FROM THE PRINCIPAL CONTINUED

Reminder – we return to summer uniform and wearing hats next term.

Some of our community will be wondering why we have not participated in **Singfest** this year. As there was a waiting list of schools to be involved, we have elected to offer our spot to a school that has not yet been able to participate. We will be into this great event in the future, with gusto!

I wish everyone a restful and enjoyable holiday. It really feels like we need to recuperate after a winter term. Thank you for all your support and commitment to quality learning this term and your preparedness to be actively and enthusiastically involved in the many quality learning experiences offered at Trevallyn Primary School.

I - H ART WORK

Excursion to the Cataract Gorge

Students from Grade 1 Reid/O'Brien and 1 Hepburn recently ventured to the Cataract Gorge as a part of their HASS unit. Students were focusing on the natural and constructed features of this managed environment and what changes have and are currently occurring to the Gorge. We were also fortunate to have Mr Faulkner and Mr Simpson from the Launceston City Council come and speak to us about the new playground development currently underway.

Hollybank

Trees as tall as giants,
Waving in the sky.
Wet, damp tree litter on the grass,
Smells like gum trees, dirt and water.
Slowly walking tourists wander amongst the trees,
Sparkling beams of sun shining against the ground.

Hollybank

The fascinating forest is quiet as a sleeping mouse,
Animals climbing around the shady, cool leaves,
Wondering about the fun facts about the interesting trees,
Gazing up at the fresh, amazing treetops,
Slowly walking around the moist rainforest tracks,
Leaf litter is as crunchy as cereal.

ESK BAND STUDENTS

Our Esk Band students are making great progress. What talented and committed musicians!

SCHOOL TRIATHLON CHALLENGE

Due to associated supervision challenges, the distance to be travelled and associated risks, this year, students wishing to participate in the challenge are to be transported and supervised by their parents/carers. Mr Ralph will attend as our TPS staff leader. We ask that parents complete registration on-line and organise teams with their children. Please find further event information including entry details, costs and dates on the School Triathlon Website www.schooltriathlonchallenge.com or to answer any questions please email the event organiser Tim Smith – tim@schooltriathlonchallenges.com

PREP TALK

Prep TALK

How can we better develop communication with our children?

We will be hosting Parent Workshops and Prep Open Classrooms to further explore this question.

During the Parent Workshop we will be unpacking:

- The TALK project, a collaboration between West Launceston, Riverside and Trevallyn Primary Prep teachers
- Strategies to support your child's speech and language development

This parent workshop is most relevant for parents of Prep children.

The workshops held immediately after the classroom open afternoons and on **TUESDAY 30TH OF OCTOBER** at **7PM AT RIVERSIDE PRIMARY SCHOOL**. They will be presented by Sally O'Donnell an experienced Speech and Language Pathologist. There will be lots of tips and ideas shared, along with the opportunity to ask questions.

Classroom Open Afternoon dates to follow.
