the school.

## CLASS PLACEMENT AND CLASSES 2019

Trevallyn Primary School is committed to meeting the educational needs of all students. A great deal of thought, planning and time goes into placing children into classes each year. Every effort is made to place each child in a learning environment that is happy, safe, productive and successful.

While in 2019 **we will not be taking requests for students to be in particular classes or with specific students or teachers**, we are happy to receive information above what the class teacher is currently aware of from parents/guardians relating to their child.

Parents/guardians wishing to forward information are asked to contact the following people by the end of Term 3 (September 28).

Please be mindful that Term 4 and end of year contact re class placement is outside the shared timeframe. These classes refer to 2019.

K-2 Renae Martin – [renae.martin@education.tas.gov.au](mailto:renae.martin@education.tas.gov.au)

Or Anna Goss - [anna.goss@education.tas.gov.au](mailto:anna.goss@education.tas.gov.au)

Grades 3-6 Jane Hudson [jane.r.hudson@education.tas.gov.au](mailto:jane.r.hudson@education.tas.gov.au)

2019 enrolment – please keep us informed of any future enrolment information. If you will not be at Trevallyn next year or you know of any families moving in, please let us know. Our staffing is based on student numbers, so this information is crucial for our planning.

You will also see below a copy of our Class Placement Policy outlining the class placement process and the factors teachers take into consideration when organising classes to cater for a range of academic abilities, opportunities for new social connections, work habits and to foster diversity.

This policy has been endorsed by our School Association.

### CLASS PLACEMENT POLICY

Trevallyn Primary School is committed to meeting the educational needs of all students. A great deal of thought, planning and time goes into placing children into classes each year. Every effort is made to place each child in a learning environment that is happy, safe, productive and successful.

#### Factors influencing class structures are:

- The projected number of students in each year level
- The number of teachers employed at the school and available facilities

#### Factors which are considered in the placement of students include:

- The educational needs of the students
- Work habits e.g. ability to work independently, within groups
- Behaviour
- Gender
- Social networks
- Students with High and Additional Needs – e.g. required learning adjustments, Teacher Assistant allocations, Individual Educational Plans (IEPs) & Individual Learning Plans (ILPs).

This policy supports the school to organise classes to cater for a range of academic abilities, opportunities for new social connections, work habits and to foster diversity.

Parents are invited, in a defined timeframe, to outline educational requests for class placements. Requests in relation to choice of teacher will not be considered as a placement factor.

#### What is the process for placing students into classes?

Based on the criteria listed above, teaching staff will meet early **Term 4** to establish class groupings for the following school year. Teachers of the current year level and school leaders meet with the other year level colleagues to create the class lists. (E.g. Year 2 teachers and school leaders decide Year 3 placements)

Throughout the process, changes and adjustments are made. Each change triggers a chain reaction of other changes. It is acknowledged by all that friendships are important. However, to ensure balanced classes as outlined above, friendship groups are NOT the primary determining factor in class placement. Proposed class lists are submitted to the Leadership Team for final input and endorsement.

## DANCE EVENT

On Thursday September 13 our students from Prep to Grade 6 joined around 7000 students from other schools to participate in the bi-annual Dance Event held at the Silverdome. Everyone involved did a fantastic job learning the dances for the event. This is another event that highlights the fantastic effort and commitment our amazing students have when representing Trevallyn Primary School. It was great to see so many parents come along and watch too!

**Bradley Ralph**

## 5 Partridge

We recently visited Hollybank Forest to discover how fire has shaped the landscape and how plants and animals have adapted to suit the conditions. Our Sustainability, Education, Art and Teamwork (S.E.A.T) project is nearing completion and we CANNOT wait to begin decorating them in preparation for the Science, Technology, Engineering, Art and Mathematics (STEAM) open evening!

# Abacus - October 2018 Vacation Care Program

## LSSSA NORTH VS NORTH WEST EXCHANGE

On Wednesday 19 we had 12 students represent Trevallyn Primary Schools and the LSSSA in the North vs North West Sporting Exchange held in various locations on the North West Coast. All students were fantastic and on behalf of Trevallyn and the LSSSA, I would like to thank them for their amazing efforts. I would also like to acknowledge the very supportive parents.

**HOCKEY** - McKenna S, Darcy C, Jayden W, Briana L

**FOOTBALL** - Chance C Jordan S

**SOCCER** - Isabelle L

**GIRLS FOOTBALL** - Marlea E, Ava C

**NETBALL** - Erin G, Lucy M and Amelie M

*Bradley Ralph*

## SCHOOL ASSOCIATION INFORMATION

Thank you to all families who attended our annual Father's Day Breakfast. It certainly showcased the importance of community and acknowledged the importance of loved ones who play a significant role in family and school life. To our volunteers - thank you so much for your continued support.

The School Association has been working diligently to ensure that we have appropriate policies in place as mandated by the Department of Education. From sub-committee terms of reference to risk registers, the role the Association plays in ensuring a safe and happy school continues to grow.

We are always looking for ways to engage our parents and guardians, extended families and community members at Trevallyn Primary School. As a result, the Association will be developing a communication plan that aims to keep everyone informed and up to date.

The School Association assists with management of our wonderful canteen and we are always on the lookout for volunteers. Should you have time to assist, it would be greatly appreciated. Please leave your name at the office if you are able to help.

This Thursday night, 27 September, an agenda item at the meeting will be intake area review. Parent/Carers are welcome to attend and contribute to this discussion.

**Brian Wightman - School Association Chairperson**

## LEVELLED LITERACY INTERVENTION

Next Friday September 28 there will be a parent information session for all new and interested parents to LLI this term. This will be held in the meeting room at the front office and will run from 9:00am until 9:30am. We look forward to seeing you there!

**Fiona Cramp**

*Learning Support Teacher*

## TREVALLYN 5/6 SPORT - FRIDAY 28 SEPTEMBER
